**The Routledge Companion to Literature of the U.S. South** Katharine A. Burnett, Todd Hagstette, Monica Carol Miller, 2022-07-11 The Routledge Companion to Literature of the U S South provides a collection of vibrant and multidisciplinary essays by scholars from a wide range of backgrounds working in the field of U S southern literary studies. With topics ranging from American studies African American studies transatlantic or global studies multiethnic studies immigration studies and gender studies this volume presents a multi faceted conversation around a wide variety of subjects in U S southern literary studies. The Companion will offer a comprehensive overview of the southern literary studies field including a chronological history from the U S colonial era to the present day and theoretical touchstones while also introducing new methods of reconceiving region and the U S South as inherently interdisciplinary and multi dimensional. The volume will therefore be an invaluable tool for instructors scholars students and members of the general public who are interested in exploring the field further but will also suggest new methods of engaging with regional studies American studies American literary studies and cultural studies.

**Popular Nineteenth-century American Women Writers and the Literary Marketplace** Earl Frank Yarrington, Mary De Jong, 2007 Wide ranging admirably researched and accessible this volume of essays locates women writers firmly in the center of the hurly burly of literary and economic developments that made up the literary marketplace in nineteenth century America. Dr Joanne Dobson independent scholar and novelist. This remarkable collection by editors Earl Yarrington and Mary De Jong contributes richly to the ongoing recovery of the works and methods of highly popular American women writers of the nineteenth century. Augmenting the body of scholarship on professional women writers these essays showcase the ways in which best selling female authors met the demands of a burgeoning literary marketplace. This collection provides striking insights into an industry that was anything but sedate or genteel. Sensitive to hair trigger shifts in the marketplace nineteenth century women writers refined their strategies for meeting consumer desires. Professional writers like Stowe Hale Warner Holmes and Southworth are recognized here for their attunement to audience trends tastes and temperament. They responded with a prodigious output of novels short fiction non fiction and serialized features that bolstered the American publishing industry. The contributors to this much needed volume have succeeded in re acquainting later generations with the extensive output and skilled

**Cambridge Companion to the American Short Story** Michael J. Collins, Gavin Jones, 2023-05-25 This Companion offers students and scholars a comprehensive introduction to the development and the diversity of the American short story as a literary form from its origins in the eighteenth century to the present day Rather than define what the short story is as a genre or defend its importance in comparison with the novel this Companion seeks to understand what the short story does how it moves through national space how it is always related to other genres and media and how its inherent mobility responds to the literary marketplace and resonates with key critical themes in contemporary literary studies The chapters offer authoritative introductions and reinterpretations of a literary form that has re emerged as a major force in the twenty first century public sphere dominated by the Internet **Teaching Anglophone Caribbean Literature** Supriya M.

Nair, 2012-10-01 This volume in the Options for Teaching series recognizes that the most challenging aspect of introducing students to anglophone Caribbean literature the sheer variety of intellectual and artistic traditions in Western and non Western cultures that relate to it also offers the greatest opportunities to teachers Courses on anglophone literature in the Caribbean can consider the region s specific histories and contexts even as they explore common issues the legacies of slavery colonialism and colonial education nationalism exile and migration identity and hybridity class and racial conflict gender and sexuality religion and ritual While considering how the availability of materials shapes syllabi this volume recommends print digital and visual resources for teaching The essays examine a host of topics including the development of multiethnic populations in the Caribbean and the role of various creole languages in the literature oral art forms such as dub poetry and reggae music the influence of anglophone literature in the Caribbean on literary movements outside it such as the Harlem Renaissance and black British writing Carnival religious rituals and beliefs specific genres such as slave narratives and autobiography film and drama the economics of rum Many essays list resources for further reading and the volume concludes with a section of additional teaching resources Comparative Restorative Justice Theo

Gavrielides, 2021-09-20 This edited collection introduces and defines the concept of comparative restorative justice putting it in the context of power relations and inequality It aims to compare the implementation and theoretical development of restorative justice internationally for research policy and practice In Part I this volume compares practices in relation to the implementing environment be that cultural political or societal Part II looks at obstacles and enablers in relation to the criminal justice system and considers whether inquisitorial versus adversarial jurisdictions have impact on how restorative justice is regulated and implemented Finally Part III compares the reasons that drive governments regional bodies and practitioners to implement restorative justice and whether these impetuses impact on ultimate delivery Featuring fifteen
