A Murderous Procession Mistress Of The Art Of Death:

A Murderous Procession Ariana Franklin, 2010 Ordered to safeguard the daughter of Henry II while en route to her wedding wisewoman Adelia Aguilar teams up with Rowley to identify a killer who is targeting members of the wedding procession

A Murderous Procession Ariana Franklin, 2010-04-06 Joanna the youngest of King Henry's daughters is on her way to marry William II king of Sicily. The journey will be long and dangerous so Henry sends the only doctor he trusts Adelia Aguilar who is just as gifted with the living as she is with the dead. Usually Adelia would be eager to visit her homeland but Henry insists she leave her daughter in England as insurance she'll return. Adelia takes out her bitterness on Rowley her former lover and Henry's most loyal man. Rowley is along for protection because a princess travelling with a fortune in jewels and gold is a tempting target especially when among the treasures is the great sword Excalibur. Henry has decided to give it to his future son in law and greatest ally to keep it from his ambitious sons. But the scheming of princes is nothing compared to a madman who seeks revenge because he blames Adelia for his lover's death

Sister of the Lionheart Hilary Benford, 2016-07-04 A feisty medieval English princess finds adventure in the Sicilian royal court and the Crusades in this epic historical series opener. Joanna is the strong-willed daughter of King Henry of England and Eleanor of Aquitaine. Close to her brother Richard Lionheart she grew up at courts in France and England. From jousts to the infamous Courts of Love from family quarrels to international intrigues Joanna's youth was spent in the thick of it all. With her ambition to become a queen like her much admired mother Joanna marries King William of Sicily and is swept away to a court that is a crossroads for Normans, Italians, Jews, Arabs and Byzantines. She is furious when she learns that her husband William possesses a harem but she refuses to accept it in silence acting like a true descendant of Vikings. That is only the beginning of Joanna's adventures. When Jerusalem falls to Saladin her husband and The Lionheart make plans to go on Crusade. And Joanna persuades Richard to let her accompany him. This historical epic introduces a strong and truly unforgettable heroine Joanna Plantagenet whose drive and persistence helped change the course of history. Praise for Sister of the Lionheart Chock full of historical events and people about which much has already been written what makes this particular Plantagenet novel so appealing and readable is Benford's ability to create a believable, lovable and altogether dynamic character in Joanna. She is the glue that holds this marvelous oft-told story together this time from a new perspective. I am waiting impatiently for the next Joanna book and highly recommend this installment.
