If We Only Knew Wayne Kniffen, 2022-08-29 Remaining ignorant about something means you don't have to worry about it, feel responsible for it, or get upset by it. That may be true in some instances but not when it comes to knowing the truth about God's word. In fact, being ignorant about your new creation life that you have in Christ can be very costly. This is the main reason so many believers are living defeated lives. One of the most important questions any believer in Christ should ask themselves is this: What is it that I don't know that I don't know? The author contends that if we say that we believe right but we are behaving wrong, we are living in deception. When we start believing right, especially when it comes to who we are in Christ, we will start behaving right. He also emphasizes that we don't do good things to become who we will be in Christ. We do the right things because of who we already are in Christ.

Hope for the Brokenhearted Dr. John Luke Terveen, 2013-03-17 This book grew out of Dr. John Luke Terveen's own experience with grief and loss resulting from his fourteen-year-old daughter's death. He scoured books looking for comfort but found the Bible itself to be his greatest source of hope, comfort, wise counsel, and encouragement. After reviewing more than 200 books on grief and loss, he discovered that none investigated biblical passages discussing grief and loss. He set out to fill the huge unmet need for a book that helps Christians embrace relevant Scriptures more fully and seriously in the midst of their mourning. The biblical selections deal with the hard questions, honest passions, and divine hope that only one who has walked down the path of sorrow could write about. Topics such as resurrection, the second coming, heaven, the resurrection body, doubt, anger, guilt, and dashed dreams are covered with great care to minister to the hearts of those who are grieving.
