4th and Goal Monte Burke, 2012-09-18 In this powerful and inspiring true story follow Joe Moglia's legendary career transition from head football coach at Coastal Carolina University to the CEO of TD Ameritrade one of the country's most successful financial firms If you're a football fan this is a book you must read Bill Cowher former coach of the Pittsburgh Steelers As a kid growing up in a rough and tumble neighborhood in New York City Joe Moglia dreamed of someday becoming the head coach of a college football team not of becoming a corporate titan But sometimes life gets in the way of our dreams By the time Joe was in his early 30s he had risen through the high school and college football ranks to become the defensive coordinator at Dartmouth His dream was very much within reach Problem was Joe wasn't making enough money to support his growing family Faced with the hard choice between chasing his lifelong dream and supporting his wife and four young kids Joe did the honorable thing He walked away from football and went to Wall Street to try to find a job that would foot the bills at home Joe had no training in finance He had no MBA His resume reflected his coaching accomplishments and his teaching jobs And yet somehow through grit and determination he was able to land an entry level position at Merrill Lynch Fast forward 25 years later Joe had reached the business world's mountaintop He was the CEO of TD Ameritrade one of the country's most successful financial firms He was recognized as one of the most respected corporate chiefs in America But over all those years Joe never shook his passion for coaching football In 2008 he made a fateful and stunning decision He voluntarily walked away from his high paying corporate job to do the one thing he'd left undone in his life He decided to pursue his original passion for becoming a college football head coach Getting hired as a college coach proved incredibly difficult College athletic directors told him it was an impossible feat He'd been out of football for nearly three decades Undaunted and at age 60 Joe became an unpaid intern with the University of Nebraska's football team in 2009 and 2010 In 2011 he was named the head coach of the Omaha Nighthawks of the United Football League a professional league teetering on the brink of financial collapse It was a risky proposition but one he felt he needed to take to prove to his naysayers that he could coach a college team Failure would mean the death of a dream that refused to die As told by Forbes writer Monte Burke 4th And Goal is a detailed account of Joe Moglia's amazing and uplifting life story his quest for his ultimate dream and its stunning conclusion It's a tale of overcoming adversity of never giving up of never losing sight of one's true goals in life It is a story quite literally of a dream deferred but never forgotten **Saban** Monte Burke, 2016-08-02 Monte Burke profiles head coach of University of Alabama's football team Nick Saban perhaps the most enigmatic man in the sport Unpredictable in his professional loyalties uncompromising in his vision and unyielding in his pursuit of perfection the highest paid coach in college football has changed the face of the game His program building skills have delivered packed stadiums rabid fans hundreds of millions of dollars legions of detractors countless NFL draft picks and a total of four national championships including three in the last six years **Congressional Record** United States.
