

The background of the entire cover is an impressionist painting of a rainy street scene. In the foreground, a woman in a dark dress and white apron holds a large red umbrella. Other figures with umbrellas are visible in the background, and the ground is wet and reflective. The overall style is reminiscent of J.M.W. Turner's work.

Washington Square By Henry James:

Henry James, Washington Square and The Portrait of a Lady Alan Shelston, 1984 **Washington Square** Henry James, 2023-10-01 In the Washington Square area of New York City in the late nineteenth century devastating betrayals by both her father and her lover leave shy and fragile Catherine Sloper permanently scarred Novelist **Washington Square** Henry James, 2017-03-03 Washington Square is a short novel by Henry James It is a structurally simple tragicomedy that recounts the conflict between a dull but sweet daughter and her brilliant unemotional father The bitterest irony in the story is that Dr Sloper a brilliant and successful physician is exactly right about Morris Townsend and yet he is cruel to his defenseless and loving daughter If the doctor had been incorrect in his appraisal of the worthless Townsend he would be only a stock villain As it is the doctor's head functions perfectly but his heart has grown cold after the death of his beautiful and gifted wife Catherine gradually grows throughout the story ultimately gaining the ability to judge her situation accurately As James puts it From her point of view the great facts of her career were that Morris Townsend had trifled with her affection and that her father had broken its spring Nothing could ever alter these facts they were always there like her name her age her plain face Nothing could ever undo the wrong or cure the pain that Morris had inflicted on her and nothing could ever make her feel towards her father as she felt in her younger years Catherine will never be brilliant but she learns to be clear sighted *Henry James: Washington Square* Henry James, 2016-09-01 Washington Square is perhaps the only novel in which a man has successfully invaded the feminine field and produced work comparable to Jane Austen's said Graham Greene Inspired by a story Henry James heard at a dinner party Washington Square tells how the rakish but idle Morris Townsend tries to win the heart of heiress Catherine Sloper against the objections of her father Precise and understated the book endures as a matchless social study of New York in the mid nineteenth century *WASHINGTON SQUARE* Henry James, 2017-11-15 Washington Square is a tragicomedy that recounts the conflict between a dull but sweet daughter and her brilliant unemotional father The plot of the novel is based upon a true story told to James by his close friend British actress Fanny Kemble The book is often compared with Jane Austen's work for the clarity and grace of its prose and its intense focus on family relationships Dr Austin Sloper a wealthy and highly successful physician lives in Washington Square New York with his daughter Catherine Catherine is a sweet natured young woman who is a great disappointment to her father being physically plain and he believes dull in terms of personality and intellect His sister Lavinia Penniman a meddlesome woman with a weakness for romance and melodrama is the only other member of the doctor's household Henry James 1843 1916 was an American British writer who spent most of his writing career in Britain He is regarded as one of the key figures of 19th century literary realism **Washington Square** Henry James, 2017-07-22 How is this book unique Font adjustments biography included Unabridged 100% Original content Illustrated About Washington Square by Henry James Washington Square is a short novel by Henry James Originally published in 1880 as a serial in Cornhill Magazine and Harper

Washington Square by Henry James **Washington Square** Henry James,2018-08-11 Washington Square By Henry James 1880 her accompaniments were for about five years a source of extreme satisfaction to the young physician who was both a devoted and a very happy husband The fact of his having married a rich woman made no difference in the line he had traced for himself and he cultivated his profession with as definite a purpose as if he still had no other resources than his fraction of the modest patrimony which on his father's death he had shared with his brothers and sisters This purpose had not been preponderantly to make money it had been rather to learn something and to do something To learn something interesting and to do something useful this was roughly speaking the programme he had sketched and of which the accident of his wife having an income appeared to him in no degree to modify the validity He was fond of his practice and of exercising a skill of which he was agreeably conscious and it was so patent a truth that if he were not a doctor there was nothing else he could be that a doctor he persists We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience **Washington Square Henry James** Henry James,2021-05-14 Washington
