Companies that consistently negotiate more valuable agreements in ways that protect key relationships enjoy an important
but often overlooked competitive advantage Until now most companies have sought to improve their negotiation outcomes by
sending individuals to training workshops But this new groundbreaking book using real world examples from leading
companies shows a more powerful and less expensive way to achieve this In *Built to Win* authors Susskind and Movius argue
that negotiation must be a strategic core competency Drawing on their decades of training and consulting work as well as a
robust theory of negotiation the authors provide a step by step model for building organizational competence They show why
the approach of training and more training is a weak strategy The authors also describe the organizational barriers that so
often plague even experienced negotiators and recommend ways of overcoming them *Built to Win* explains the crucial role
that leaders must play in setting goals aligning incentives pinpointing metrics and supporting learning platforms to promote
long term success A final chapter provides practical how to tools to help you start your own organizational improvement
process This book will be invaluable to CEOs senior level managers HR business leaders human resource professionals sales
and purchasing managers and others who negotiate regularly **Changing the Corporate Landscape** Jean Otte,2004
