**Undead** Kirsty McKay, 2012-09-01 Out of sight out of their minds It's a school trip splatter fest and completely not cool when the other kids in her class go all braindead on new girl Bobby The day of the ski trip when the bus comes to a stop at a roadside restaurant everyone gets off and heads in for lunch Everyone that is except Bobby the new girl who stays behind with rebel without a clue Smitty Then hours pass Snow piles up Sun goes down Bobby and Smitty start to flirt Start to stress Till finally they see the other kids stumbling back But they've changed And not in a good way Straight up they're zombies So the wheels on the bus better go round and round freakin' fast because that's the only thing keeping Bobby and Smitty from becoming their classmates' next meal It's kill or be killed in these hunger games heads are gonna roll and homework is most definitely gonna be late Combining the chill of THE SHINING the thrill ride of SPEED the humor of SHAUN OF THE DEAD and the angst of THE BREAKFAST CLUB Kirsty McKay's UNDEAD is a bloody mad mash up a school trip splatter fest a funny gory frighteningly good debut

*Unfed* Kirsty McKay, 2013-08-27 Fresh meat From a hospital of horrors to a runaway zombie train it's an all new onslaught of the slaving undead in the sequel to Kirsty McKay's killer debut Just when you think you're out it's the morning after the night of the return of the living dead Or something like that After running bus driving snowboarding for her life alongside rebel Smitty geeky Pete and popular Alice Bobby thought she'd found the antidote to the Carrot Man Veggie Juice that had turned the rest of their classmates into zombies When Smitty mmm nom nom got chomped Bobby pumped a syringe full of it into him herself But now Bobby's a prisoner in some hospital of horrors with no clue how she got there And Smitty is missing What if he isn't cured after all Bobby knows she's got to find him even if it means facing Scotland's hungry hordes plus Alice's buckets of snark again And this time zombies aren't the only evil stressing her out The brain dead are bad enough but how can Bobby stop the big pharma business behind the epidemic Especially when her own mom works for the company

Each one is a masterpiece all on its own. Another amazing instalment. Haywood sure is improving like a fine wine. This story simply gets better and better. Once again the subplots weave around one another coming together with quality timing. Each time I finish reading I'm exhausted, overjoyed, anxious, and fearful of what's coming next. Brilliant writing from start to end. Well done, RR Haywood, please do not stop doing what you are doing. This has been the best zombie series I've read. I cannot begin to describe how exciting and spellbinding. The Undead series is I just want to keep getting lost in the story. I like zombie books a lot. But the character development, the humour, the action, and the banter in this series make it the best I have ever read. **The Undead Collection** Steven P.R., 2015-04-25 One day a giant eye appears in the sky.
