Vande Kappelle,2013-08-23 Hope Revealed sets the record straight Revelation is not as bizarre and vindictive as many have imagined Its message is hopeful not pessimistic world affirming not world denying and thoroughly congruent with the biblical emphasis on love reconciliation and forgiveness Revelation invites us to drink deeply from its metaphors of promise and warning vision and blessing While Revelation s method and theological conceptuality are relatively different from the rest of the New Testament once they are appreciated in their own right they contribute to make this book not only one of the finest literary works in the Christian canon but also one of the greatest theological achievements of early Christianity      *The Mighty Angels of Revelation* Nathan E. Jones,2019-11-03 A devastating car wreck nearly killed his parents If not for a lone biker who had stopped at the scene of the accident and administered first aid some say they would have died before medical help arrived The problem only one person could recollect the biker ever having been there Their rescuer had mysteriously disappeared without a trace The only survivor who could remember insisted they must have been rescued not by a mere man but by an actual angel sent from God This jolting event in the life of one family led author Nathan Jones to set off to explore the greatest source in the study of Angelology the book of Revelation With its whopping 72 instances of individual and entire groups of angels and demons Revelation stands apart from all of the other books in the Bible as the most prolific source for learning about angels Come and travel along with a man called the

Elder and his angelic guide as the end times are revealed throughout the book of Revelation in stunning detail Along the way meet 72 of God's mighty angels as they proclaim God's messages of warning and hope to a lost world Together let us encounter the Mighty Angels of Revelation      Stairways to Heaven Lorna Byrne,2010-09-16 Lorna Byrne sees and talks with angels every day of her life and has done since she was a baby As a child Lorna was told by the angels that her job on this earth was to share the wisdom and knowledge that God and the angels were giving her When Lorna's husband died her world fell apart In *Stairways to Heaven* she tells the story of how she pulled her life back together and how she an uneducated mother of four broke her silence and started to spread the angels message to the world Lorna tells us of the future that God envisages for us and some possible other futures depending on the decisions we make Everyone must play their part she says She reveals some of the most extraordinarily detailed information about angels and the way they work in the world that has ever been written down She also introduces us to the Guardian Angel of the Earth and explains why it is so important that we listen to him She tells the tragic love story of two spirits who she met first as a young child These spirits stayed close to her for twenty years using Lorna's spiritual gifts to heal those who had done them wrong and also to heal the descendants of those wrongdoers whose lives were still being overshadowed The overwhelming reaction of readers to Lorna's writing regardless of religious belief is that it gives them hope helping them to realise that no matter how alone they might feel they have a guardian angel by their side      *Where's Your Light ?* Douglas F.
