A Walk in My Shoes D. Rod Lloyd, 2023-01-01 Autobiography by D Rod Lloyd transitioning from an English background to a US adulthood Learn what small things growing up formed the basis of the man They say to truly know and understand a man you need to walk a mile in his shoes Here is an opportunity to walk in my shoes and get to know me a little There have been many autobiographies written by famous people or those who have made some notable contribution making their story sought after I write this not as a famous or prominent person but as an average lad for those who are interested to see what my average life has consisted of and to truly see where I am coming from I wish my grandparents had written such a book for me to know them better In school I was the worst writer and speller Now I am writing as a published author This book has helped me understand my past and put all the pieces into perspective understand how each experience has affected and influenced my life Getting started was the hardest part Once I started writing I became addicted and consumed I couldn't stop It was almost like I needed to see where I came from and where it was taking me They say when you have a near death experience your life flashes before you Writing your own life story is a much more civilized way to get what I assume is the same experience It is a fascinating journey revisiting one's own life Our memories are stored in the mind as little pockets of isolated information Writing this book has allowed me to consolidate the memories into a logical and chronological order

Rod Lloyd, 2023-01-22 The thought of Mold in your home terrifies many people And rightly so Some Molds are very harmful The first instinct is to call a professional mold inspector who will likely charge hundreds of dollars to perform an inspection you can do yourself In fact the chances are you can and will do a better job Inspectors want to get in get out and get paid You have more time more opportunity and more at stake to poke into every corner and know the history Be more thorough A mold inspector will likely recommend professional remediation That's a big word that will cost Big money Most likely you will be able to do most or all the work Money From Mobiles By an Old Pro D.
