of the old plastic file box Of course it will open without me removing the dust but I am not ready yet Memories happy ones and sad ones that are so powerful they can overwhelm me in an instant are sitting inside under the lid of this closed box Twice now I had begun to write the book I started it eighteen years ago and then burned it The words in my mind that haunted me then said You have not lived long enough to write this yet Again several years later I started to re write the story That time I saved the first seven chapters then put them in the box This very box I now hold on my lap contains the words I still hadn't lived long enough to finish Steeling myself to accept the onrush of emotions that will start once again I carefully remove the dust with my index finger and flip up the latch There it is just as I had left it A faded hot pink folder holds the contents of my past efforts Sadly lovingly I open it once more The pages I last created in 1993 await me Typed in a very old version of WordPerfect there lie my written memories of a time in 1978 when I first met her I breathe in the musty smell of the slightly yellowed pages as I remove them from the box It is hard to begin to read the words but the urgency in me to do so is very strong today Now is the time to move through the sorrow into the Light and into the loving energy that never has really left me Now is the time to change the energy look at it from a new prospective Her crystal ball sits on top of the bookshelf in the room that I call Spirit Room How it became mine twenty years after our last conversation is part of the magical mystery that surrounds this story The crystal ball wound up coming to me fifteen years after she had sold it to someone else Now it just mutely sits there in my Spirit Room because I don't really know what to do with it Like the words on the pages in the box it reminds me of her and how she used it to start her early morning meditations It sits there in Spirit Room glowing in the sunshine is it waiting for me to take action Several times in the last six months I have The Universal Magazine ,1807     **The Universal Magazine of Knowledge and Pleasure** ,1807     **Exiles and Islanders** Brendan O'Grady,2004 The first comprehensive account of the Irish settlers of Prince Edward Island     Forgotten Child: Series II Mona Lisa,2012-08-30 ALL THE OTHER PUTRID FILTH OF THIS WORLD YOU KNOW WHO U ARE CAN KISS MY ASS To those people all I have to say is that you never knew me nor did you try to None of that matters now I never did anything to you people to justify the tragedies you have bestowed on me that is my life God will deal with you in his own time I'll be sitting back watching as your lives fall apart and mine finally comes together This is my prophecy to you Hopefully this will also give incite into the different types of abuse that many of us fall into Whether it be physical mental emotional or psychological It can come and go so suddenly And if you are not careful it can and will sneak up on you before you realize what's happening Some become weaker others stronger Then there are those that get stuck in limbo I've been stuck in limbo Every day is a struggle to find MY direction     Wicked: Snarky Urban Fantasy Mystery Jennifer Blackstream, Shade's latest case hits close to home when a witch shows up on her doorstep claiming her magic has been stolen A fly by night coven is using an online message board to recruit inexperienced witches only to vanish weeks later leaving a trail of magicless women in their wake And it only gets weirder from there An offer of help from a familiar but unwelcome source Growing discord

from Scath threatening to play right into their enemies hands And the mutilated body of a solitary witch Now it s personal There s something theatrical about these magic thefts something beyond a simple lust for power Someone is pulling the strings and there s no shortage of puppeteers among Shade s suspects But a witch can only be pushed so far And Shade has had enough Series keywords Shade Renard series urban fantasy contemporary fantasy fantasy series speculative fiction paranormal humor female protagonist action adventure magic very slow burn romance witch private investigator amateur detective murder mystery whodunit wizard werewolves shifters fey monsters Otherworld long series
