Quest And Crew By David Beaupre:

Quest and Crew (Illustrated Edition) David Beaupre, 2014-12-18 Quest and Crew is a classic adventure story set in paradise aboard one of Canada's best built ocean cruising sailboats. The book is the true account of how a husband and wife become captivated by the dream of sailing the blue waters of the Caribbean. Quest and Crew is all about overcoming challenges and following a dream. It is a humorous and inspiring account of transforming a beautiful classic sailing yacht and her rookie crew into a well-seasoned team prepared to meet the dangers of the open ocean. The story opens with a major hurricane approaching the south coast of Grenada. David, Wendy, and Quest survive the fiercest storm in the Caribbean with barely a scratch. The narrative then circles back to when David first discovered the crazy idea of sailing to paradise. Join David and Wendy as they sail into the sunset.

Quest and Crew David Beaupre, 2014-05-23 How many times have you had that overpowering urge to leave it all behind and sail off to a tropical island? The desire of the ordinary landlubber to go to sea is as old as mankind itself. Here is the true story of how my wife and I became captured by the powerful allure of the sea. This is book one of a four-book series. Quest and Crew begins hours before a hurricane of unimaginable destructive force obliterates the south shore of Grenada. Luckily, Quest survives without a scratch. It's a story about how life's many twists and turns, fortune and disaster, can change your path but make you stronger. In chapter three, you will discover how Quest gained a new lease on life with a complete retrofit in the backwoods of our home in North Carolina. Soon you will be off to North Palm Beach, Florida. On a clear starry night, we leave America behind and sail over the horizon on a hope enveloped by a dream. We are at the beginning of our new adventure. Sailing and anchoring one island at a time, we earn our stripes the hard way as we cruise through the northern Bahamas. Quest and Crew is a glimpse into the powerful attraction of sailboats and sapphire water. It is all about the joy of success as well as what it takes to overcome the occasional disaster. From beginning to end, the book is about transforming a rookie crew and beautiful old boat into a sailing adventure. Come for the hurricane, stay for the story.

Quest in the Caribbean David Beaupre, 2016-04-14 The final book in the Quest series is Quest in the Caribbean. Wendy and I have become full-time sailors. The sea has been kind to us. It has been our home, a very strict master and unforgiving teacher. We slowly learned our lessons of seamanship, one day at a time. But more importantly, we learned a great deal about each other and what it takes to be good companions on a tiny boat. Quest for the Caribbean begins on a beautiful day in the British Virgin Islands. When we pass through the dangerous narrow reef strewn passage in Virgin Gorda and enter the Caribbean, we are one boat length closer to fulfilling our dream. There are many more islands to explore and miles to sail before the journey is complete. Some of the wonders that await our eager eyes are Saba, the fabled island in the clouds, and the neighboring island of Statia. The serenely beautiful island of Nevis, Montserrat's volcanoes, the gentle people of Dominica, Saint Lucia, and the Grenadines all enrich our lives. Quest for the Caribbean ends on the south shore of Grenada as we are about to fulfill a destiny that was many hard years in the making.

Quest on the Thorny Path David

Beaupre,2014-12-30 Not all trips to paradise are smooth sailing Quest on the Thorny Path is the second book of the Quest series Leave the laid back cruiser hangout of Georgetown Bahamas behind and hit the big ocean waves for the first time From Georgetown we take the path less traveled through the deserted out islands of the Bahamas After a short stay in the Turks and Caicos we follow a route along the north coast of Hispaniola that Christopher Columbus appropriately named the Thorny Path The book is a true adventure about overcoming fear and dangerous challenges in one of sailing s harshest proving grounds Bashing through heavy seas and strong headwinds on a lee shore isn t for everyone But at least you can read about it

Quest for the Virgins David Beaupre,2015-04-23 We are anchored in a windswept bay in the Dominican Republic on our way to Puerto Rico There is no turning back now The gear is stowed hatches battened and the sails reefed We are about to venture into the dreaded Mona Passage between Hispaniola and Puerto Rico Once we are in PR we will have a leisurely sail along the beautiful south coast But we have to survive the Mona Passage first Will she be kind to us It is my pleasure to have you come along for the third book in the Quest series Included in our itinerary is Vieques St Croix St John and a little fling with Virgin Gorda With a unique perspective for the almost unnoticed Quest for the Virgins will deliver an uncommon perspective on one of the busiest cruising grounds in the world Be whisked away to warm tropical destinations for a humorous glimpse into the life aboard a sailboat in the Caribbean *B to B.* ,2000-07 [The National Dean's List](#)
