time she was newly married at fifteen Pamela's husband forbade her any contact with outsiders including her own family She'd been raised to believe that her throat would be slit and her blood sprinkled on the soil if she ever tried to escape But in 2000 at age thirty four she knew that if she and her children didn't escape they would die The Dirt Beneath the Door follows their desperate flight across the Mexican border with only the clothes on their backs two vehicles and two tanks of gas a five dollar bill and two credit cards her husband had secretly taken out in her name Once settling in Minnesota Pamela must use her own resilience and grit as a mother to support her children and build an independent life for her family with less than a fifth grade education all while exploring the life and liberties that had been denied to her for so long An unforgettable testament to the power of hope and resilience The Dirt Beneath Our Door is an epic and harrowing tale of finding freedom believing in yourself and achieving the American Dream **Travels with Time Share** Lynne Bodry Shuman,2012-01-04
