Presents all the 195 Yoga Sutras professed by the legendary Maharishi PATANJALI. He affirmed that Yoga is not only limited to sanas but also aims at outer and inner purification, control, and balance of the self, meditation, and complete absorption. And finally, union with the Self. Contains 4 Chapters: Samadhi, Sadhana, Vibhuti, and Kaivalya. Comprises of all the 8 limbs of Ashtanga Yoga: 5 external and 3 internal: Yama, Niyama, Asana, Pranayama, Pratyahara, Dharana, Dhyana, and Samadhi. The book fully utilizes available technology to aid elaboration of the commentary on Yoga Sutras, which are admittedly terse. Charts and tables, as well as graphs and pictures, adorn the book practically on every page so that the reader finds it helpful to enhance his understanding. Stories and quotations from the spiritual greats are added to widen comprehension. This then is a book that is truly unique in its presentation that would find ready acceptance by Yoga teachers and students alike all over the world. All those students and teachers of Yogasanas who wish to go beyond Asanas and aim at avoidance of mental modifications and the resultant stressful life would find this book a boon.

The Holy Spirit as Communion I. Leon Harris, 2017-09-26

In *The Holy Spirit as Communion*, Leon Harris examines the pneumatologies of Colin Gunton and Frank Macchia. For both theologians, the doctrine of the Holy Spirit is foundational to understanding their doctrine of God.

Christology and ecclesiology Drawing on the theme of communion The Holy Spirit as Communion expresses the concept that the Holy Spirit is the person who perfects the divine nature and personhood of the Father and Son It is the Holy Spirit who perfects the eternal communion within the divine Trinity which is the source of the divine action that also perfects the communion in creation as an expression of the Father s will through Jesus Christ The Holy Spirit as Communion explores the essentiality of the Holy Spirit through a unique approach to Spirit Christology Gunton is represented by a radicalized version of Chalcedon Christology and Macchia formulates his account through the overarching metaphor of Spirit baptism Therefore the doctrine of God Christology ecclesiology and eschatology cannot be construed without a proper account of pneumatology that takes into consideration the eschatological perfecting work of the third person of the Trinity who perfects creation s koinonia as a gift from the Father through the grace of Jesus Christ
