A Madness Of Angels Matthew Swift:

A Madness Of Angels Kate Griffin, 2009-04-02 When a man is tired of London he is tired of life for there is in London all that life can afford Samuel Johnson In fact Dr Johnson was only half right There is in London much more than life there is power It ebbs and flows with the rhythms of the city makes runes from the alignments of ancient streets and hums with the rattle of trains and buses it waxes and wanes with the patterns of the business day It is a new kind of magic urban magic Enter a London where magicians ride the Last Train implore favours of The Beggar King and interpret the insane wisdom of The Bag Lady Enter a London where beings of power soar with the pigeons and scrabble with the rats and seek insight in the half whispered madness of the blue electric angels Enter the London of Matthew Swift where rival sorcerers hidden in plain sight do battle for the very soul of the city

A Madness of Angels Kate Griffin, 2014-05-21 The last time Matthew Swift was seen alive an unknown assailant had gouged a hole so deep in his chest that his death was irrefutable despite his body never being found Two years after his untimely death this sorcerer finds himself breathing once again
