the British Aristocracy 1990 the power of Britain's landed elite declined but they remain far from extinct One third of Britain's land still belongs to the aristocracy Moreover partly inspired by Cannadine's book we now know much more about the ways in which the aristocracy established their hold on modernity and how they have lasted so long Many key questions remain How much was this a distinctively British story to what extent were things different in Scotland Wales and Ireland Does decline and fall accurately describe what happened to landed elites in other countries particularly in western Europe or amongst assimilated elites such as Jews Was the soft power of the aristocracy their role in the arts philanthropy and higher education as significant as their political and economic sway How dependent on the colonies and also the USA were the British aristocracy for their wealth in the first place and how did their role overseas change their profile at home This volume brings together a wide ranging group of scholars to explore *The Decline and Fall* developing its themes in new ways and investigating other aspects for the first time

Irish country house spanning the revolutionary years of 1912 to 1923 During the Irish Revolution nearly three hundred country houses were burned to the ground These Big Houses were powerful symbols of conquest plantation and colonial oppression and were caught up in the struggle for independence and the conflict between the aristocracy and those demanding access to more land Stripped of their most important artifacts most of the houses were never rebuilt and ruins such as Summerhill stood like ghostly figures for generations to come Terence Dooley offers a unique perspective on the Irish Revolution exploring the struggles over land the impact of the Great War and why the country mansions of the landed class became such a symbolic target for republicans throughout the period Dooley details the shockingly sudden acts of occupation and destruction including soldiers using a Rembrandt as a dart board and evokes the exhilaration felt by the revolutionaries at seizing these grand houses and visibly overturning the established order
