**Felimanuel Series** Emmanuel Gbireh, 2012 It is chiefly through books that we enjoy intercourse with superior minds In the best books great men talk to us give us their most precious thoughts and pour their souls into ours God be thanked for books They are the voices of the distant and the dead and make us heirs of the spiritual life of past ages Books are true levelers They give to all who will faithfully use them the spiritual presence of the best and greatest of our race William Ellery Channing Some of the things you will discover in Felimanuel Series The Magical Secret to Success in English Language Essay Writing for Junior and Senior High Schools Volume 1 With Bonus Success Secrets The book is comprehensively logically and coherently written and the language used is also easy to understand hence little or no further explanation is needed The book teaches how to choose examination questions and answer them without sweat Sample outlines plans and sample essays have been written to guide pupils and students The bonus success secrets will help pupils and students to pass in all seemingly difficult subjects like mathematics and science The bonus success secrets will also guide pupils and students towards the attainment of greater success in life The book has been designed in such a way that it can be used for examination purposes and for other practical uses in the day to day life of whoever uses it faithfully In writing this book on English Language essay writing I decided to move away from the traditional way of some authors flooding their English Language essay writing books with so many sample essays based on my experiences as an English teacher some years back Many pupils students have the habit of memorizing written essays found in books and reproduce them during examinations class exercises or when given project home work when they see that the question being asked is similar to the answered one they came across I hope the experts in the educational sector will agree with me that this does not augur well for the proper development of the child because he she would not have the opportunity to think and plan on his her own before writing a script with originality I stand to be corrected if I am mistaken It is in line with this that I have given only single sample essays per essay topic treated with more suggested outlines plans Most people often fail to plan their lives and this usually have disastrous effects on them Also in writing examination most candidates fail to plan their essays before answering selected questions As the old adage says If you fail to plan you plan to fail It is based on the above that in writing this book I dedicated the first chapter to the basics of essay writing Below is an excerpt of chapter one of the book After high lighting on the basics of essay writing I went ahead to discuss what paragraphs are and how they can be used in our daily writings This is followed by the use of punctuation marks Here again I have given a comprehensive write up as to how punctuation marks can be used to enrich our written works Other topics covered in the book are writing of narrative essays descriptive essays friendly letters semi formal letters summary writing argumentative essays speeches and talks report writing articles for publication expository essays and advertisement After a comprehensive logical and coherent treatment of each topic I followed up with sample questions outlines plans and essays These are only to serve as a guide to users of the book I will like to take this

opportunity to entreat teachers to encourage pupils students whom they teach to learn how to write an outline plan and to use it when answering essay related questions not only with English language but with all other subjects that they deem it fit to apply Some people may not see the usefulness of the outline plan but it helps the pupil stude *Junior Graphic Mavis Kitcher (Mrs)*,2011-02-23 **Witches of Honour** Adei, Asare,2016-05-13 It was said that Danoa didn't have any luck to go with her beauty Her birth brought nothing but hardship upon her mother and the woman's entire family Then just when by a twist of fate things started looking up for her she got labelled a witch How Danoa coped with the odds against her forms the plot of Asare Adei's new page turner The book was awarded third place in the Burt Book award for Ghana in 2015

**Children, Childhood, and the Future** Andrea Kleeberg-Niepage,2020-01-10 Although most of the world's children live in the Global South much of the corpus of scientific knowledge which forms the basis of the current notion of good childhood worldwide is drawn from research on Western middle class children Even cross cultural research often applies the Western model of childhood as the standard to which others must correspond This volume serves to bridge this gap by both bringing up significant features of the development and socialisation of children in African countries and presenting cross cultural procedures which help to discuss and develop differentiated and joint ideas about childhood instead of implementing one sided standards which are disconnected from most children's lives **Resources in Education** ,1985 *Weekly World News* ,1995-11-21 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world's only reliable news source since 1979 The online hub [www.weeklyworldnews.com](http://www.weeklyworldnews.com) is a leading entertainment news site **Journal of the National Cancer Institute** ,2005 **Bazaar Exchange and Mart, and Journal of the Household** ,1879 **The Bajan** ,1985 **The Country Gentleman** ,1908 **Municipal Review** ,1974 **The Secrets of Professional Cartooning!** Ken Muse,1981

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
