Shadows Gray Melyssa Williams, 2012-05-24 Sonnet Gray has problems and not just those of a typical 18 year old Her family is one of the Lost time travelers who have no power over their journeys Hopelessly old fashioned and yet more modern than most girls Sonnet speaks several languages and takes care of her motley crew back home by working in a coffee shop and playing guitar Over time the Lost leave behind those they love and pick up new characters along the way In twenty first century America Sonnet meets Emme a Lost young woman with a questionable line of work Luke a mysterious photographer and Israel a young doctor But no one can take the place of Sonnet s sister Rose who was left behind as a baby in the fifteenth century The ghost of her beckons from each time and place but what s real and what isn t Is Rose Gray trying to contact her before it s too late A ghost story with a sci fi Gothic romance twist **Shadows Gray** will keep you up at night wondering is the redemptive power of love enough to change history

Driver,2022-11-22 Churches around the world have been confronted by shame and culpability in widespread revelations of child sexual abuse In this book Jeffrey Driver who has served the Australian Anglican Church as both a diocesan bishop and archbishop explores some of the underlying cultural and theological influences that may have predisposed the possibility of abuse as well as the defensiveness and cover ups that sometimes followed The first responses of most churches to the revelations of abuse were of necessity mostly structural and programmatic Recognizing the institutional temptation to do only enough to settle a crisis Jeffrey Driver calls for something different from the churches Drawing on the imagery of Holy Saturday he encourages a deeper journey of reflection and change for churches and church leaders to linger reflectively in the grey spaces of loss and shame long enough to hear the voice of God addressing them through the vulnerable and the wounded once more calling the church back to itself and into a deeper humbler relationship with the world it is called to serve **Law and Religious Pluralism in Canada** Richard J. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
