Before We Leave You Patricia Cori, 2011-04-26 What if whales and dolphins truly do have a superior intellect as many believe and can speak to the human race What would their message be In November 2008 gifted clairvoyant Patricia Cori was in Jordan teaching a workshop when a life changing event occurred A community of Cetaceans a choir of whales and dolphins as she describes it interrupted her talk with a frantic plea for help Cori was suddenly witness to a devastating scene of suffering a communal grieving of scores of whales and dolphins frenzied lost and dying This was the first of several terrifying calls for help all of which were immediately followed by mass suicide events as these majestic creatures collectively chose to leave us and our planet These troubling incidents evolved into the stream of messages for humanity that Cori reveals in this extremely timely work The whales and dolphins present their deep understanding of our urgent global situation calling for the human race to restore balance to our ecosystems especially our dying oceans For the first time we read the communications of the Cetaceans and their story of devotion and celebration of life on the Great Planet Earth We are also given a glimpse of their role in the unfolding of galactic events throughout our solar system and the message is clear We must wake up and realize that our continued abuse of the environment is altering the course of Gaia's progression to the next dimension Without the whale and dolphin song without these musicians who hold the oceans in balance we risk our advancement through the ascension process for which our entire solar system is destined *Before We Leave You* is a roadmap to that higher future and a pathway to global transformation NOTE ELECTRONIC VERSION OF THIS TITLE DOES NOT INCLUDE THE CETACEAN MEDITATIONS CARDS INCLUDED IN THE REGULAR PRINTED VERSION
