Belief consider the most urgent reasons for doubting that religious claims in particular those embedded in the Christian tradition are likely to be true They develop a version of Christian faith that preserves the tradition s core insights but also gauges the varying degrees of certainty with which those insights can still be affirmed Along the way they address such questions as the ultimate origin of the universe the existence of innocent suffering the challenge of religious plurality and how to understand the extraordinary claim that an ancient teacher rose from the dead They end with a discussion of what their conclusions imply about the present state and future structure of churches and other communities in which Christian affirmations are made Coffee House Chronicles Set Josh McDowell, Dave Sterrett, 2011-01-07 This set includes all three books of the The Coffee House Chronicles Is the Bible True Really A Dialogue on Skepticism Evidence and Truth Who Is Jesus Really A Dialogue on God Man and Grace and Did the Resurrection Happen Really A Dialogue on Life Death and Hope With over 40 million books sold bestselling author Josh McDowell is no stranger to creatively presenting biblical truth Now partnering with fellow apologist Dave Sterrett Josh introduces a new series targeted at the intersection of story and truth The Coffee House Chronicles are short easily devoured novellas aimed at answering prevalent spiritual questions Each book in the series tackles a long contested question of the faith and then answer these questions with truth through relationships and dialogue in each story In Is the Bible True Really A Dialogue on Skepticism Evidence and Truth we meet Nick a college freshman at a state school in Texas Nick has his spiritual world turned upside down with what he hears in an introduction to religion class His questions turn into conversations as he dialogues with professors friends and family about the authenticity and authority of the Bible In Who is Jesus Really A Dialogue on God Man and Grace the group of students now meeting at the coffee house at a college town in Texas come face to face with the implications of the person and works of Jesus Christ Their questions and conversations lead them to creatively respond to a well known Atheist about Jesus claims and actions In Did the Resurrection Happen Really A Dialogue on Life Death and Hope the college campus is rocked by a shooting spree that leaves nine students dead Their up close experience with mortality allies the coffee house discussion group together to really wrestle with the spiritual and eternal ramifications of whether or not Jesus rose from the dead Don't Stop Believing Michael E. Wittmer, 2009-08-30 Must you believe something to be saved Does the kingdom of God include non Christians Is hell for real and forever These are big questions Hard questions Questions that divide Christians along conservative and liberal lines Conservatives love their beliefs and liberals believe in their love Each pushes the other to opposite extremes Fundamentalists imply that it doesn't matter how we live as long as we believe in Jesus while some Emergent Christians respond that it doesn't matter what we believe as long as we live like him Theologian Michael Wittmer calls both sides out of bounds and crafts a third way that retains the insights of each He examines ten key questions that confront contemporary Christians and shows why both right belief and right practice are necessary for authentic Christianity Here is an urgent reminder that best practices can only arise from true beliefs Genuine Christians never stop serving because they never stop

loving and they never stop loving because they never stop believing **Apologetics for the Twenty-First Century Louis** Markos, 2010-10-06 The vibrant and persuasive arguments of C S Lewis brought about a shift in the discipline of apologetics moving the conversation from the ivory tower to the public square The resulting strain of popular apologetics which weaves through Lewis into twentieth century writers like Francis Schaeffer and modern apologists like William Lane Craig Josh McDowell and Lee Strobel has equipped countless believers to defend their faith against its detractors Apologetics for the Twenty first Century uses Lewis s work as the starting point for an absorbing survey of the key apologists and major arguments that inform apologetics today Like apologists before him Markos writes to engage Christians of all denominations as well as seekers and skeptics His narrative man of letters style and short chapters make Apologetics for the Twenty first Century easily accessible for the general reader But an extensive and heavily annotated bibliography detailed timeline list of prominent apologists and glossary of common terms will satisfy the curiosity of the seasoned academic as the book prepares all readers to meet the particular challenges of defending the faith today Quid Pro Quirk James McClinton, PhD, 2014-04 Have you ever read a Bible passage that seemed to contradict other Scriptures or simply didn t make sense Have you ever wanted to answer a skeptic who insisted the Bible was full of errors but didn t know how to respond Do you hesitate to share your faith because you don't know what you believe or why you believe it Quid Pro Quirk seeks to resolve such issues and help you share the reason for the hope that is within you 1 Peter 3 15 In a legal context the Latin phrase guid pro guo means to exchange something for something or this for that Quid Pro Quirk uses a courtroom setting to exchange plausible explanations for alleged Bible quirks The compelling explanations can give you confidence as you add to your knowledge and understanding of God's Word In Quid Pro Quirk the prosecution begins with an opening statement establishing the background behind each alleged guirk and then finishes with a specific charge The defense responds using the Bible and other sources to dispute the charge After considering all of the evidence you act as judge and jury in rendering an informed verdict Quid Pro Quirk s explanations are as brief and concise as possible and yet remain faithful to the letter and spirit of God's Word in responding to a broad spectrum of charges A handy reference source for the layman that avoids dry and endless rhetoric Quid Pro Quirk focuses on the key facts that can bless you in your quest for God s truth THE YOUNG CHRISTIAN'S SURVIVAL GUIDE Donald T. Williams, 2019-07-19 Some of the questions asked and answered in THE YOUNG CHRISTIAN S SURVIVAL GUIDE are You claim the Bible is inspired because it says it is right 2 Tim 3 16 Isn t that circular reasoning You claim the Bible was inspired but there was no inspired list of which books that is true of So how can we know which ones to trust With so many different copies of manuscripts that have 400 000 variants errors how can we even know what the Bible says Why can t the people who wrote the four Gospels get their story straight Didn t the Council of Nicaea just arbitrarily pick the books for the Bible that they agreed with and suppress all the rest with political power People used to believe in miracles because they didn t understand science Don t we know better than that now That a man rose from

the dead takes a lot of believing How could you ever have enough evidence for a belief like that Science has proved that human beings evolved over millions of years rather than being created in six days Why are you still clinging to ancient myths Just because the Bible is true for you why does that make it true for me How can you base your modern life on a book that was written for a primitive culture Doesn t the Bible support genocide Doesn t the Bible support racism Doesn t the Bible support slavery Doesn t the Bible support homophobia Doesn t the Bible support the oppression and abuse of women There are so many religions all sincerely seeking the same goal What makes you Christians so arrogant that you think yours is the only way What about those who have never heard the Gospel If God is a God of love why did he let my loved one die How can it be just for God to impose an infinite punishment Hell forever for finite sins These questions will be asked and answered with reasonable rational Scriptural answers Mind the Gap ,2009 **Connecting Christ** Paul Louis Metzger, 2012-05-07 We live in a multifaith society an ever growing diverse cultural climate where no religion is viewed as having a monopoly on truth It is important when that Christ followers not only share the Word of God but also listen and learn how to interact meaningfully with those of diverse perspectives as we engage in life s most important conversations Connecting Christ encourages believers to be not only better communicators and witnesses but also listeners to people of other worldviews and traditions skills that are crucial in defending against today s negative connotations and ineffective approaches associated with Christian evangelism With extensive commentary from leaders of various walks of faith and life from Judaism to Islam and Buddhism to atheism theologian and author Dr Paul Louis Metzger offers a spiritual compass to help navigate the intimidating yet critical dialogue of conveying our faith in Christ Filled with practical guidance and insight into controversial topics such as hell fascism and homosexuality Connecting Christ reveals that there is a way of evangelizing that is neither disengaging monologue nor silent lifestyle ministry but is instead an approach for evangelism and dialogue to go hand in hand We must remove ourselves as the stumbling block to salvation for others and embrace a way to proclaim the uncommon compassionate God revealed in Jesus Christ the Savior this world is dying to know Thomas F. Really? Josh McDowell, Dave Sterrett, 2010-12-17 With over 40 million books sold bestselling author Josh McDowell is no stranger to creatively presenting biblical truth Now partnering with fellow apologist Dave Sterrett Josh introduces a new series targeted at the intersection of story and truth The Coffee House Chronicles are short easily devoured novellas aimed at answering prevalent spiritual questions Each book in the series tackles a long contested question of the faith and then answer these questions with truth through relationships and dialogue in each story In Who is Jesus Really A Dialogue on God Man and Grace the group of students now meeting at the coffee house at a college town in Texas come face to face with the implications of the person and works of Jesus Christ Their questions and conversations lead them to creatively respond to a well known Atheist about Jesus claims and actions The other two books in the series Is the Bible True Really and Did the Resurrection Happen Really continue the unfolding story at the college campus and the coffee house down the road **Don't Ouit Your Church** Ieffrev D. Brown, 2017-07-26 Don t Quit Your Church is a foundational philosophy of ministry that serves two distinct purposes First it serves as hope for struggling ministers who are suffering from perceived failure in the ministry and are strongly considering resigning their current position Secondly it offers insight to those who are at the beginning stages of discovering a biblical and unique approach to ministry The clergy of the postmodern era are in crisis The level of today s challenges have reached fever pitch and the church throughout most of the world is not able to hold her own ground When the daily news informs those of faith that the good fight is turning into a rout the church is forced to rethink her strategy This begins with the minister The stability of the minister's purpose and calling are of the utmost importance Unfortunately today's minister lives with many misconceptions about the work of the calling This has resulted in frustrated pastors consistent discouraging results souring relationships and eventually the minister chooses to walk away Don t Quit Your Church is a plea for the struggling minister to move from emotional reaction to thoughtful consideration and from frustration to resolve Serving as both a foundational philosophy of Christian ministry and a help in time of trouble this work should be read and reread by those who desire a ministry and approach that will endure during the difficult days ahead A Conversation between a Muslim and a Christian Peter Barnes, Mohamad Younes, 2023-07-13 There are many books which set out the case for Islam or for Christianity and point out what they regard as defects in the other religion This book does that but it seeks to do so in the form of a workbook which groups of Christians or Muslims might use and it is conducted in a spirit where truth is paramount but so too is kindness and civility The two authors have become friends and hope that this can be detected in the exchanges As the major doctrines of each religion are dealt with we are conscious that these doctrines are important and need to be examined rigorously and charitably We hope we have succeeded to some degree at least with Dr. James C. Dobson ,1999 Servants Leading Servants - 15 Signs of a REAL Servant Leader (FACILITATOR) Hermann Eben. Myths and Mistakes in New Testament Textual Criticism Elijah Hixson, Peter J. Gurry, 2019-11-05 A renewed interest in textual criticism has created an unfortunate proliferation of myths mistakes and misinformation about this technical area of biblical studies Elijah Hixson and Peter Gurry along with a team of New Testament textual critics offer up to date accurate information on the history and current state of the New Testament text that will serve apologists and offer a self corrective to evangelical excesses Why Early A.A.
