engagingly excavates the story of this essential matter Movement Nicole Gelinas,2024-11-05 A gripping account of how the automobile has failed NYC and how mass transit and a revitalized streetscape are vital to its post pandemic recovery In 1969 as all students of New York City history think they have learned master builder Robert Moses lost his long battle to urbanist Jane Jacobs over his planned Lower Manhattan Expressway The ten lane elevated expressway would have sliced across SoHo and Little Italy demolishing historic buildings and displacing thousands of families and businesses Jacobs and her neighbors defeated Moses and as a result New York became the only major American city with no interstate highway running through its core Like many global cities though New York had spent fifty years during the first half of the twentieth century trying and failing to tame its heavily populated landscape to fit the private automobile New York has now spent more than fifty years trying to undo those mistakes wresting back city space for people not cars Movement New York s Long War to Take Back Its Streets from the Car chronicles the earlier less known battles that preceded the cancellation of the Lower Manhattan Expressway Jacobs became an example for generations of urban planners but whose example did Jacobs emulate in an earlier victory that saved Washington Square Park Moses may serve handily as New York s uber villain now but who before him was responsible for destroying a critical part of New York s transit system A well respected urban writer who has focused on New York s transportation system for more than a decade author Nicole Gelinas resumes the story where Robert Caro s landmark The Power Broker ended Movement explores how in the half century leading up to the COVID 19 pandemic New York s re embracement of its mass transit system and a livable streetscape helped save the city Gelinas tackles the 1970s environmental movement the 1980s rebuilding of the subways and more contemporary battles from Mayor Bloomberg s push for more pedestrian plazas and bike lanes in the early 2000s to transportation advocates protests to prevent traffic deaths in the Mayor de Blasio era of the 2010s to how New York s stewardship of its streets and subways have played a critical role during the 2020 pandemic and subsequent recovery Introducing a cast of transportation heroes to rival Jane Jacobs Shirley Hayes Hazel Henderson Richard Ravitch Nilka Martell and puncturing the myth of Moses as New York s anti hero Movement explores how New York City has helped redefine what it means to be a global city not a place that is easy to drive through but a place where people can take transit walk and bike to work to school or just for fun Language, Space and Cultural Play Lionel Wee,Robbie B. H. Goh,2020 A multimodal approach to linguistic landscapes that analyses the affective regimes of different landscape categories **Ethical Ripples of Creativity and Innovation** Seana Moran,2016-04-08 If we are going to promote creativity as an ideal to strive toward shouldn t we make sure we also instill ethical anticipation so our creative contributions produce a better world rather than chaos and waste Creativity drives cultural development We all directly or indirectly collaborate in the creation of culture and we are jointly responsible for the way that culture develops The goals and decisions we make as both creators and adopters pave pathways into the future for us all Instead of merely reflecting on past events Ethical Ripples of Creativity and Innovation educates for profection

through cases that present what might be scenarios for creative contributions that are emerging into mainstream culture stimulating real time thinking about creativity in action This book offers the opportunity to strengthen ethical anticipation by considering the possibilities streaming from current creative offerings that affect our bodies emotions selves and social interactions

False Alarm Bjorn Lomborg,2020-07-14 An essential Times UK and meticulously researched Forbes book by the skeptical environmentalist argues that panic over climate change is causing more harm than good Hurricanes batter our coasts Wildfires rage across the American West Glaciers collapse in the Arctic Politicians activists and the media espouse a common message climate change is destroying the planet and we must take drastic action immediately to stop it Children panic about their future and adults wonder if it is even ethical to bring new life into the world Enough argues bestselling author Bjorn Lomborg Climate change is real but it s not the apocalyptic threat that we ve been told it is Projections of Earth s imminent demise are based on bad science and even worse economics In panic world leaders have committed to wildly expensive but largely ineffective policies that hamper growth and crowd out more pressing investments in human capital from immunization to education False Alarm will convince you that everything you think about climate change is wrong and points the way toward making the world a vastly better if slightly warmer place for us all
