

The background of the slide is a photograph of several thick books stacked on a wooden surface. The books have aged, yellowed pages. A dark, semi-transparent rectangular box is overlaid on the upper half of the image, containing the title text in white. The text is centered and uses a serif font. Below the title, there is a thin horizontal line, followed by the publisher's name, 'Essex Institute', in a smaller serif font.

**New England Citizen Soldiers of the Revolutionary War** Robert A Geake, 2010-07-06 A historian goes beyond the famous faces to tell the stories of ordinary citizens who served as militiamen and mariners during the American Revolution Americans know Paul Revere and General George Washington but lesser known are those unsung heroes or citizen soldiers who first enlisted with local militias before being assigned to units of the Continental Line and sent away to fight in states and regions far removed from their homes and families In New England these also included men of the sea who signed aboard privateers or became part of the Mariner brigades that became indispensable in navigating waterways and ferrying troops into position New England Citizen Soldiers is also the larger story of their struggle to maintain their loyalty and their ties to their home states property and family Historian Robert Geake uncovers the untold story of ordinary citizens who became united in the cause for freedom

Saratoga James S. Pula, 2025-01-31 Often referred to as the turning point of the American Revolution the Saratoga Campaign has had much ink spilled about its causes leaders and consequences Less has been recorded about the individuals who participated in this political drama This book presents the experiences of the real people involved in the Saratoga Campaign from squabbling English politicians and ambitious generals both British and American to intercolonial jealousies Focusing on the testimonies of people who are largely overlooked this history sheds light on the most human aspects of the campaign so often forgotten

**Secretary's Report** Harvard College (1780- ). Class of 1856, 1899

George Washington's Surprise Attack Phillip Thomas Tucker, 2016-08-23 Extensively researched and superbly argued in Tucker s compelling narrative this in depth examination of George Washington s military miracle at the Battle of Trenton unquestionably confirms the vital importance of that stunning victory Jerry D Morelock PhD editor in chief at Armchair General Like many historical events the American Revolution is sometimes overlooked ignored or minimized by historians because of common shrouding in romantic myth or interference from stubborn stereotypes Here historian Phillip Thomas Tucker provides an in depth look at the events of the Battle of Trenton weeding out fiction and legend and presenting new insights and analysis Stories from many forgotten individuals of the war including officers and

soldiers from both sides bring to life the Continental Army's desperate circumstances and shocking victory. Myths that Tucker debunks include the Hessians' slovenly drunkenness, Washington acting alone in creating the attack strategy, and Rall's incompetence as a leader largely contributing to his troops' defeat. By exploring the forgotten aspects of one of America's most famous battles, revealing Trenton's story proves to be even more fascinating. In the end, America's founding was nothing short of miraculous, and no chapter of America's story was more miraculous than Washington's improbable success at the battle of Trenton, where America's fate was decided to almost everyone's amazement on a dark, snowy morning.

Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history, books about World War II, the Third Reich, Hitler, and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
