A Moose and a Lobster Walk Into a Bar ... John McDonald, 2017 **Moose Memoirs and Lobster Tales** John McDonald, 2016-07-15 John McDonald has been making people laugh for decades with his humorous yarns poking fun at people from away people from Maine and life in general Following up the wildly popular A Moose and a Lobster Walk into a Bar the Dean of Maine Storytelling offers a new collection of stories that will make you laugh till you cry and cry till you laugh Here s a new round of classic stories brimming with half truths stretched truths and wry observations about life in Maine **Down East** , 2007-04 **The Travelling Tea Shop** Belinda Jones, 2024-01-01 A warm and wonderful delight reader review Laurie s life revolves around baking but will finding love be just as sweet Laurie loves a challenge Especially if it involves tea time and travel So when British baking treasure Pamela Lambert Leigh needs a guide on a research trip for her new cookbook she jumps at the chance The brief Laurie and Pamela along with Pamela s sassy mother and stropky daughter will board a vintage London bus for a deliciously unusual tour of the USA s East Coast cruising from New York to Vermont Their mission To trade recipes for home grown classics like Victoria Sponge and Battenburg for American favourites like Red Velvet Cake and Whoopie Pie All the women have their secrets and heartaches to heal As well cupcakes galore there s also the chance for romance But will making Whoopie lead to love Readers can t get enough of The Travelling Tea Shop Witty and heartwarming reader review A lovely read which transports you away in total escapism reader review Completely relatable reader review A fantastic read with a great pace I d recommend this to anyone who loves cake people and romance reader review A fascinating road trip of a novel Sure to bring a smile to your face reader review A delightful story with lots of twists and turns reader review Had me gripped right to the end reader review **Lobster Therapy and Moose Pick-Up Lines** Jeff Pert, David Jacobson, Bill Woodman, Mike Lynch, 2018-05-01 Poking fun at everyone from the locals to folks from away and even to the wildlife Lobster Therapy collects more than 100 cartoons from five of Maine s best artists working in the field It ll leave you in stitches and just might help lower your blood pressure the next time you re stuck on Route 1 or I 95 *Maine* Christian P. Potholm, 2011-12-16 Exciting and fascinating Maine An Annotated Bibliography is a look at the Maine Experience from its many historical political social and literary perspectives Organized under such unifying themes as The Wild Wild East Ethnicity Matters Women in Maine and Maine in the Civil War the work gives readers a most useful and often humorous overview of over 400 books written about Maine The author introduces the reader to many often overlooked works from the nineteenth century and early twentieth century such as those by Sally Field Elijah Kellogg and Chenoa Hall as well as many studies of familiar political figures such as Bill Cohen Ed Muskie Joshua Chamberlain Angus King Margaret Chase Smith and George Mitchell A valuable resource for anyone interested in the Pine Tree State Vacationland John Hodgman, 2017-10-24 I love everything about this hilarious book except the font size Jon Stewart Although his career as a bestselling author and on The Daily Show With Jon Stewart was founded on fake news and invented facts in 2016 that routine

didn't seem as funny to John Hodgman anymore. Everyone is doing it now. Disarmed of falsehood, he was left only with the awful truth. John Hodgman is an older white male monster with bad facial hair wandering like a privileged Sasquatch through three wildernesses: the hills of Western Massachusetts where he spent much of his youth, the painful beaches of Maine that want to kill him, and some day will, and the metaphoric haunted forest of middle age that connects them. Vacationland collects these real-life wanderings and through them you learn of the horror of freshwater clams, the evolutionary purpose of the mustache, and which animals to keep as pets and which to kill with traps and poison. There is also some advice on how to react when the people of coastal Maine try to sacrifice you to their strange god. Though wildly Hodgmaniacally funny as usual, it is also a poignant and sincere account of one human facing his forties, those years when men in particular must stop pretending to be the children of bright potential they were and settle into the failing bodies of the wiser, weird dads that they are. *The Publishers Weekly*, 2009 *Cruising World*, 1982-07 *Books in Print Supplement*, 2002 Los Angeles
