Bonhoeffer And King Speaking Truth To Power:

Bonhoeffer and King J. Deotis Roberts,2005-01-01 **Bonhoeffer and King** James Deotis Roberts,2005-01-01 A study of two of the most significant prophetic leaders in the twentieth century J Deotis Roberts sBonhoeffer and Kingis an instructive work in theological ethics This book considers and compares the theological reflections that guided Bonhoeffer s courageous stand against Nazism and King s quest for civil rights in America **Intertextuality in the Second Century D.** Jeffrey Bingham,Clayton N. Jefford,2016-12-05 This volume offers an appreciation of the value of intertextuality from Greek Roman Jewish and biblical traditions as related to the post apostolic level of Christian development within the second century Not least of these foundational pillars is the certain impact of the Second Sophistic movement during this period with its insipient influence on much of early Christian theology s formation The variety of these strands of inspiration created a tapestry of many diverse elements that came to shape the second century Christian situation Here one sees biblical texts at work Jewish and Greek foundations at play and interaction among patristic authors as they seek to reconcile their competing perspectives on what it meant to be Christian within the contemporary context **Bonhoeffer and King** Willis Jenkins,2010-08-02 Dietrich Bonhoeffer and Martin Luther King Jr these giants of recent Christian social thought are here reassessed for a new context and a new generation Both combined activism ministry and theology Each took on public roles in opposition to prevailing powers of their time Each professed a kind of Christian realism and ended as martyrs to their respective causes Here many of the leaders in Christian social thought revisit the insights causes and strategies that Bonhoeffer and King employed for a new generation and its concerns race reconciliation nonviolence political violence Christian theological identity and ministry **BACK COVER** **Peace and Violence in the Ethics of Dietrich Bonhoeffer** Trey Palmisano,2016-01-01 Not many theologians have had as great an impact on the study of peace and violence as Dietrich Bonhoeffer who was labeled an Enemy of the State and eventually executed in April 1945 In this book Trey Palmisano examines the theological connection between peace and violence across a range of Bonhoeffer s writings sermons and letters Despite the challenges Bonhoeffer experienced in his personal life and in the life of his country Palmisano asserts that a strong consistency emerges in Bonhoeffer s approach to ethics that resonates in the positing of Christ as the center of all ethical discourse and orients one to the ever present challenges of a changing world Palmisano creates distance from former studies that sought to define Bonhoeffer as a committed pacifist a situational pacifist or one who compromised his values to accommodate an exception for violence By prioritizing methodology as the key to interpreting Bonhoeffer s thought Palmisano argues that the ethical dilemma thought to be caused by Bonhoeffer s actions is avoided The result is one that creates an authentic ethical openness by responsiveness to Christ rather than Christian virtue and frees the individual from redundancies of action derived from deeply embedded patterns of theological engagement **The Existential Philosophy of Etty Hillesum** Meins G. S. Coetsier,2014-01-09 In The Existential Philosophy of Etty Hillesum Meins G S Coetsier breaks

new ground by demonstrating the Jewish existential nature of Etty Hillesum's spiritual and cultural life in light of the writings of Martin Buber Emmanuel Levinas and Dietrich Bonhoeffer Hillesum's diaries and letters written between 1941 and 1943 illustrate her struggle to come to terms with her personal life in the context of the Second World War and the Shoah By finding God under the rubble of the horrors she rediscovers the divine presence between humankind while taking up responsibility for the Other as a way to embrace justice and compassion In a fascinating accessible and thorough study Coetsier dispels much of the confusion that assails readers when they are exposed to the bewildering range of Christian and Jewish influences and other cultural interpretations of her writings The result is a convincing and profound picture of Etty Hillesum's path to spiritual freedom [Understanding Bonhoeffer](#) Peter Frick,2017-05-23 How are we to understand Bonhoeffer In these essays Peter Frick attempts to answer this question by examining different aspects of Bonhoeffer's thought thus illuminating the hermeneutical philosophical theological and social dimensions of his writings All sixteen essays collected here were written between 2007 and 2014 some of them address the question of methodology others contribute to Bonhoeffer's intellectual formation and still others seek to connect with contemporary questions The aim of the volume is to present Bonhoeffer's key theological and philosophical ideas and to emphasize their contemporary relevance **Pacifism, Just War, and Tyrannicide** David M. Gides,2012-03-02 Dietrich Bonhoeffer's perplexing and controversial shift from admitted pacifism to tyrannicide has been the source of scholarly and popular inspiration and criticism How could an admitted Christian pacifist be involved in a plot to assassinate a political figure Is there a way to understand and explain this phenomenon comprehensive enough to encompass all relevant data One that takes into account the nuances of Bonhoeffer's theology and all of the elements of his complex historical and personal contexts This study attempts to offer an explanation by linking Bonhoeffer's political thinking and action with his understanding of the church world relationship and by evaluating the changes in that thought action dyad as his life progressed What emerges is a portrait of a bold and visionary thinker and political agent whose church world theology while discontinuous is consistent enough to be authentic and yet flexible enough to meet the extraordinary challenges presented by Nazism and its intrusion into the churches Gides suggests that it is actually Bonhoeffer's malleable church world thinking that ultimately distinguishes him from his theological and ecclesial contemporaries and even from the mass of German church persons and citizenry it allowed him to confront evil by reaching beyond the constraints of traditional Lutheran thinking [The Arc of Truth](#) Lewis V. Baldwin,2022-10-04 Martin Luther King Jr said and wrote as much or more about the meaning nature and power of truth as any other prominent figure in the 1950s and 60s King was not only vastly influential as an advocate for and defender of truth he also did more than anyone in his time to organize truth into a movement for the liberation uplift and empowerment of humanity efforts that ultimately resulted in the loss of his life Drawing on King's published and unpublished sermons speeches and writings The Arc of Truth explores King's lifelong pilgrimage in pursuit of truth Lewis Baldwin explores King's quest for truth from his

inquisitive childhood to the influence of family and church to Morehouse College Crozer Theological Seminary Boston University and other academic institutions in the Northeast Continuing on the book follows King's sense that he was involved in experiments of truth within the context of the struggle to liberate and empower humanity to his understanding of the civil rights movement as unfolding truth to his persistent challenge to America around its need to engage in a serious reckoning with truth regarding its history and heritage Baldwin investigates King's determination to speak truth to power and his untiring efforts to actualize what he envisioned as the truthful ends of the beloved community through the truthful means of nonviolent direct action King believed taught and demonstrated by example that truth derives from a revolution in the heart mind and soul before it can be translated into institutions and structures that guarantee freedom justice human dignity equality of opportunity and peace Ultimately King's significance for humanity cannot be considered only his contributions as a preacher pastor civil rights leader and world figure he was and remains equally impactful as a theologian philosopher and ethicist whose life and thought evince an enduring search for and commitment to truth *Revives My Soul Again* Lewis V. Baldwin, Victor Anderson, 2018-11-01

MLK and the Practice of Spirituality The scholarship on Martin Luther King Jr is seriously lacking in terms of richly nuanced and revelatory treatments of his spirituality and spiritual life This book addresses this neglect by focusing on King's life as a paradigm of a deep vital engaging balanced and contagious spirituality It shows that the essence of the person King was lies in the quality of his own spiritual journey and how that translated into not only a personal devotional life of prayer meditation and fasting but also a public ministry that involved the uplift and empowerment of humanity Much attention is devoted to King's spiritual leadership to his sense of the civil rights movement as a spiritual movement and to his efforts to rescue humanity from what he termed a perpetual death of the spirit Readers encounter a figure who took seriously the personal interpersonal and sociopolitical aspects of the Christian faith thereby figuring prominently in recasting the very definition of spirituality in his time King's holistic spirituality is presented here with a clarity and power fresh for our own generation Approaches to the Study of Intercultural Transfer Thomas Adam, 2019-10-31

Approaches to the Study of Intercultural Transfer presents a collection of compelling case studies in the areas of social reform museums philanthropy football nonviolent resistance and holiday rituals such as Christmas that demonstrate key mechanisms of intercultural transfers Each chapter provides the application of the intercultural transfer studies paradigm to a specific and distinct historical phenomenon The chapters not only illustrate the presence or even the depth and frequency of intercultural transfer but also reveal specific aspects of the intercultural transfer of phenomena the role of agents of intercultural transfer and the transformations of ideas transferred between cultures thereby contributing to our understanding of the mechanisms of intercultural transfers **From Pride to Influence** Michael Hart, 2009-04-30

Bonhoeffer Petra Brown,2019-01-04 Theologian Conspirator Martyr Saint Dietrich Bonhoeffer was killed in the waning days of World War II having been implicated in the July 20th assassination attempt on Hitler Since his death Bonhoeffer's life and writings have inspired contradictory responses He is often seen as a model for Christian pacifist resistance and more recently for violent direct political action Bonhoeffer's name has been invoked by violent anti abortion protestors as well as political leaders calling for support on a war on terror in the aftermath of 9/11 Petra Brown critically analyses Bonhoeffer's writing preceding and during his conspiracy involvement particularly his recurring concept of the extraordinary Brown examines this idea in light of the state of exception a concept coined by the one time Nazi jurist and political theorist Carl Schmitt She also draws on the existentialist philosopher Søren Kierkegaard to consider what happens

when discipleship is understood as obedience to a divine command This book aims to complicate an unreflective admiration of Bonhoeffer's decision for conspiracy and draws attention to the potentially dangerous implications of his emerging political theology "Brand® New Theology" McGee, Paula L.,2017-03-16 McGee critiques the popular Health Wealth message so prominently targeted especially to black Christian women She examines the preaching and writing of T D Jakes as the most representative of a new phenomenon the New Black Church a new form of prosperity gospel that signifies what she calls the Wal Martization of religion **Home Away from Home** Delroy A. Reid-Salmon,2014-12-18 An estimated two thirds of Caribbeans live outside their homeland Home Away from Home identifies the different forms of Caribbean diasporan identity and argues that the faith Caribbean people brought with them into the diaspora plays a central role in their development The study provides a theological interpretation of the diasporan experience and outlines the principles of diasporan theology and the distinctiveness of its church Focusing on the Caribbean diaspora in the US and analysing aspects of the Caribbean British diaspora the book forges a Black Atlantic theology The volume also engages with wider discourse on the Black diaspora to offer an inclusive Caribbean diasporan ecclesiology that overcomes Black African American Euro American binaries **Black Theology and the Menace of Racial Apocalypse** Cyril Orji,2025-04-30 Racism evolves Black theology must be adaptable For this reason Black Theology and the Menace of Racial Apocalypse argues that racism must take centre stage in Black theology because racism is an existential dread that inevitably confronts the Black person in their existential situation This book unfolds in two interwoven steps First it delves into the complex history of Black theology examining its development across its first second and third waves This critical study expositis the discomfoting idea that something is missing and that this something makes Black theology seem a little deficient as noted in the pioneering works of James Baldwin and other contemporary thinkers challenging the hesitation to engage with ideas outside Black experience The second step draws from multidisciplinary sources including brain research on cognitive bias and psychological works on implicit bias and microaggressions Effectively utilizing the methodological work of Bernard Lonergan the book argues that incorporating white sources can enhance Black theology's articulation against racism In doing so the book demonstrates how this interpretative mechanism can help overcome societal ideological differences as well as help meaningfully address the ever evolving problem of racism for Christian theology
