Sejer series from Norway's finest crime writer *Don't Look Back* Karin Fossum, 2008-09-04 Beneath the imposing Kollen Mountain lies a small village where the children run in and out of one another's houses and play unafraid in the streets. But when a naked body is found by the lake at the top of the mountain its seeming tranquillity is disturbed forever. Inspector Sejer, a tough no-nonsense policeman whose own life is tinged by sadness, is called in to investigate. As the suspense builds and the list of suspects grows, Sejer's determination to discover the truth leads him to peel away layer upon layer of distrust and lies in this tiny community where apparently normal family ties hide dark secrets. Critically acclaimed across Europe and loved by fellow crime writers including Jo Nesbo, Ruth Rendell and Colin Dexter, Karin Fossum's novels evoke a world that is terrifyingly familiar.

Calling Out for You Karin Fossum, 2013-11-07 Inspector Sejer is on the trail of a violent killer in small town Norway. In this gripping thriller from acclaimed crime writer Karin Fossum, Gunder Jomann, a quiet middle-aged man from a peaceful Norwegian community, thinks his life has been made complete when he returns from a trip to India, a married man. But on the day his Indian bride is due to join him, he is called to the hospital to his sister's bedside. The local taxi driver sent instead to meet the bride at the airport returns without her. Then the town is shocked by the news of an Indian woman found bludgeoned to death in a nearby meadow. Inspector Sejer and his colleague Skarre head the murder inquiry, cross-examining the townsfolk and planting seeds of suspicion in a community which has always believed itself to be simple, safe and trusting. For what can only have been an unpremeditated and motiveless act of violence, everyone is guilty until proven innocent.

Perfect for fans of Ruth Rendell, Val McDermid and Minette Walters. A twelve-year-old boy runs into his local police station claiming to have seen a brutally dismembered corpse. Errki Johrma, an escaped psychiatric patient and known town misfit, was spotted at the scene before he disappeared into the woods. The next morning the local bank is robbed at gunpoint. Making his escape, the robber takes a hostage and also flees into the woods. As the search for Halldis Horn's killer continues, all fingers of suspicion point to Errki, except one. Errki's doctor refuses to believe that he could have committed such a horrific act, and for the first time since his wife's death, Inspector Sejer finds himself intrigued by another woman. The second novel in the Inspector Sejer series displays all of Karin Fossum's acclaimed plotting and characterisation.
