**Igniting a Passion for Reading** Steven Layne, 2023-10-10 When teaching reading American classrooms often focus exclusively on skills instruction But how can you teach the how without the why In his new book Igniting a Passion for Reading Steve Layne shows teachers how to develop readers who are not only motivated to read great books but also love reading in its own right Packed with practical ways to engage and inspire readers from kindergarten through high school this book is a must have on every teacher s professional book shelf Well known for his children s books young adult novels and keynote speeches across the nation and around the world Steve aka Dr Read offers teachers everywhere a plan for engaging even the most reluctant reader From read alouds to creating reading lounges to author visits and so much more this book will help schools create a vibrant reading culture The book also includes reminiscences from many of today s well known children s and young adult authors Mem Fox Sharon Draper Steven Kellogg Candace Fleming Eric Rohman Neal Shusterman and Joan Bauer about the teacher who ignited their passion for reading Written with humor grace and poignancy Igniting a Passion for Reading will have a profound effect on the teaching of reading in our nation s schools

**Readicide** Kelly Gallagher, 2023-10-10 Read i cide The systematic killing of the love of reading often exacerbated by the inane mind numbing practices found in schools Reading is dying in our schools Educators are familiar with many of the factors that have contributed to the decline poverty second language issues and the ever expanding choices of electronic entertainment In this provocative book Readicide How Schools are Killing Reading and What You Can Do About It author and teacher Kelly Gallagher suggests it is time to recognize a new and significant contributor to the death of reading our schools Readicide Gallagher argues that American schools are actively though unwittingly

furthering the decline of reading Specifically he contends that the standard instructional practices used in most schools are killing reading by Valuing standardized testing over the development of lifelong readers Mandating breadth over depth in instruction Requiring students to read difficult texts without proper instructional support and insisting students focus on academic texts Ignoring the importance of developing recreational reading Losing sight of authentic instruction in the looming shadow of political pressures Readicide provides teachers literacy coaches and administrators with specific steps to reverse the downward spiral in reading steps that will help prevent the loss of another generation of readers *Reid's Read-Alouds*
