

The background of the entire cover is a romantic close-up of a man and a woman. The man, on the left, has light brown hair and a beard, and is leaning his head against the woman's forehead. The woman, on the right, has long dark hair and is looking directly at the viewer with a soft expression. In the background, between their faces, is a small, hazy image of a ranch landscape with a fence and trees under a warm, golden light.

A Rancher For Rosie The Duggans Of Montana:

The Duggans of Montana: Molly Ann Wishlade, 2015-08-04 Harlot at the Homestead Sometimes retribution finds its own way but sometimes it needs a helping hand When Catherine Montgomery shows up at Kenan Duggan s homestead she expects him to be surprised She s been gone two years and she s devastated to hear that her former fiance was forced to give her up for dead Catherine never stopped thinking about Kenan and hoped that they d be reunited one day She has suffered at the hands of another but nothing tortured her as much as being apart from the man she loves She doubts however that Kenan will be able to forgive her when she reveals her secrets As Kenan battles his desire for revenge their mutual desire reawakens like a creek bed in the rain and soon they are swept up in rediscovering their all consuming passion Retribution often finds its own way in the Wild West and the men to blame for Catherine s disappearance may well find themselves paying for their crimes in unexpected ways That s if Kenan doesn t get to them first A Rancher for Rosie There s only one rancher for Rosie Duggan but the course of true love never did run smooth It is springtime 1871 and Rosie Duggan is in love with Joshua Hampton a handsome rancher s son Joshua is seven years her junior but they have fallen hard and hope to marry Joshua s parents have other ideas Firstly they believe that Rosie is too old for their son Secondly they do not want Joshua marrying into the Duggan family They believe that the Duggans are tainted by their association with Catherine Montgomery and her mysterious past Rosie only wants the best for everyone she loves so she makes several difficult decisions preparing to sacrifice her own happiness to protect those around her But sometimes the people we love are prepared to make sacrifices too so Rosie could well find the happiness she craves with her gorgeous rancher
