Gift-Wrapped Governess Sophia James, Annie Burrows, Marguerite Kaye, 2011-10-18 Governess to Christmas Bride by Annie Burrows Lord Chepstow hasn't seen Honeysuckle Miller since she was a plain awkward schoolgirl Now she's not so plain and is looking after the host's children at a lavish Christmas house party And the last thing Lord Chepstow expected to want on his Christmas list is the prim governess Publisher description **The Governess: Book One--Volume Three** Ellise C. Weaver, 2013-08-06 Lovely inexperienced Miss Carly Blakemore only nineteen years of age is received at her first post as governess for two precocious children ready to love them as her own But her biggest challenge will be their father masterful and strong in everything especially his kiss Carly and the earl continually fight the feelings growing between them Both are oblivious to the clouds of deceit and intrigue that are growing around the manor house some bent upon removing the beautiful headstrong governess permanently A final desperate chase leads to an interception of a ship upon the high seas headed for the Mediterranean and a secret society of white slave traders opening the way for this book's sequel [The Trail of the Open Heart](#) Rebecca Rees, 2010-01-15 These are stories of All Kinds of Love cat love family love romantic love erotic love friendship and community love love of work love of home love of nature love of art love of justice love of spirit broken love mistaken love and eternal love From finding and losing and finding a girlhood Jesus to fighting racial injustice in the old South to thirty years of radical loving in flowery San Francisco to adventuring to live on the edge of the wild high desert mountains this is one feminist Everywoman's journey on the Trail of the Open Heart The dedication from the story Mistakes of the Open Heart gives a taste of the book I dedicate this story to my loving mistakes on the trail of the open heart the ones who got away To Michael my first friend in San Francisco who was in love when I was free and free when I was in love and lovingly married when I was free again To Charles my Rainmaker To Tim the first lover who made me feel beloved To Doug my kindred spirit who held hands with me in the convent To Steve who dumped me on the Winter Solstice but still wrote to tell me he loved his Hanukkah present of seven stories To David a sweet guy who just wanted to be my friend and sing with me on the trail And to Paula best friend and adventure buddy of my youth who said that one of us should have been a man and knew that neither was willing to volunteer From you lost nowhere or nevermore lovers and from the unnamed others including the bad guys I have learned hard lessons You taught me humility and respect for the needs of others You taught me compassion in situations in which I was the rejector instead of the rejectee You taught me to allow every relationship to assume its natural form and that just because people love each other does not mean that they are meant to be together You helped me learn that the true source of all my love is me You taught me that part of being an attractive woman may be

attracting experiences that I didn't expect You taught me to take responsibility for assessing when a person may be impulsive and unreliable and to take responsibility for acting on that knowledge You taught me that emotional fluency is not necessarily emotional responsibility You taught me that men who declare that they have been my lover in many lifetimes probably jerked me around in all those other lifetimes too You taught me to balance the romantic with the rational and not to mistake neediness for passion You taught me to count the cost of a relationship and decide if I am willing to pay that price all of it and still not get what I want I learned that most people love as well as they know how at the time given human imperfection in giving love and human imperfection in receiving it I learned that sometimes love is deeper without sex and sometimes friendship is more loving than love I learned that love is everywhere here and now and is not restricted in form I learned that life is ultimately a great Mystery and that what we have to give and teach each other may be beyond our immediate comprehension You my mistakes of the open heart led me to experience the tremendous peace and clarity that comes from giving up absolutely on an unworkable situation You helped me to learn that I can survive the death of an illusory self in relationship and be reborn to new possibilities an ever widening horizon of life You have helped me to become a woman of wisdom a woman who has learned to make good love and good friends when I can and learned to make the scraps into enlightenment soup
