Magical: How Magic and its Star Performers Transformed the Entertainment Economy Bharat Rao, 2019-01-19 Are you ready for some magic There are solo magicians today who are making over 20 000 per performance while those in the big leagues routinely bring in over 20 million a year How did they get there and what are the keys to their success What skills and techniques do they possess and deploy that can be easily adapted for your own personal use In this book you will learn of the key attitudes and practices that propel their success as well as the path they have paved for other magicians and performers hoping to gain an entry into this competitive yet lucrative industry We look at the magic industry through the lens of two of its most celebrated performers Penn and Teller who are not just as magicians and entertainers but smart entrepreneurs running a global entertainment business In parallel we look at how the field of modern magic has evolved since its inception what the outlook is for its future in our global interconnected always on economy We consider the successful careers of legendary magicians like Jean Eug ne Robert Houdin Harry Houdini Dai Vernon Doug Henning and others and how they have shaped the growing magic industry and made it a force to be reckoned with Through shows like Penn and Teller Fool Us America s Got Talent Britain s Got Talent and The World s Best and through social media outlets like Facebook Twitter Instagram and Youtube contemporary magicians have an unprecedented opportunity to make themselves known to a global audience The success secrets followed by the likes of Penn and Teller David Copperfield David Blaine Criss Angel and newer stars like Shin Lim Dynamo and Ryan Hayashi both as professional magicians and business owners can be applied by entrepreneurs business people and self starters everywhere who want to make a mark in their careers Through constant efforts at design experimentation

prototyping and field testing with peers and live audiences these performers have been fine tuning their craft for decades With their passion perseverance commitment and unique and creative ways of identifying and solving problems these trailblazers show the way for a better and more magical future In this book you will not only learn how these stars successfully overcame their challenges but also how YOU can transform your approach to magic and business ADVANCE PRAISE FOR MAGICAL A modern synthesis of magic that every conjurer should keep in their knowledge bag of tricks Ryan Hayashi International Stage Magician Motivational Speaker Samurai Entertainer and Winner of the FU Trophy Penn Teller Fool Us Entertaining fast paced and full of ideas that will challenge your assumptions and beliefs about magic and it s connections to popular culture and business Laura Vanderkam Bestselling Author of What the Most Successful People Do Before Breakfast and Off The Clock A rollicking ride into the business of magic The connections to innovation creativity persistence and service excellence are engaging and insightful Every entrepreneur should own a copy Michael McGetrick Founder and CEO Spark 451      **Starcombing** David Langford,2009-05-01 Starcombing contains eighty five newly collected pieces of David Langford s witty commentary on the SF fantasy scene columns articles reviews essays even a few short short stories from the famous Futures page in Nature Compulsive reading crammed with insights and laughs      *Focus On: 100 Most Popular Nonlinear Narrative Films* Wikipedia contributors,      The Magic of Organization Hugo Letiche,Stephen A. Linstead,Jean-Luc Moriceau,2020-09-25 Exploring magic as a creative necessity in contemporary business this book clarifies the differences between magic as an organizational resource and magic as fakery pretence and manipulation Using this lens it highlights insights into the relationship between anthropology and business and organizational studies      Magic and Illusion in the Movies George Higham,2024-11-13 From top hats to top secrets this book is a celebration of illusion technology and mechanisms of trickery through a genre crossing selection of films Heroes villains spies con men and madmen magicians all have utilized complex constructs and trickery in thrilling cinematic adventures from the earliest days of cinema to the present Current blockbusters such as Spider Man Far from Home and the Mission Impossible series feature amazing acts of deception often appearing far fetched that are in fact surprisingly close to today s technology Along with the James Bond saga classics such as The Wizard of Oz Nightmare Alley and The Sting are joined by a host of other movies superficially seeming to be very different yet proving there is more than meets the eye      **Distant Horizons** Ted Underwood,2019-02-14 Just as a traveler crossing a continent won t sense the curvature of the earth one lifetime of reading can t grasp the largest patterns organizing literary history This is the guiding premise behind Distant Horizons which uses the scope of data newly available to us through digital libraries to tackle previously elusive questions about literature Ted Underwood shows how digital archives and statistical tools rather than reducing words to numbers as is often feared can deepen our understanding of issues that have always been central to humanistic inquiry Without denying the usefulness of time honored approaches like close reading narratology or genre studies Underwood argues that we also need to read the

larger arcs of literary change that have remained hidden from us by their sheer scale Using both close and distant reading to trace the differentiation of genres transformation of gender roles and surprising persistence of aesthetic judgment Underwood shows how digital methods can bring into focus the larger landscape of literary history and add to the beauty and complexity we value in literature

**The Unstable Realities of Christopher Priest** Paul Kincaid, 2020-11-17 Priest's relationship with the wider science fiction community his prioritizing of being human and exploring what happens in our own minds over what happens in the distant reaches of space is a point of reflection throughout Paul Kincaid's book The volume divides itself into a series of chronological and thematic readings of Priest's life and work The key points of historical context run parallel to the discussion of islands reality doubles and the arts This duality which is captured in the innovative arrangement of the text provides an excellent space for Kincaid to use his incisive powers of critical thinking to capture the evanescence and ambivalence of Priest's writing Christopher Priest is one of Britain's best writers Paul Kincaid brings his considerable critical skills to this broad yet carefully focussed view of Priest's intense and determined oeuvre M John Harrison An absolutely invaluable book not just the first critical account to cover Priest's whole career but the first critical engagement with Priest of any kind to provide a persuasive overall critical approach to this major but hard to categorise writer Kincaid alternates a broadly chronological account of Priest's writing life with analysis of Priest's recurring themes and symbols balancing these two approach such that each illuminates each and without ever losing sight of the distinctiveness that makes Priest so important even if part of that distinctiveness is precisely his resistance to conventional critical approaches Kincaid's critical engagement is always judicious eloquent often brilliant and it remains throughout sensitive to the studied ambiguities and shifting complexities of its subject Critical writing is rarely this good Adam Roberts

*Cognitive Literary Science* Michael Burke, Emily Troscianko, 2017 This book brings together researchers with cognitive scientific and literary backgrounds to present innovative research in all three variations on the possible interactions between literary studies and cognitive science The tripartite structure of the volume reflects a more ambitious conception of what cognitive approaches to literature are and could be than is usually encountered and thus aims both to map out and to advance the field The first section corresponds to what most people think of as cognitive poetics or cognitive literary studies the study of literature by literary scholars drawing on cognitive scientific methods findings and or debates to yield insights into literature The second section demonstrates that literary scholars needn't only make use of cognitive science to study literature but can also in a reciprocally interdisciplinary manner use a cognitively informed perspective on literature to offer benefits back to the cognitive sciences Finally the third section literature in cognitive science showcases some of the ways in which literature can be a stimulating object of study and a fertile testing ground for theories and models not only to literary scholars but also to cognitive scientists who here engage with some key questions in cognitive literary studies with the benefit of their in depth scientific knowledge and training

**The 1970s: A Decade of Contemporary British Fiction**

Nick Hubble, John McLeod, Philip Tew, 2014-02-27 How did social cultural and political events in Britain during the 1970s shape Contemporary British Fiction Exploring the impact of events like the Cold War miners strikes and Winter of Discontent this volume charts the transition of British fiction from post war to contemporary Chapters outline the decade s diversity of writing showing how the literature of Ian McEwan and Ian Sinclair interacted with the experimental work of B S Johnson Close contextual readings of Welsh Scottish Northern Irish and English novels map the steady break up of Britain Tying the popularity of Angela Carter and Fay Weldon to the growth of the Women s Liberation Movement and calling attention to a new interest in documentary modes of autobiographical writing this volume also examines the rising resonance of the marginal voices the world of 1970s British Feminist fiction and postcolonial and diasporic writers Against a backdrop of social tensions this major critical reassessment of the 1970s defines explores and better understands the criticism and fiction of a decade marked by the sense of endings The New Uncanny A.S. Byatt, Christopher Priest, Ramsey Campbell, Etgar Keret, Hanif Kureishi, Sara Maitland, Alison MacLeod, Jane Rogers, Gerard Woodward, Frank Cottrell Boyce, Nicholas Royle, Ian Duhig, Mathew Holness, Adam Marek, 2013-12-03 Winner of the 2008 Shirley Jackson Award for Best Anthology In 1919 Sigmund Freud published an essay that delved deep into the tradition of horror writing and claimed to understand one of its darkest tricks Like a mad scientist he performed literary vivisection on a still breathing body of work exploring its inner anatomy and pulling out mysterious organs for classification His aim to present to the world a complete theory of das unheimliche the uncanny In the spirit of this great experiment 14 leading authors have here been challenged to write fresh fictional interpretations of what the uncanny might mean in the 21st century to update Freud s famous checklist of what gives us the creeps and to give the hulking canon of uncanny fiction a shot in the arm a shock to the neck bolts It s not too great a stretch to see Comma as the literary equivalent of Factory Records The Herald 2 Dec Delightful and disturbing The Independent on Sunday 14 Dec A masterclass in understated creepiness a deliciously macabre collection that the old Austrian might well have enjoyed Book of the Week Time Out 12 Jan If we need the uncanny and I suspect we do then we also need it updating laudable Book of the Week The Independent 2 Jan A bold idea The Guardian 3 Jan **The Divine Magician** Peter Rollins, 2015-01-20 In this mind bending exploration of traditional Christianity firebrand Peter Rollins turns the tables on conventional wisdom offering a fresh perspective focused on a life filled with love Peter Rollins knows one magic trick now make sure you watch closely It has three parts the Pledge the Turn and the Prestige In Divine Magician each part comes into play as he explores a radical view of interacting with the world in love Rollins argues that the Christian event reenacted in the Eucharist is indeed a type of magic trick one that is echoed in the great vanishing acts performed by magicians throughout the ages In this trick a divine object is presented to us the Pledge disappears the Turn and then returns the Prestige But just as the returned object in a classic vanishing act is not really the same object but another that looks the same so this book argues that the return of God is not simply the return of what was initially presented but rather a

radical way of interacting with the world In an effort to unearth the power of Christianity Rollins uses this framework to explain the mystery of faith that has been lost on the church In the same vein as Rob Bell s bestseller Love Wins this book pushes the boundaries of theology presenting a stirring vision at the forefront of re imagined modern Christianity As a dynamic speaker as he is in writing Rollins examines traditional religious notions from a revolutionary and refreshingly original perspective At the heart of his message is a life lived through profound love Just perhaps says Rollins the radical message found in Christianity might be one that the church can show allegiance to [Focus On: 100 Most Popular Films Based on British Novels](#) Wikipedia contributors,
