An Unfinished Love Story Doris Kearns Goodwin, 2024-04-16 The Pulitzer Prize winning historian reflects on her 42 year marriage with Dick Goodwin one of the shining stars of John F Kennedy s New Frontier and the journey of going through the letters diaries documents and memorabilia he saved over the years

The Courage to Hope Shirley Sherrod, 2012-08-28 In the summer of 2010 Shirley Sherrod was catapulted into a media storm that blew apart her life and her job doing what she d done for decades helping poor hardworking people live the American dream She was a lifelong activist who served as Georgia s first black director of rural development A right wing blogger the now late Andrew Breitbart disseminated a video clip of a speech Sherrod had given to the Georgia NAACP intending to make her an example of reverse racism The right wing media ramped up the outrage and before Sherrod had a chance to defend herself the Obama administration demanded her resignation Then after hearing from Sherrod herself and learning the entire truth of what she said in that speech the administration tried to backtrack As public officials and media professionals admitted to being duped and apologized for their rush to judgment Sherrod found herself the subject of a teachable moment The Courage to Hope addresses this regret table episode in American politics but it also tells Sherrod s own story of growing up on a farm in southwest Georgia during the final violent years of Jim Crow As a child she dreamed of leaving the South but when her father was murdered by a white neighbor who was never brought to justice Sherrod made a vow to stay in Georgia and commit herself to the cause of truth and racial healing With her husband Charles a legend in the civil rights movement she has devoted her life to empowering poor people and rural communities Americans who are most in need The incident that brought Sherrod into the spotlight does not define her life and work but it strengthens her commitment to stand against the politics of fear and have the courage to hope

Littlejohn,Reginald K. Ellis,Peter B. Levy,2019-10-07 This volume's contributors expand the chronology and geography of the black freedom struggle beyond the traditional emphasis on the Jim Crow South and the

years between 1954 and 1968 Beginning as far back as the nineteenth century and analyzing case studies from southern northern and border states the essays in *The Seedtime the Work and the Harvest* incorporate communities and topics not usually linked to the African American civil rights movement The collection opens with a biographical sketch of Thomas DeSaille Tucker an educational pioneer who served as the first president of Florida State Normal and Industrial School for Colored Students It then highlights the work of black women including Bostonian publisher Josephine St Pierre Ruffin who defied local governments during the Progressive Era by disseminating medical information and providing access to medical professionals Next the collection explores the life and work of Norfolk civil rights attorney James F Gay who helped to democratize the political establishment in Virginia s largest city but became a victim of his own success The collection then moves to York Pennsylvania to examine a 1969 riot that went mostly unnoticed until the town s mayor was charged more than thirty years later with the riot related murder of Lillie Belle Allen Also featured is an essay examining the Student Nonviolent Coordinating Committee s Food for Freedom campaign that aimed to complement voter registration work in Mississippi by providing everyday sustenance to African Americans Addressing more recent issues this volume considers the politics of public memory in Baltimore Maryland a city divided by racial riots in 1968 and in 2015 It then examines the Black Lives Matter movement that gained international attention for its response to Michael Brown s death at the hands of police in Ferguson Missouri as well as the Sandra Bland Movement inspired by the arrest of Bland and her subsequent death in the Waller County jail in rural Texas These chapters connect the activism of today shaped in so many ways by social media student activism and grassroots organization to a deeply historical wide ranging fight for equality

"*You Say You Want A Revolution?*" Babka, Susie Paulik, Procaro-Foley, Elena, Yocum, Sandra, 2019-05-22 *Reconsidering Reagan* Daniel S. Lucks, 2020-08-04 2021 Prose Award Finalist A long overdue and sober examination of President Ronald Reagan's racist politics that continue to harm communities today and helped shape the modern conservative movement Ronald Reagan is hailed as a transformative president and an American icon but within his twentieth century politics lies a racial legacy that is rarely discussed Both political parties point to Reagan as the right kind of conservative but fail to acknowledge his political attacks on people of color prior to and during his presidency *Reconsidering Reagan* corrects that narrative and reveals how his views policies and

actions were devastating for Black Americans and racial minorities and that the effects continue to resonate today Using research from previously untapped resources including the Black press which critically covered Reagan s entire political career Daniel S Lucks traces Reagan s gradual embrace of conservatism his opposition to landmark civil rights legislation his coziness with segregationists and his skill in tapping into white anxiety about race riding a wave of white backlash all the way to the Presidency He argues that Reagan has the worst civil rights record of any President since the 1920s including supporting South African apartheid packing courts with conservatives targeting laws prohibiting discrimination in education and housing and launching the War on Drugs which had cataclysmic consequences on the lives of Black and Brown people Linking the past to the present Lucks expertly examines how Reagan set the blueprint for President Trump and proves that he is not an anomaly but in fact the logical successor to bring back the racially tumultuous America that Reagan conceptualized
