Godey's Lady's Book ,1863 Restoration: A Story of Restoration from Desperation Jim Draper,2016-12-31 The theme of this book is about restoration It tells my personal life story of restoration and how I developed a successful career restoring properties at the same time It is a parallel experience It all started with my personal commitment to Christ As he began to restore me from a life of desperation I was restoring an old barn to make a house for me to live out of necessity I learned that the principles are the same You have to remove all the unusable material in a structure in order to replace them with good materials so your building will be solid and will last It is the same with your life you have to remove all the old habits and thoughts that keep you from being a whole and successful person It has been an incredible journey for the last thirty six years to see the plans that God had for my life That is what restoration is all about When you surrender your will to him he can then take you where he planned for you to go all along He couldn't do it as long as you were in control I did it my way for thirty three years and it ended in desperation I have done it his way for thirty six and his ways are best I have accomplished more than I ever dreamed of and we are nowhere near finished In the book I share with you the twelve life skill principles I learned from the scripture and as I applied all of them I experienced the results that they promised I want to share these principles with you and I know that they will help you as they did me for God is no respecter of persons The key is you have to apply them not just know them The old barn would have never been converted into a house if I had refused to do the work **The Book that You Want ...** James Smith (Baptist Minister.),1864 Ecclesiastes R.
