Beard,Ricia Anne Chansky,2023-01-10 What is an American identity The tension between populism and pluralism between homogeneity and heterogeneity has marked the United States since its inception In The Divided States leading scholars and critics argue that the US is and has always been a site where multiple national identities intersect in productive and challenging ways Scrutinizing conflicting nationalisms and national identities the authors ask Whose stories get told and whose do not Who or what promotes the idea of a unified national identity in the United States How is the notion of a unified national identity disrupted What myths and stories bind the US together How representative are these stories What are the counternarratives And if the idea of national homogeneity is a fallacy what does tie us together as a nation Working across auto biography studies American studies and human geography all of which deal with the current interest in competing narratives alternative facts and accountability the essays engage in and contribute to critical conversations in classrooms scholarship and the public sphere The authors draw from a variety of fields including anthropology class analysis critical race theory diasporic refugee and immigration studies disability studies gender studies graphic and comix studies Indigenous studies linguistics literary studies sociology and visual culture And the genres under scrutiny include diary epistolary communication digital narratives graphic narratives literary narratives medical narratives memoir oral history and testimony This fresh and theoretically engaged volume will be relevant to anyone interested in the multiplicity of voices that make up the US national narrative     *Nation's Report Card: U.S. History 2010* Samantha Burg,2011     Hollywood or History? Lisa K. Pennington,Donna Fortune,Mary E. Tackett,Paige Horst,Meghan A. Kessler,2024-09-01 Teaching and learning through Hollywood or commercial film and television productions is anything but a new approach and has been something of a mainstay in the classroom for nearly a century However purposeful and effective instruction through film is not problem free and there are many challenges that accompany classroom applications of Hollywood motion pictures In response to the problems and possibilities associated with teaching through film we are developing a collection of practical classroom ready lesson ideas that might bridge gaps between theory and practice and assist teachers endeavoring to make effective use of film in their classrooms We believe that film can serve as a powerful tool in the social studies classroom and where appropriately utilized foster critical thinking and civic mindedness The NCSS College Career and Civic Life C3 framework represents a renewed and formalized emphasis on the perennial social studies goals of deep thinking reading and writing We believe that as teachers endeavor to digest and implement the platform in schools and classrooms across the country the desire for access to structured strategies that lead to more active and rigorous investigation in the social studies classroom will grow increasingly acute Our hope is that this edited book might play a small role in the larger project of supporting

practitioners specifically K 6 teachers of social studies content by offering a collection of classroom ready tools based on the Hollywood or History strategy and designed to foster inquiry through the careful use of selected motion pictures and television productions
