a community of steady men and wayward boys and women who make jam but still feel the ghostly breath of Cora Hadley with her green fingers As a second century draws to a close and summer visitors from the cities take over the countryside the house can barely hold all its ghosts but the tragedies are not over With a sense of place that is uncanny and vividly real characters whose lives don't run smooth and whose stories loop together across space and time this is a remarkable haunting and accomplished work from a favourite novelist an irresistible fiction about a house for all seasons *My Son Wears Heels* Julie Tarney,2016-09-06 A loving mother shares her journey of parenting a gender creative child from toddler to adult
