Lucinda Vardey, John Dalla Costa

Be Generous Be Generous:

The Generosity Plan Kathy LeMay, 2010-01-19 Many of us have the desire to make a difference But when it comes down to it how many really know what steps to take and how to fit philanthropy into our lives The Generosity Plan shows readers the unexpected benefits and joys of generosity in our daily lives This smart practical guide to philanthropy illuminates the power of giving by helping readers to discover what inspires them clarify what he or she can afford to give and direct that generosity toward a better world Contributing time or money to causes far removed from the immediacy of our individual lives may feel overwhelming especially in times of financial stress and uncertainty Author Kathy LeMay breaks through these initial roadblocks to give easy and valuable tools to spur definite and rewarding action demonstrating how our time treasure and talents can make a world of difference By building and acting on a generosity plan each one of us can create change simply by doing what we can where we are with what we have

Being Generous Lucinda Vardey, John Dalla Costa, 2009-06-12 This extraordinary little book has the power to heal and foster relationships console and empower individuals create community and help save the world by providing a spiritual ecology for our daily lives Think that s a bold claim It is but it s also true We can all be generous with our money when an occasion like Christmas rolls around or when disaster strikes as it did with the Boxing Day tsunami of 2004 But Lucinda Vardey and John Dalla Costa say that this kind of giving segregates generosity and makes it a special activity only for special times If we re truly going to help this troubled world as individuals we must investigate other possibilities for being generous as well by helping those we interact with every day our children colleagues parents friends and the homeless men and women we encounter when out and about in our cities We learn that the four most generous words in the English language are I m sorry and Thank you We learn that if we ask What do you need we may be surprised how readily we can provide assistance and how a single generous act may turn into something that circulates to include many Lucinda and John are a married couple who have committed they say humbly and imperfectly to making generosity a central practice in their daily lives What they refer to as their art of right living within family work and community is both a mode of being and a value that infiltrates all others Generosity inspires and guides them and continually tests and teaches them This book is filled with true stories they ve collected about generosity in action Being Generous is their gift to readers written to enable and encourage us to follow the generous way She was famous for her work with the poor in the streets of Calcutta One day a beggar by the road ran up to her with a small coin financially worthless to anyone but him It was his day s take on a long hot and humid day and he wanted to give it to her She pondered what to do If she took the money then he would have nothing at all but if she rejected him it would not only hurt him but insult his generosity She stretched out her hand he who never had the chance to give could give to Mother Teresa The joy on his face said everything to her The Lesson Saying no to another s offer denies them the joy of giving Accepting what they wish to give even if you don t need it is what practising true generosity is about from Being Generous

Contagious Generosity Barry

L. Cameron,2006 *The Generous Revolution* Pasquale De Marco,2025-03-08 In a world facing countless challenges from climate change to poverty to inequality generosity is more important than ever This book offers a powerful vision for how generosity can transform our communities and create a better future for all Drawing on decades of experience in the nonprofit sector the author presents a compelling case for why generosity is not just a nice idea but a necessity Generosity is not just about giving money it is about giving of our time our talent and our resources It is about making a difference in the world no matter how big or small This book provides practical guidance on how to cultivate a culture of generosity in our organizations communities and personal lives It offers insights into the psychology of giving and shows how generosity can lead to greater happiness and well being The book also explores the role of generosity in creating social change It shows how generous investments can be used to address some of the world s most pressing problems such as poverty inequality and climate change Ultimately this book is a call to action for a generous revolution It is a call for us all to be more generous with our time our talent and our resources It is a call for us to create a world where everyone has the opportunity to thrive With inspiring stories of generosity from around the world this book will leave you feeling uplifted and empowered to make a difference It is a must read for anyone who wants to create a more just and equitable world If you like this book write a review

William Flesch observes while receiving gifts is pleasant gift giving both displays the wealth and strength of the giver and places the receiver under an obligation In provocative new readings of Shakespeare Herbert and Milton Flesch illuminates the personal authority that is bound inextricably with acts of generosity Drawing on the work of such theorists as Mauss Blanchot Bourdieu Wittgenstein Bloom Cavell and Greenblatt Flesch maintains that the literary power of Shakespeare Herbert and Milton is at its most intense when they are exploring the limits of generosity He considers how in Herbert s Temple divine assurance of the possibility of redemption is put into question and how the poet approaches such a gift with the ambivalence of a beneficiary In his readings of Shakespeare s Richard II Henry IV King Lear Antony and Cleopatra and the sonnets Flesch examines the perspective of the benefactor including Shakespeare himself who confronts the decline of his capacity to give Turning to Milton s Paradise Lost Flesch identifies two opposing ways of understanding generosity Satan s on the one hand and Adam and Eve s on the other and elaborates the different conceptions of poetry to which these understandings give rise Scholars of Shakespeare and of Renaissance culture Miltonists literary theorists and others interested in the relationship between philosophy and literature will want to read this insightful and challenging book

Morning and Evening Meditations from the Word of God Michael J. Akers, 2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God

The Second Epistle to the Corinthians Paul Barnett, 1997-04-17 This statement reflects the underlying purpose of The New International Commentary on the New Testament Begun in the late 1940s by an international team of New Testament scholars the NICNT series has become recognized by pastors students and scholars alike as a critical yet orthodox commentary marked by solid biblical scholarship within the evangelical Protestant tradition While based on a thorough study of the Greek text the commentary introductions and expositions contain a minimum of Greek references The NICNT authors evaluate significant textual problems and take into account the most important exegetical literature More technical aspects such as grammatical textual and historical problems are dealt with in footnotes special notes and appendixes Under the general editorship of three outstanding New Testament scholars first Ned Stonehouse Westminster Theological Seminary Philadelphia then F F Bruce University of Manchester England and now Gordon D Fee Regent College Vancouver British Columbia the NICNT series has continued to develop over the years In order to keep the commentary new and conversant with contemporary scholarship the NICNT volumes have been and will be revised or replaced as necessary The newer NICNT volumes in particular take into

account the role of recent rhetorical and sociological inquiry in elucidating the meaning of the text and they also exhibit concern for the theology and application of the text As the NICNT series is ever brought up to date it will continue to find ongoing usefulness as an established guide to the New Testament text **Mimi Talks To Tyson** Gay Wells,2023-07-27 As you age have you ever thought about what your legacy will be for your children grandchildren and friends This book Mimi Talks to Tyson was written as part of my legacy to my grandson Tyson I wanted to pass down my thinking about what I believe are some of the important things in life I started writing notes and eventually this book evolved I like to say that this book is for children of almost any age for adults who might need a reminder and especially for poorly raised adults This is an advice book of sorts which talks about gratitude choosing your own path empathy family friendship good health grief honesty and a total of twenty two topics along these lines This book is part advice part spiritual and part how to live your life well If you think someone you know would enjoy it please give them a copy and if you agree with my comments please consider it part of your legacy too I am happy to share it **A homiletic commentary on the Book of the prophet Ezekiel. Chapters i-xi by D.G. Watt, chapters xii-xxix by T.H. Leale, chapters xxx-xlviii by G. Barlow** David Gilkison Watt,1890
