Dan Taylor (1738-1816), Baptist Leader and Pioneering Evangelical Richard T. Pollard, 2018-07-31 Dan Taylor was a leading English eighteenth century General Baptist minister and founder of the New Connexion of General Baptists a revival movement This book provides considerable new light on the theological thinking of this important evangelical figure The major themes examined are Taylor s spiritual formation soteriology understanding of the atonement beliefs regarding the means and process of conversion ecclesiology approach to baptism the Lord s Supper and worship and missiology The nature of Taylor s evangelicalism its central characteristics underlying tendencies evidence of the shaping influence of

certain Enlightenment values and ways that it was outworked reflect that which was distinct about evangelicalism as a movement emerging from the eighteenth century Evangelical Revival It is thus especially relevant to recent debates regarding the origins of evangelicalism Taylor s evangelicalism was particularly marked by its pioneering nature His propensity for innovation serves as a unifying theme throughout the book with many of its accompanying patterns of thinking and practical expressions demonstrating that which was distinct about evangelicalism in the eighteenth century **A Letter to a Friend on Puseyism ...** Macleod Wylie,1842 **Tell Her Story** Nijay K. Gupta,2023-03-14 For centuries discussions of early Christianity have focused on male leaders But there is ample evidence in the New Testament that women were respected leaders at the frontier of the gospel ministry Nijay Gupta shines light on the inspiring contributions of women like Phoebe Prisca Junia Nympha and more **Church Economist** ,1897 Sermons in 1 & 2 Corinthians R. J. Rushdoony,2023-06-09 Rushdoony s Sermons in First and Second Corinthians are the last of his Biblical commentaries delivered shortly before his passing but it represents a fitting close to his teaching ministry He said Paul s letters are difficult to preach on because they speak to the sins of Christians and with the church at Corinth the long list of sins included division strife injustice immorality doctrinal error and the abuse of the sacraments Despite their many transgressions the apostle Paul still addresses the believers at Corinth as saints and referred to their gathered community as the church of the Lord Jesus Christ They were still Christ s embassy on earth They could still develop into a greater training center for Christian action This is why Paul s letters to the Corinthians are relevant to the church today and it s also why Rushdoony s sermons on these two epistles are invaluable to us now Rushdoony was criticized for his ecclesiology but only because he always saw the greater fact of God s advancing Kingdom and the church as the equipping center for the saints Rushdoony s fresh application of Paul s warnings and admonitions will help Christians pastors and churches to free themselves of the same sins and return to the church as an embassy of the Kingdom THE NEED FOR A GODLY SOCIAL ORDER The church could not hope in time to rule the world if it could not rule itself It was thus very important for Paul to bring the Corinthians back into obedience to God s law among other things The apostle Paul was an envoy to the ekklesia of Jesus Christ those who are called to establish God s Kingdom on earth Therefore the importance of his patience correction and instruction could not be diminished if he were to be faithful to the One who sent him The church is Christ s embassy to earth to reclaim what belongs to Him Against the backdrop of a history filled with hatred for God and hatred of all that is holy our greater calling is the establishing of a godly social order and this commentary by Rushdoony is a welcomed text to help equip us for that great responsibility
