near it even though it seems terribly important to Joey's father and uncle. Because the chair is part of a family tradition, a tradition in which Joey must take his place no matter how terrifying. Case White Thomas Sullivan, No work of fiction or nonfiction has done what CASE WHITE does in this monumental new novel by USA Today Best selling author Thomas Sullivan. Set in the era of two world wars, this comprehensive work weaves together the bizarre mythology and eccentric beliefs that explain how a nation went insane for 12 years. Told through the compelling lives and loves of a pair of very unique characters, this tour de force will take you into a radical blend of religion and myth, frighteningly similar to what is going on in parts of the world today. Certain to be a benchmark work of elegantly written fiction and historical perspective, CASE WHITE delivers a poignant people story played out on a grand stage. *Jeff Herman's Guide to Book Publishers, Editors and Literary Agents 2006* Jeff Herman, 2005-10. Now updated for 2008, this annual edition of the classic bestselling directory provides everything working writers need to find the most receptive publishers, editors, and agents for their work.

Barrie, 2009-01-13. This Australian story exhibits all the colour and harshness of life in post-war inner Sydney. With alcohol abuse adding to the austerity of the boys' early lives, there is a rapid progression into crime and the welfare system. Intrigue and conspiracy in the seminary and the failure of the Roman Catholic Church to ensure the safety of the boys in care provides the background. Problems are exacerbated by the laxity of the celibate hierarchy and a cover-up. The hunt for the killer and the unusual ending makes for an intriguing plot. A carefully balanced international theme with much left to the reader's imagination. A marvellously well-plotted topical novel, a cracker of a tale, engrossing and a sensitive treatment of the subject of paedophilia and murder.
