Afghanistan Mullah Marx And Mujahid:

Afghanistan Ralph H Magnus, Eden Naby, 1998 In this broad introductory volume Ralph Magnus and Eden Naby whose intimacy with Afghanistan spans three decades each detail the country's physical situation human environment and modern history as well as the rise and fall of competing internal forces most recently the Taliban The authors offer analytical insight into Afghanistan's political position within the restructured Central Asian region the ethnic relationships that complicate its political history and the potential for stability

Counterinsurgency In Eastern Afghanistan 2004-2008: A Civilian Perspective Robert Kemp, 2014-12-22 After the 2001 ouster of the Taliban from Afghanistan the United States and its allies found themselves in a country devastated by a series of wars This book looks at how working with their Afghan counterparts they engaged in a complex effort to rebuild security development and governance all while fighting a low intensity war

Satanic Purses R.T. Naylor, 2006-08-03 In a savage critique R T Naylor investigates the American government's understanding of and response to 9 11 exposing the official story and the resulting global War on Islamic Terror as based on myth and misinformation Satanic Purses examines how misguided notions about the structure and financing of terrorist groups have diverted attention from more useful measures and perpetuated the War on Terror

US-Pakistan Relationship A.Z. Hilali, 2017-07-05 Hilali provides an excellent study into the US Pakistan partnership under the Reagan administration The book explores the causes of Pakistan's involvement in the Afghanistan war and the United States support to prevent Soviet adventurism It shows that Pakistan was the principal channel through which assistance was provided to Afghan freedom fighters it also provided access to its military bases to use against the Soviet Union The study looks at the consequences of the war on Pakistan and explains how it became enmeshed within its domestic politics Furthermore it evaluates the role of Pakistan as a key partner in the global coalition against terrorism and discusses how General Pervez Musharraf brought about Pakistan's development towards a progressive moderate and democratic society Ideally suited to courses on foreign policy

Religion and Politics in South Asia Ali Riaz, 2020-12-29 This revised edition of Religion and Politics in South Asia presents a comprehensive analysis of the interaction of religion and politics in Afghanistan Bangladesh India the Maldives Nepal Pakistan and Sri Lanka The book highlights that in recent decades religion religious political parties and religious rhetoric have become dominant features of the political scenes in all seven countries By presenting each country's political system and the socio economic environment within which the interactions of religion and politics are taking place chapters explore various factors that affect both the lives of people in the region and global politics Designed in an easy to follow structure the book includes sections on the history and politics major religions and religious composition of the population legal and constitutional provisions regarding religion religious freedom and the treatment of minorities the political landscape and religious political parties and groups within the countries In doing so the book addresses concerns including the effects of religious political interactions on political stability human rights and the implications for internal and

external security situations A timely contribution written by experts in their field this book is a useful guide to religion and politics and will be of interest to undergraduate and graduate students in South Asian politics Asian politics religion and politics history and international studies **Eurasian Security Matters** K. Santhanam,2010-07-01 Papers presented at the International Conference on Changing Security Landscape of Eurasia Role of Regional Groupings organised by Maulana Abul Kalam Azad Institute of Asian Studies and the India Central Asia Foundation held at New Delhi during 27 29 May 2010

From That Flame MaryAnn T. Beverly,2007 From that Flame follows the journey of a female journalist Michelle Garrett into Afghanistan s rugged Hindu Kush Mountains as she attempts to interview the legendary Commander Massoud In the process an attack by combined Taliban and al Qaeda troops propels Michelle Garrett into a wartime adventure with Commander Massoud and his Mujahidin As the novel progresses a friendship between the journalist and the Afghan commander grows giving her a unique perspective into the man the Wall Street Journal credited as the Afghan who ended the Cold War The novel is best described as a well researched blend of fact and credible fiction A Bed of Red Flowers Nelofer Pazira,2005-10-01 Written with compassion intelligence and insight A Bed of Red Flowers is a profoundly moving portrait of life under occupation and the unforgettable story of a family a people and a country The picnic of the red flower is a traditional time of celebration for Afghans One of Nelofer Pazira s earliest memories is of people gathering in the countryside to admire the tulips and poppies carpeting the landscape It is the mid 1970s and her parents are building a future for themselves and their young children in the city of Kabul But when Nelofer is just five the Communists take power and her father a respected doctor is imprisoned along with thousands of other Afghans The following year the Russians invade Afghanistan which becomes a police state and the center of a bloody conflict between the Soviet army and American backed mujahidin fighters A climate of violence and fear reigns For Nelofer there is no choice but to grow up fast At eleven she and her friends throw stones at the Russian tanks that stir up dust and animosity in the streets of Kabul As a teenager she joins a resistance group hiding her gun from her parents Her emotional refuge is her friendship with her classmate Dyana with whom she shares a passion for poetry dreams and a better life After a decade of war Nelofer s family escapes across the mountains to Pakistan and later to Canada where she continues to write to Dyana When her friend suddenly stops writing Nelofer fears for Dyana s life With lyrical narrative prose A Bed of Red Flowers movingly tells Pazira s haunting story as well as Afghanistan s story as a nation *Cruel Harvest* Julien Mercille,2012-12-09 This book lifts the lid on the reality of Afghanistan s growing drug trade and the role played by the US military in its trajectory Where conventional accounts blame the Taliban for the expansion of drug production Cruel Harvest shows that the US shares responsibility by supporting drug lords refusing to adopt effective drug control policies and failing to crack down on drug money laundered through Western banks Julien Mercille argues that the best way to address drug problems is by reducing demand in consumer countries not by conducting fruitless and damaging counter narcotics missions in Afghanistan Taliban Ahmed Rashid,2022-09-06 This

New York Times best seller remains the most informative and objective account of the Taliban available This modern classic brings the shadowy world of the Taliban and its impact on Afghanistan the Middle East and Central Asia into sharp focus Ahmed Rashid offers an authoritative account of the Taliban's rise to power the effects of changing American attitudes toward it and the new faces of Islamic fundamentalism and explains why Afghanistan has become the world's center for international terrorism This edition updated in view of the Taliban's resurgence and sudden renewed purchase on Afghanistan's major cities explores how the group regained its strength and broadened its geographical reach It is a must read for anyone seeking to understand the events that unfolded in 2021 following America's withdrawal from the country after twenty years of war
