should have been noticed that Will's intent was anything but honorable but upon signing of the will it would be revealed just how far Will would go to reach immortality Unknown to Will's guests he had a deadly secret Now the guests would have to find a way to beat the mysterious and ferocious Genesis Beast So what form will the Genesis Beast be next A crocodile A T Rex It was a creature that could turn into any form of prehistoric carnivore and generate its optimum hunting environment So would the guests survive this horrible creature or would they all succumb to the nature of the beast and give William his total immortality Can they find a way to beat it Only by reading this story can one discover this outcome and find out the thrilling outcome of a good versus evil plot

Discovering God in Science Charles E. Steele, 2009-07 Did the Big Bang create the universe Did life start by chance all without a cause Does God exist New discoveries in science are now pointing to the need for a Creator to explain the unexplainable Science is observing that many features of our universe could not have happened purely by chance Despite the academic dominance of philosophical naturalism and materialism many scientists are bravely putting forth the God Hypothesis as an alternate theory to the origin of the universe Yet many students are being bombarded by unbiblical theories when they go to school and they are thus losing their faith in God In events like these it is important to know how to articulate a Christian worldview If you are interested in a cutting edge debate between science and religion then *Discovering God in Science* is a must read Join new author Charles E Steele as he offers insight into this ongoing debate *Discovering God in Science* is sure to equip encourage and guide students of all ages in their faith in the Creator Charles E Steele has had a lifelong interest in astronomy and science He graduated from the University of Cincinnati with a B S in industrial design In 1969 he joined the U S Air Force where he was stationed at Ramstein A B West Germany His interest in science and technology has allowed him to be awarded 11 U S Patents He has been listed in Who's Who in the Midwest He currently lives in Michigan with his wife and mother where he remains semi active as a design consultant
