Missions Disrupted Larry W. Sharp, 2022-01-01 Most everything in the world has changed since the age of the Greatest Missionary Generation which was an outpouring of missionaries following World War II that lasted until around 1985 Today however missionaries are no longer welcomed in most of the world and Christian terms like evangelism church planting conversion and missions are considered pejorative outside of the Western world All this demands a reexamination of the theology of *Missio Dei* for today s world and a theory for change that can be validated with credible research Author and former missionary Larry Sharp believes that the era of professional missions as we ve known it is coming to an end But since God still seeks to redeem his world the future lies now with missional professionals with a new set of rules for how the gospel of Jesus Christ can be proclaimed Near the end of his life Billy Graham said The great work of God in the 21st century will be through everyday believers living out their faith in the workplace Since the first century AD there have been historical events such the persecution of the early church the Edict of Milan and the Protestant Reformation where major disruption resulted in the radical advance of the gospel We are on the cusp of another disruptive innovation Through real life narratives of international workplace professionals who have successfully integrated their faith with their work *Missions Disrupted* describes how this new work of missions looks today These inspiring stories come from the world of agriculture manufacturing medicine information technology education engineering music and retail It is up to the next generations to continue to share the Good News with the world wherever and however that may be

Christian ministry can be so complicated that no pastor is totally prepared for what is about to hit them. There are situations that arise one never anticipates. Pastor Keller believes he has faced them all and he shares them in his book on *Hidden Enemies in the Ministry*. Keller has had to lock horns over legalism, face a charismatic invasion that split his church, be fired for doing what he said he would do when he was hired, deal with witchcraft and the occult within his own congregation, have an outside pastor try to steal his ministry, ignorantly allow liberalism to get a foot in the door, be accused of immoral behavior, and worst of all, try to minister when his wife was dying of cancer. Keller tells how he dealt with all these situations and does so with other pastors in mind as his desire is to share his lifetime experiences so others do not fall into the same traps. Keller is also concerned about the silent pulpit and the fear of pastors to preach the whole council of God and that includes the moral, political issues that are destroying our nation, issues like abortion, critical race theory, the social justice movement. Too many pastors are too politically correct in their preaching that their compassion for their flock is more important than telling the truth. It has been said of those who have read this book that it ought to be required reading in the practicum department of every Bible college in America. Experience gives one far more wisdom for ministry than what is learned in seminary. It is my hope and prayer that *Hidden Enemies in the Ministry* will better equip you to be a more successful servant of Christ in fulfilling His calling on your life.

Being an Intergenerational Church Suzi Farrant, Darren Philip, 2023-08-31 There is a growing realisation across mainstream churches that age segregated models of connecting with children, young people and families are not working. Drawing on their extensive experience, Suzi Farrant and Darren Philip set out a vision for bringing the generations back together to become the intergenerational church we are designed to be. In conversation with the writings of Dietrich Bonhoeffer, they develop a theological rationale for intentional intergenerational relationships of mutuality lived out within the core activities of the church. Through an exploration of the Christian practices of humility, hospitality, participation, discipleship, joy, worship, discernment and testimony, they call the church to re-discover its DNA as an all-age community of transformation.

Once Upon a Time There Was a Three-Year-Old Grandpa David Janzen, 2024-07-18 This eccentric title recalls a collection of tales first told to grandchildren at bedtime. Each chapter begins with a fun-to-read farmer boy story from the 1940s, an era before industrial farming when horses, cows and chickens were still members of the family. These anecdotes each launch a theme that splashes down with further development in later decades of life. Diverse topics include imaginative play, construction, crew, humor, animal intelligence, contemplative prayer and journal writing, rural and urban farming, communal wisdom and affordable housing, along with a few serious pranks and the prophetic mischief that follows. This memoir is also a confession in the pattern of Augustine reflecting on God's in-breaking initiatives and the writer's emerging sense of calling in lifelong conversation with Jesus. Its stories offer a series of curiosity-driven ramps into eight decades of transformative experiences for curious souls to ponder an open-eyed faith and a communal way of life for the long haul.

Flames of Love Heath Bradley,2012-11-29 Is hell for real or will all be saved What if both are true It is tempting to settle either for the liberal option of downplaying the judgment of God or for the conservative option of letting dominant church tradition trump fresh understandings of Scripture Not settling for either of these popular options this book offers a clear and compelling response to the question of what hell could be for in a universe created and redeemed by a loving God The book seeks to articulate a distinctively Christian universalism that highlights the centrality of Christ coheres with the Scriptures and early church tradition affirms the reality of divine judgment and offers motivational grounds for evangelism and holy living Ultimately this work is about the Christian struggle to envision the life of the world to come in a way that is faithful to the God in whom love and holiness are forever united *Kingdom First* Jeff Christopherson,Mac Lake,2015-06-15

Authors Jeff Christopherson and Mac Lake call readers to imagine a movement that vividly remembers the insubstantial days of a mustard seed with a sense of awe and wonder when looking at the indescribable harvest that stands all around Though the kingdom of God can t be forced by superficial methods the good news is that when you move past the threshold of your competency and comfort you find yourself in the very spot where God can use you like no other [Authentic Influencer](#)

Jonathan Murphy,2023-03-28 You may feel like an ordinary believer but God has a knack of using ordinary people to accomplish His extraordinary purposes *Authentic Influencer* encourages you to walk with Barnabas learn from God and shape the world for Jesus Christ one life at a time God s approach to influencing the world is through His people People shape people And yet many of God s people spectate from the sidelines unsure of what to do *Authentic Influencer* is rooted in principles emerging from the life of God s choice example in the Scriptures a man called Barnabas rather than recycled quotes from corporate leadership works Every follower of Jesus can be inspired instructed and mobilized to influence the world from right where they are In fact it is everyday believers not just professional Christians such as pastors church leaders authors and others who are specifically tasked by Jesus Himself to bring godly influence to the world We are all His agents of change be it shaping one person or a thousand *Authentic Influencer* is a Christian leadership book that Highlights 15 key principles that emerge from Barnabas that are relevant practical and customizable to every believer Inspires you to

shape those around you for Christ Urges you to practice investing in others through discipleship Challenges you with inspiring stories and practical wisdom emerging from biblical truths By studying the life of Barnabas we see how he influenced the world for Jesus Christ in practical and doable ways Become encouraged to shape our world for Jesus beginning with whoever happens to be close by And They Overcame Him Raelynn Wooster,2025-06-04 It is possible to overcome the devil in these dark times in which we live Revelation 12 11 tells us how We overcome him by the blood of the Lamb Jesus Christ s sacrifice on the cross for each person willing to freely accept it and by the word of their testimony When we share what Christ has done in our lives it gives others hope and the faith necessary to reach out and accept his life giving provision for themselves Each person that comes to faith in Christ is one less person who Satan can claim as his own to spend eternity with him in hell We overcome Satan by the blood of the Lamb and the word of our testimony On the following pages are the true stories of real people whose lives have been drastically changed by the blood of the Lamb They are sharing their testimonies because they believe the Word of God and know that their story has the power to defeat Satan in the lives of others and change their lives for the better These are ordinary people just like you And They Overcame Him

What a Life! Donald Jacobs,2015-01-27 Don Jacobs exuberant wise and remarkably capable of regarding himself lightly has written a memoir Here he candidly explores how he simultaneously held the trust of conservative North American Mennonites and the respect of African Mennonites who chose him to be their first bishop He writes openly about his parents and their cultural differences and he locates the source of his ability to swing comfortably between worlds in his childhood home Jacobs earned a doctorate in anthropology from New York University although he gave his life to the church around the world rather than to academia He reflects on that reality in these pages His rollicking sense of humor his clear spiritual commitments and his searching questions about his own motives thread through this book Photographs throughout show him at home with his beloved family and at home in both North America and Africa **In the Way of Jesus** Paul D.

Kroeker,2017-03-05 A revolutionary love movement is circling the globe Broken lives are being transformed and the love of Jesus is being gossiped into the most remote regions of the planet However in the West the church is in decline The brand image is broken Christianity is not seen as radical or revolutionary and some of those who claim to be Christian seem to bear little resemblance to the life and teachings of Jesus Through national and international engagement in Christian ministry Paul Kroeker has witnessed this development firsthand He has come to realize that Though we thought we were rich we are really poor and though we thought they were poor the international church has the riches we need to live the abundant life Jesus describes inspired by Revelation 3 14 22 In the Way of Jesus takes readers on a journey of renewed hope found in the person of Jesus Christ and the work of the Holy Spirit Through personal anecdotes and biblical insights Kroeker lays out the path of discipleship that leads to an intimate relationship with Jesus When someone has been with Jesus their love becomes authentic and compelling They eagerly share what Jesus has done for them Their joy is infectious They are an open book evidence of

God's love and forgiveness Their love for one another becomes extraordinary and reveals the good news of the Kingdom of God Brand image and reality are one and the same This alone will lead to the awakening of the church in the West allowing for a new tide of God's redeeming love to move across our nation and heal our land In the way of Jesus you become a disciple who will love live and serve like him Love Live Serve like Jesus The Salvation of Maven Storm Rick Krietemeyer, 2021-04-07 Do you think living the Christian life is hard Many do and it can be Do I really have to forgive everybody Do I really have to tell others about Jesus It is filled with religious rituals and commands that may seem like a dictator is at work It may seem exasperating at times If this is true for you you may have found the love of God but not the love for God When you fall in love the commands of God are no longer difficult The Salvation of Maven Storm helps the Christian develop this covenant relationship and dispels the idea of Christian slavery Just as Jesus told parables to help the people understand God and heaven The Salvation of Maven Storm uses personal stories to explain theological truths It explains how Christianity is about a relationship and not a bunch of rituals and rules to follow It explains exactly why and what God wants and expects of this relationship It explains the riches God offers us in return Overall the entire book is about what it is like to be in a covenant relationship with Jesus The relationship is so much more than life itself
