Edelheit, 2020-02-27 What Am I Missing Illuminates the difficult life lesson that everyone is missing something in their lives This truth includes six significant characters of the Hebrew Bible Abraham and Rachel Moses and Miriam and David and Esther Using texts from the Hebrew Bible as our source of interpretation we search for the meaning of what is missing in each of them and ourselves These challenges provoke questions that have no simple answers and stimulate us to reflect on being a human with purpose and hope today Lessons from the Porch Ed Poole, 2003 Lessons from the Porch is Ed Poole's thoughtful memoir of life's lessons which he shares with endearing charm and good natured heart The book is a thoughtful journey and an engaging reminiscence Lessons from the Porch will allow the reader to consider questions such as Have you wondered how you arrived at your current stop along your journey Have you ever asked the question What am I supposed to be learning from this experience How can I leave this world a bit better than it was when I found it Although written about his own experience battling depression the book is meant for anyone embarking on a journey to know themselves and cultivate new friendships We all have places from which we learn life's lessons For some it may be sitting beside a meandering stream For this author the place to which he returned to understand his journey was the porch that surrounded his house as he grew up Metaphorically Poole's porch represents how he either has or has not accepted changes in his life The dilemma about how and when to leave his porch goes back to his early boyhood when his mom would always say Eddie don't get too close to the edge of the porch because you might fall off **The Mother and the Manager** Elizabeth Ralston, 2014-08-22 In The Mother And The Manager Elizabeth Ralston courageously explores how our traditional gender roles create codependent behaviors in men and women and offers positive workable solutions toward dealing with this problem The Mother And The Manager takes an in depth look at how our society has evolved and impacted gender roles into the twenty first century As 12 Step recovery groups have flourished in recent years women have been educated about why they have issues such as low self esteem perfectionism rigidity relationship failures inability to get their needs met and fear of conflict Elizabeth has bravely shared about how patriarchy has impacted her life and how recovery has helped her to empower and heal herself She will help many who are searching for answers to their questions and will help them on the road to recovery I salute her ability to face her fears about rocking the boat in writing this book and taking the risk to speak her truth and stay on her God inspired path Ginger S Edwards Licensed Professional Counselor Licensed Addictions Specialist Specializing in Codependency and Trauma From a Culture of Dependency to a Culture of Success Y.S. Wishnick, 2011-11-23 There is an old story of a famous business tycoon that was near death His lifelong business partner approached him on his deathbed and asked if he'd like to see his great grandchild The business executive opened his eyes and whispered in his associate's ear No my friend I do not want to know what I've missed More and more Americans are missing out on the greatness of their country its passion for excellence its commitment to the dignity and self worth of each individual

and its belief that every person has the right to achieve their own vision for success Chaos confusion disappointment and hopelessness have pushed and pulled Americans into a state of dependency From the individual to the family to our local communities Americans are constantly looking for others to solve the problems and challenges they face This has lead to victimology class warfare and ultimately bad public policy where a culture of dependency is becoming the new normal As people think themselves into believing that they cant make it on their own they are rejecting their own potential and capacity to act Worse they are missing out on the person they were destined to become
