Patent Office, 1879-07 **Cicero** Malcolm Schofield, 2021 The Founders of Modern Political and Social Thought series presents critical examinations of the work of major political philosophers and social theorists assessing both their initial contribution and continuing relevance to politics and society Each volume provides a clear accessible historically informed account of each thinker s work focusing on a reassessment of their central ideas and arguments The series encourages scholars and students to link their study of classic texts to current debates in political philosophy and social theory Book jacket *The Plum in the Golden Vase or, Chin P'ing Mei, Volume Two* , 2013-05-02 The second volume of a celebrated translation of the classic Chinese novel This is the second volume in David Roy s celebrated translation of one of the most famous and important novels in Chinese literature The Plum in the Golden Vase or Chin P ing Mei is an anonymous sixteenth century work that focuses on the domestic life of Hsi men Ch ing a corrupt upwardly mobile merchant in a provincial town who maintains a harem of six wives and concubines The novel known primarily for its erotic realism is also a landmark in the development of the narrative art form not only from a specifically Chinese perspective but in a world historical context With the possible exception of The Tale of Genji 1010 and Don Quixote 1615 there is no earlier work of prose fiction of equal sophistication in world literature Although its importance in the history of Chinese narrative has long been recognized the technical virtuosity of the author which is more reminiscent of the Dickens of Bleak House the Joyce of Ulysses or the Nabokov of Lolita than anything in the earlier Chinese fiction tradition has not yet received adequate recognition This is partly because all of the existing European translations are either abridged or based on an inferior recension of the text This translation and its annotation aim to faithfully represent and elucidate all the rhetorical features of the original in its most authentic form and thereby enable the Western reader to appreciate this Chinese masterpiece at its true worth

Agricultural Labor Data Sources Stan G. Daberkow,1986 *The Works of Thomas De Quincey, Part II vol 9* Grevel Lindop,Barry Symonds,2024-10-28 Thomas De Quincey 1785 1859 is considered one of the most important English prose writers of the early 19th century This is the second part of a 21 volume set presenting De Quincey s work also including previously unpublished material **East European Accessions Index** ,1960 **ALEXANDER THE GREAT IN BACTRIA AND INDIA NARRATIVE** Dan-Tudor IONESCU,2025-01-01 This book is not only the attempt at the reconstruction of the military expedition of the army of Alexander the Great in Bactria and India and an analysis of the historical sources on which our modern image of Alexander s age is based but also aims at reconstructing the imago mundi that the ancient Greeks and Macedonians had on the world they conquered The birth and development of Alexander s myth are also treated in these pages **The Key to Newton's Dynamics** J. Bruce Brackenridge,1995 The Key to Newton s Dynamics is lucid important and fills a large gap in the existing literature Brackenridge is undoubtedly that gifted patient teacher that one expects from a quality liberal arts college Alan E Shapiro University of Minnesota Klamath National Forest (N.F.) ,1998 *First Corinthians* David E. Garland,2003-11 Understand 1 Corinthians and the social and cultural world of Corinth Part of the critically acclaimed BECNT series **Judges 1** Mark S. Smith,Elizabeth M. Bloch-Smith,2021-11-23 This groundbreaking volume presents a new translation of the text and detailed interpretation of almost every word or phrase in the book of Judges drawing from archaeology and iconography textual versions biblical parallels and extrabiblical texts many never noted before Archaeology also serves to show how a story of the Iron II period employed visible ruins to narrate supposedly early events from the so called period of the Judges The synchronic analysis for each unit sketches its characters and main themes as well as other literary dynamics The diachronic redactional analysis shows the shifting settings of units as well as their development commonly due to their inner textual reception and reinterpretation The result is a remarkably fresh historical critical treatment of 1 1 10 5 **The Historical Jesus of the Gospels** Craig S. Keener,2012-04-13 The earliest substantive sources available for historical Jesus research are in the Gospels themselves when interpreted in their early Jewish setting their picture of Jesus is more coherent and plausible than are the competing theories offered by many modern scholars So argues Craig Keener in *The Historical Jesus of the Gospels* In exploring the depth and riches of the material found in the Synoptic Gospels Keener shows how many works on the historical Jesus emphasize just one aspect of the Jesus tradition against others but a much wider range of material in the Jesus tradition makes sense in an ancient Jewish setting Keener masterfully uses a broad range of evidence from the early Jesus traditions and early Judaism to reconstruct a fuller portrait of the Jesus who lived in history **Florence Nightingale's Spiritual Journey: Biblical Annotations, Sermons and Journal Notes** Lynn McDonald,2006-01-01 Florence Nightingale 1820 1910 is widely known as the heroine of the Crimean War and the founder of the modern profession of nursing She was also a scholar and political activist who wrote and worked assiduously on many reform causes for more than forty years This series will confirm Nightingale as an important

and significant nineteenth century scholar and illustrate how she integrated her scholarship with political activism
Indispensable to scholars and accessible and revealing to the general reader it will show there is much more to know about Florence Nightingale than the lady with the lamp Although a life long member of the Church of England Nightingale has been described as both a Unitarian and a significant nineteenth century mystic Volume 2 begins with an introduction to the beliefs influences and practices of this complex person The second and largest part of this volume consists of Nightingale's biblical annotations made at various stages of her life some dated some not The third part of volume 2 contains her journal notes including her diary for 1877 which is published here for the first time Much of this material is highly personal even confessional in nature Some of it is profoundly moving and will serve to show the complexity and power of Nightingale's faith Currently Volumes 1 to 11 are available in e book version by subscription or from university and college libraries through the following vendors Canadian Electronic Library Ebrary MyiLibrary and Netlibrary *Form and Function in Roman Oratory* D. H.
