New Orleans Detective Dave Robicheaux has fought too many battles in Vietnam, with police brass, with killers and hustlers, and the bottle. Lost without his wife's love, Robicheaux haunts the intense and heady French Quarter, the place he calls home and the place that nearly destroys him when he becomes involved in the case of a young prostitute whose body is found in a bayou. Thrust into the seedy world of drug lords and arms smugglers, Robicheaux must face down the criminal underworld and come to terms with his own bruised heart and demons to survive. **James Lee Burke and the Soul of Dave Robicheaux** Barbara Bogue, 2015-01-27 When he created the character Dave Robicheaux, author James Lee Burke lent the New Orleans homicide detective a few of his own characteristics: a daughter named Alafair, a lifetime struggle with alcohol, his Roman Catholic faith, and his love for fishing and the outdoors. On the other hand, Robicheaux is portrayed as a veteran of the Vietnam War, something Burke never experienced firsthand. Yet the demons Burke has known allow him to write convincingly about demons he never knew. Thus, Burke has created a realistic, complex, and compelling protagonist for his crime fiction series. That depth is one element that elevates Burke's writing above the status of genre fiction. This book explores how James Lee Burke, through the first person narrative

of detective Dave Robicheaux probes the world of law and order crime and disorder and one man's internal conflicts with modern moral issues The first chapter reveals the similarities and differences between real life creator and fictional protagonist Next chapters arranged by theme explore the roles of women Robicheaux's paternal side as revealed through his adopted daughter the paternal influences in the detective's own life and the contrasting personality of his half brother Jimmie The next chapters probe the roots of the detective's moral dilemmas his battle with alcohol the Vietnam war's lingering trauma and religion Next the author explores Burke's use of the supernatural sense of place and music to deepen his stories Final chapters delve into Robicheaux's moral quandaries as a law enforcement officer the character's contrast to his reckless and funny partner Clete and how Burke reveals truths about life through Robicheaux An interview with Burke is included

When the authorities insist only three bodies were recovered from the plane, Robicheaux decides to investigate the mystery of the missing man.

James Lee Burke is an acclaimed writer of crime novels in which protagonists battle low-life thugs who commit violent crimes and corporate executives who exploit the powerless. He is best known for his Dave Robicheaux series set in New Orleans and the surrounding bayou country. With characters inspired by his own family, Burke uses the mystery genre to explore the nature of evil and an individual's responsibility to friends, family, and society at large. This companion to his works provides a commentary on all of the characters, settings, events, and themes in his novels and short stories, along with a critical discussion of his writing style, technique, and literary devices. Glossaries describe the people and places and define unfamiliar terms. Selected interviews provide background information on both the writer and his stories.
