Race and Utopian Desire in American Literature and Society Patricia Ventura, Edward K. Chan, 2019-10-12 Bringing together a variety of scholarly voices this book argues for the necessity of understanding the important role literature plays in crystallizing the ideologies of the oppressed while exploring the necessarily racialized character of utopian thought in American culture and society Utopia in everyday usage designates an idealized fantasy place but within the interdisciplinary field of utopian studies the term often describes the worldviews of non dominant groups when they challenge the ruling order In a time when white supremacy is reasserting itself in the US and around the world there is a growing need to understand the vital relationship between race and utopia as a resource for resistance Utopian literature opens up that relationship by envisioning and negotiating the prospect of a better future while acknowledging the brutal past The collection fills a critical gap in both literary studies which has largely ignored the issue of race and utopia and utopian studies which has said too little about race

In Poe's Wake Jonathan Elmer, 2024-06-05 Edgar Allan Poe is one of American culture's most iconic figures inspiring countless derivations beyond the literary realm from commercial illustration and kitch to art installations and video games Why has Poe been so hugely influential in media other than his own What do filmmakers composers and other artists find in Poe that suits their purposes so often and so variously Poe's works are violent and brooding memorable both for certain grisly images and for certain prevailing moods dread creepiness mournfulness They are in other words distinctly graphic and richly atmospheric Jonathan Elmer locates the source of Poe's fascination for artists

in these two vernacular aesthetic categories the graphic and the atmospheric and how well they describe our experience of the multi media world Elmer uses Poe to explore these two terms and track some deep patterns in their use not through theoretical labor but through close encounters with a wide sampling of aesthetic objects that avail themselves of Poe's work Poe we learn has come to exemplify a modern method of aesthetic production It is as if he left his box of tools lying around for others to pick up and play with The bundle of Poe traits his thematic emphasis on extreme sensation his flexible sense of form his experimental and modular method his iconic personal profile amount to what could be called a Poe brand one as likely to be found in music videos or comics as in novels and stories Ranging from Ren Magritte and Claude Debussy to Lou Reed Roger Corman and Spongebob Squarepants Elmer shows how the Poe brand opens trunk lines to aesthetic experiences fundamental to a multi media world

Novel Subjects Leah A. Milne, 2021-07-01 How does contemporary literature contend with the power and responsibility of authorship particularly when considering marginalized groups How have the works of multiethnic authors challenged the notion that writing and authorship are neutral or universal In *Novel Subjects* Leah Milne offers a new way to look at multicultural literature by focusing on scenes of writing in contemporary works by authors with marginalized identities These scenes she argues establish authorship as a form of radical self care a term we owe to Audre Lorde who defines self care as self preservation and an act of political warfare In engaging in this battle the works discussed in this study confront limitations on ethnicity and nationality wrought by the institutionalization of multiculturalism They also focus on identities whose mere presence on the cultural landscape is often perceived as vindictive or willful Analyzing recent texts by Carmen Maria Machado Louise Erdrich Ruth Ozeki Toni Morrison and more Milne connects works across cultures and nationalities in search of reasons for this recent trend of depicting writers as characters in multicultural texts Her exploration uncovers fiction that embrace unacceptable or marginalized modes of storytelling such as plagiarism historical revisions jokes and lies as well as inauthentic invisible and unexceptional subjects These works ultimately reveal a shared goal of expanding the borders of belonging in ethnic and cultural groups and thus add to the ever evolving conversations surrounding both multicultural literature and self care

theory Levy Hussen examines how works by Toni Morrison David Bradley Octavia Butler Charles Johnson and others represent and mediate social injury and collective grief In the criticism that surrounds these novels she identifies two major interpretive approaches therapeutic reading premised on the assurance that literary confrontations with historical trauma will enable psychic healing in the present and prohibitive reading anchored in the belief that fictions of returning to the past are dangerous and to be avoided Levy Hussen argues that these norms have become overly restrictive standing in the way of a more supple method of interpretation that recognizes and attends to the indirect unexpected inconsistent and opaque workings of historical fantasy and desire Moving beyond the question of whether literature must heal or abandon historical wounds Levy Hussen proposes new ways to read African American literature now **Played Out** Brandon J.

Manning,2022-02-11 Dating back to the blackface minstrel performances of Bert Williams and the trickster figure of Uncle Julius in Charles Chesnutt s *Conjure Tales* black humorists have negotiated American racial ideologies as they reclaimed the ability to represent themselves in the changing landscape of the early 20th century Marginalized communities routinely use humor specifically satire to subvert the political social and cultural realities of race and racism in America Through contemporary examples in popular culture and politics including the work of Kendrick Lamar Key and Peele and the presidency of Barack Obama and many others in *Played Out* The Race Man in 21st Century Satire author Brandon J Manning examines how Black satirists create vulnerability to highlight the inner emotional lives of Black men In focusing on vulnerability these satirists attend to America s most basic assumptions about Black men Contemporary Black satire is a highly visible and celebrated site of black masculine self expression Black satirists leverage this visibility to trouble discourses on race and gender in the Post Civil Rights era More specifically contemporary Black satire uses laughter to decenter Black men from the socio political tradition of the Race Man **Antarctica in Fiction** Elizabeth Leane,2012-06-29

American Graphic Rebecca B. Clark,2022-12-06 What do we really mean when we call something graphic In *American Graphic* Rebecca Clark examines the graphic as a term tellingly at odds with itself On the one hand it seems to evoke the grotesque on the other hand it promises the geometrically streamlined in the form of graphs diagrams and user interfaces Clark s innovation is to ask what happens when the same moment in a work of literature is graphic in both ways at once Her answer suggests the graphic turn in contemporary literature is intimately implicated in the fraught dynamics of identification As Clark reveals this double graphic indexes the unseemliness of a lust in our current culture of information for cool epistemological mastery over the bodies of others Clark analyzes the contemporary graphic along three specific axes the ethnographic the pornographic and the infographic In each chapter Clark s explication of the double graphic reads a canonical author against literary visual and or performance works by Black and or female creators Pairing works by Edgar Allan Poe Vladimir Nabokov and Thomas Pynchon with pieces by Mat Johnson Kara Walker Fran Ross Narcissister and Teju

Cole Clark tests the effects and affects of the double graphic across racialized and gendered axes of differences American Graphic forces us to face how closely and uncomfortably yoked together disgust and data have become in our increasingly graph ick world
