Free Culture Lawrence Lessig,2015-10-04 How big media uses technology and the law to lock down culture and control creativity Free Culture is an entertaining and important look at the past and future of the cold war between the media industry and new technologies Marc Andreessen cofounder of Netscape Free Culture goes beyond illuminating the catastrophe to our culture of increasing regulation to show examples of how we can make a different future These new style heroes and examples are rooted in the traditions of the founding fathers in ways that seem obvious after reading this book Recommended reading to those trying to unravel the shrill hype around intellectual property Brewster Kahle founder of the Internet Archive The web site for the book is <http://free.culture.cc>

The Pearson Current Events Digest 2009 Thorpe,

A savage song Margarita Aragon,2021-07-20 This book examines key moments in which collective and state violence invigorated racialized social boundaries around Mexican and African Americans in the United States and in which they violently contested them Bringing anti Mexican violence into a common analytical framework with anti black violence A savage song examines several focal points in this oft ignored history including the 1915 rebellion of ethnic Mexicans in South Texas and its brutal repression by the Texas Rangers and the 1917 mutiny of black soldiers of the 24th Infantry Regiment in Houston Texas in response to police brutality Aragon considers both the continuities and stark contrasts across these different moments how were racialized constructions of masculinity differently employed How did African and Mexican American men including those in uniform respond to the violence of racism And how was their resistance including their claims to manhood and nation understood by law enforcement politicians and the press Building on extensive archival research the book examines how African and Mexican American men have been constructed as racial problems investigating in particular their relationship with law enforcement and ideas about black and Mexican criminality

Esperanza para su matrimonio Clayton Hurst,Ashlee Hurst,2018-06-26 Est s dispuesto a hacer cuanto sea necesario para tener el matrimonio que has so ado Este libro ha sido escrito pensando en las parejas que quieren tener el mejor matrimonio posible Los autores creen que todo matrimonio tiene el potencial de volverse algo incre ble cuando es Dios quien est en su centro Despu s de buscar la ayuda de mentores y expertos en matrimonio y descubrir lo que dice la Biblia acerca del matrimonio los autores se dieron cuenta de que no tenemos la menor idea de lo que significa compartir un compromiso para toda una vida Solo sabemos que tenemos la capacidad necesaria para que nuestro matrimonio sea excelente pero no sabemos de qu manera llegar a ese punto Los autores comparten los principios y los textos de las Escrituras en los cuales han aprendido a apoyarse y sobre los cuales han predicado en la Iglesia Lakewood durante la d cada pasada Ellos creen que no hay pareja alguna que Dios no pueda alcanzar y que no hay problema tan grande que Dios no lo pueda manejar Si un hombre y una mujer se dedican a hacer las cosas a la manera de Dios y est n comprometidos entre s nada va a ser imposible para ellos A n podr n tener el matrimonio de sus sue os

Blood and Belief David Biale,2007-10-23 A wonderful rich and

fascinating book and a great read Biale explores the meanings of blood within Jewish and Christian cultures from the blood of the sacrifices of the book of Leviticus to the blood of the Eucharist to the blood of medieval blood libels and the place of blood in Nazi ideology Biale shows that blood symbolism stands at the center of the divide between Judaism and Christianity This book will be the point of departure for all future studies of the subject Shaye J D Cohen Harvard University I know of no other work that through numerous insights and useful distinctions so alerts us to and comprehensively documents the ongoing constitutive role of Christian and anti Semitic perceptions of Jewish existence and the interactions between them Whereas much contemporary historiography has become so specialized that historians have surrendered the larger picture David Biale's panoramic perspective reveals the great value and interest of this work Steven E Aschheim author of *Beyond the Border The German Jewish Legacy Abroad* *Virtual Music* William Duckworth, 2013-01-11 *Virtual Music* How the Web Got Wired for Sound is a personal story of how one composer has created new music on the web a history of interactive music and a guide for aspiring musicians who want to harness the new creative opportunities offered by web composing Also includes a 4 page color insert **Making Money, Making Music** David Bruenger, 2016-09-06 Musical experience as transaction Transience to permanence The rise of commercial markets Media revolutions Convergence and crossover Massification Scaling and selling live performance Visual media Artists audiences and brands Digitization State of the art **Animal Spirits** George A. Akerlof, Robert J. Shiller, 2010-02-01 From acclaimed economists George Akerlof and Robert Shiller the case for why government is needed to restore confidence in the economy The global financial crisis has made it painfully clear that powerful psychological forces are imperiling the wealth of nations today From blind faith in ever rising housing prices to plummeting confidence in capital markets animal spirits are driving financial events worldwide In this book acclaimed economists George Akerlof and Robert Shiller challenge the economic wisdom that got us into this mess and put forward a bold new vision that will transform economics and restore prosperity Akerlof and Shiller reassert the necessity of an active government role in economic policymaking by recovering the idea of animal spirits a term John Maynard Keynes used to describe the gloom and despondence that led to the Great Depression and the changing psychology that accompanied recovery Like Keynes Akerlof and Shiller know that managing these animal spirits requires the steady hand of government simply allowing markets to work won't do it In rebuilding the case for a more robust behaviorally informed Keynesianism they detail the most pervasive effects of animal spirits in contemporary economic life such as confidence fear bad faith corruption a concern for fairness and the stories we tell ourselves about our economic fortunes and show how Reaganomics Thatcherism and the rational expectations revolution failed to account for them *Animal Spirits* offers a road map for reversing the financial misfortunes besetting us today Read it and learn how leaders can channel animal spirits the powerful forces of human psychology that are afoot in the world economy today In a new preface they describe why our economic troubles may linger for some time unless we are prepared to take further decisive action *Management Information*
