A Light Through The Shade An Autobiography Of A Queen:

A Light Through the Shade Madison Hinton, Jasmine P. Rain, 2015-05-28 A Light Through the Shade An Autobiography of a Queen is the true interview style story of a transgendered woman who triumphed through the hustle of the sidewalk Despite the odds working against her in the streets of Miami Even at an early age Ts Madison listened to the voice of the person living inside of her The only way to live through the vicariousness of her dreams was to become the woman she was called to be Not only to gain the attention of men that she had an insatiable attraction for but also to truly become free from society s standards The acts of love trust deceit friendships and the greatness of faith exceed the depths of experiences of the average person This is an inspiring story of a person who turned a huge amount of shade and turned it into a universe of glowing light This is the story of a boy who transitioned into a Queen
