A Workbook For New Testament Greek Grammar And Exegesis In First John:

A Workbook for New Testament Greek Marvin R. Wilson, Chris A. Vlachos, 1998-10 An excellent study tool for first year students of New Testament Greek Focusing on 1 John this well designed workbook gives students the opportunity to study an entire short work rather than selected sections of longer books Each chapter features vocabulary exercises focusing on grammar syntax and word studies and questions for further study that provide a comprehensive understanding of theological exegesis and syntactical analysis

A Workbook for New Testament Greek Marvin R. Wilson, Chris Alex Vlachos, 1998-10-01 A Workbook for New Testament Greek Grammar and Exegesis in First John provides valuable help for students who want to begin studying the New Testament in the original Greek Many Greek instructors agree that First John is the best place to start reading in the New Testament because it is brief and does not use many complicated sentences or rare words This workbook divides 1 John into twenty five assignments averaging four verses Each assignment has three sections Vocabulary defines and parses forms that may as yet be unfamiliar Questions leads the student through important grammatical observations For Further Study encourages deeper reflection on questions of grammar textual criticism exegesis and application All three sections give valuable references to grammars commentaries lexicons and other study helps that students should become familiar with Also provided are two built in reference tools Greek English Dictionary of First John briefly defines every word used in 1 John Analytical Lexicon of First John parses every form that appears in the letter Designed for use in the second half of a first year Greek course by students who have passed the midpoint in a standard introduction to New Testament Greek this workbook can also be used for individual study and review

Workbook for Intermediate Greek Herbert W. Bateman IV, A veteran teacher guides students step by step through the Greek text of 1 3 John *Aural Design and Coherence in the Prologue of First John* Jeffrey E. Brickley, 2012-02-16 Unlike literature in the modern western world ancient documents were typically crafted for the ear rather than the eye Jeffrey E Brickley analyses the oral patterning and resulting soundscape reflected in the prologue of First John After discussing contemporary techniques of sound analysis and establishing the study s methodological approach Brickley examines the prologue s aural profile To do this he explores describes and graphically depicts the patterns of sound that emerge Brickley then uses approaches to Greek pronunciation and orality advocated in recent New Testament research to determine the impact on the prologue s soundscape He employs the principles for beautiful and effective composition elucidated by Dionysius of Halicarnassus in his treatise On literary composition The results and implications of this study enable Brickley to suggest further ways to apply research in orality performance and memory to ancient texts From publisher description

Religious Studies in Alberta Ronald Neufeldt, 2006-01-01 This first volume on the state of the art in religious studies in Canada offers a description and critique of the field in the colleges universities and secondary schools in Alberta Among the findings philosophical theological and textual approaches to the study of religion predominate to the relative neglect of methodologies employed in fields such as sociology and anthropology the quality and quantity of published research is significant but focusses on Christian studies some interdisciplinary study is being carried on and benefits religious studies as well as other fields religious studies scholars in Alberta have a relatively high public profile but their exercise of public responsibility is time consuming and can jeopardize career advancement in view of wide spread religious illiteracy among students descriptive courses must not be neglected in favour of analytical ones An appendix listing courses offered in the schools surveyed concludes the volume

Interpreting the General Letters Herbert W. Bateman IV, 2014-11-07 This handbook is designed as a step by step approach for analyzing and communicating eight letters of the New Testament Hebrews James the Petrine Letters the Johannine Letters and Jude Interpreting the General Letters provides important background material for the interpretation of these books by exploring the types and component parts of letter writing the importance of amanuensis the historical background of the Greco Roman world and implications of each of these factors for interpreting the general letters This foundation is followed by a discussion of the theology of the general letters Specific consideration is given to the era of promise in Hebrew Scriptures the era of fulfillment as underscored in the general letters and how the theology of each letter contributes to the overall canon of Scripture Finally Bateman provides nine steps that move from interpretation to communication three steps for preparing to interpret the letters three for interpreting and finally three for communicating the letters All explanations include examples in order to develop a student's or pastor's skills for accurate interpretation and convicting communication of God's Word See page 21 for full series details

The Son of Man in Mark's Gospel David Forrest Mitchell, 2020-01-09

Many scholars disagree about what was meant by Jesus's intriguing self-designation the Son of Man. This book attempts to find some clarity by working through every example of the phrase in the Gospel of Mark to determine how the phrase functions and what it means in that narrative. While every use of the phrase is self-referential and describes Jesus and his ministry, the analysis yields three main distinctions in use of the phrase as well as three significant unifying features. The book then moves to explore whether, despite the skepticism of some scholars, there is some background for the phrase in the book of Ezekiel's use of son of man in relation to basic form and function and to thematic import. *Linguistics and the Bible* Stanley E. Porter, Christopher D. Land, Francis G. H. Pang, 2019-07-12

In 2016 the Centre for Biblical Linguistics Translation and Exegesis CBLTE, a research center located at McMaster Divinity College, hosted the annual Bingham Colloquium. Scholars from around North America were invited to participate in a collegial and collaborative dialogue on what is currently happening or could happen at the intersection of linguistics and biblical studies, particularly in regards to the linguistic study of biblical languages, their translation, and the way that linguistic methods can contribute to the interpretation of the biblical texts. This volume of essays publishes many of the presentations that took place at the Colloquium. *The Meaning and Translation of ἰδοὺ and ἴδε 'behold'* Nicholas A. Bailey, 2023-10-25

The Koine Greek particles *ἰδοὺ* and *ἴδε* have been traditionally translated as either *behold* or *lo*. But such mechanical renderings are inadequate as they suggest these particles can be reduced to a single meaning or function. As argued in this monograph, these particles actually have several distinct uses that are conditioned by their linguistic context, and a translator should find natural idioms in the receptor language that match the meaning and function of these Greek uses.
