A Miracle Of Rare Design:

A Miracle of Rare Design Mike Resnick, 2013-07 The story of Xavier William Lennox an agent of Earth whose body is constantly being redone so he can blend unnoticed on his missions to alien worlds The novel traces the effect this has on his psyche In the end he designs a composite body and abandons being human altogether By the author of Inferno A Miracle of Rare Design Michael D. Resnick, 1994 Xavier Lennox travel writer and adventurer is determined to discover what the golden skinned natives of the planet Medina are trying so desperately to hide Resnick at Large Mike Resnick, Robert J. Sawyer, 2003-08-01 These 61 essays and articles include Mike Resnick's work for galaxyonline.com The Magazine of Fantasy Science Fiction book introductions and much much more Features an introduction by Robert J Sawyer The Branch Mike Resnick, 2000-08-01 The Old Testament Messiah was no Prince of Peace He was to be a warrior king who would raze kingdoms and burn cities to the ground The Messiah has finally come and the world will never be the same The Cambridge Companion to Science Fiction Edward James, Farah Mendlesohn, 2003-11-20 Science fiction is at the intersection of numerous fields It is a literature which draws on popular culture and which engages in speculation about science history and all types of social relations This volume brings together essays by scholars and practitioners of science fiction which look at the genre from these different angles After an introduction to the nature of science fiction historical chapters trace science fiction from Thomas More to more recent years including a chapter on film and television The second section introduces four important critical approaches to science fiction drawing their theoretical inspiration from Marxism postmodernism feminism and queer theory The final and largest section of the book looks at various themes and sub genres of science fiction A number of well known science fiction writers contribute to this volume including Gwyneth Jones Ken MacLeod Brian Stableford Andy Duncan James Gunn Joan Slonczewski and Damien Broderick **The Seductive Computer** Derek Partridge, 2010-10-28 IT systems explode budget estimates bust production deadlines by years and then fail to work properly Why this IT system crisis Poor programmers Inadequate project management No The Seductive Computer argues that the fundamental nature of programming technology itself is the real culprit it promises perfection but can only deliver emergent chaos It is also an insidiously compelling technology peculiarly male oriented IT systems an unavoidable and increasing reality in all our lives are something new to man large scale discrete complexity The Seductive Computer explains this novelty that defies human understanding This book illustrates in a simple yet thorough manner the underlying concepts necessary for understanding the IT system crisis not How To Program but what the demands of programming are It then proceeds to lay out the full gamut of issues all stemming from the nature of the technology From development to maintenance IT system personnel are grappling with incipient chaos The technicians are seduced by the detailed challenge of the technology The scientists are seduced by the promises of their technology The managers and users are seduced by the mysteries of the technology No IT system is ever fully understood by anyone so surprising behaviours will always emerge

What can be done We must rein in our expectations of IT systems what they can do and how reliably they can do it On the positive side The Seductive Computer discusses novel paradigms that look beyond the current discrete technology neural computing and precise approximation computing

Starship: Rebel Mike Resnick, 2009-09-25 The date is 1968 of the Galactic Era almost three thousand years from now The Republic dominated by the human race is in the midst of an all out war with the Teroni Federation Almost a year has passed since the events of Starship Mercenary Captain Wilson Cole now commands a fleet of almost fifty ships and he has become the single greatest military force on the Inner Frontier With one exception The Republic still comes and goes as it pleases taking what it wants conscripting men and extorting taxes even though the Frontier worlds receive nothing in exchange And of course the government still wants Wilson Cole and the starship Theodore Roosevelt He has no interest in confronting such an overwhelming force and constantly steers clear of them Then an incident occurs that changes everything and Cole declares war on the Republic Outnumbered and always outgunned his fleet is no match for the Republic s millions of military vessels even after he forges alliances with the warlords he previously hunted down It s a hopeless cause but that s just what Wilson Cole and the Teddy R are best at

The Castle in Cassiopeia Mike Resnick, 2017-08-22 A crisis has arisen On their first mission as a team Pretorius and his Dead Enders kidnapped the real General Michkag and substituted a clone who had been raised and trained in the Democracy But now they find that the clone likes being the most powerful man in the hundred world Traanskei Coalititon and having been raised on Earth he knows how humans think and react This becomes a many layered problem for Pretorius and what is left of his Dead Enders As the only humans on a totally militarized alien world they must first find where the best guarded member of the enemy s military Michkag is hiding and how many aliens or regiments or divisions are guarding him and then they must find a way past all his lines of defense to kill or capture him
