African Pentecostalism An Introduction:

African Pentecostalism Ogbu Kalu, 2008-03-06 In this book Ogbu Kalu provides an overview of Pentecostalism in Africa. He shows the amazing diversity of the faith which flourishes in many different forms in diverse local contexts and demonstrates that African Pentecostalism is distinctly African in character not imported from the West. **African**

Pentecostalism from African Perspectives Ezra Chitando, Lovemore Togarasei, Loreen Maseno, 2024-10-28 This book makes a significant contribution to the study of African Pentecostalism by reflecting on their output. Deviating from the widespread phenomenon of scholars from the Global North being dominant voices on African Pentecostalism, this volume brings together African scholars from diverse academic disciplines and African Diasporan to showcase how they've helped to shape the field. This volume addresses the lacuna in the available scholarship by undertaking detailed analyses of how scholarship exemplifies the various areas where African scholars have made and continue to make contributions. The included chapters engage in methodological debates on African Pentecostalism from the continent as well as from African diaspora and is a must read for scholars working on Pentecostalism. *African Pentecostalism, the Bible, and Cultural Resilience* Biri, Kudzai, 2020-04-30 This volume based on a PhD thesis submitted to the University of Zimbabwe investigates the resilience of Shona religion and culture among ZAOGA Pentecostal Christians. Whereas the Pentecostal ideology suggests that old things have passed away, it appears that old things continue to have high significance for the new. The book demonstrates how belief in avenging spirits, witches and witchcraft, value of words spoken prior to death, the role status and significance of women, belief in unnatural events, liturgy and salvation have remained relevant to the lives of ZAOGA Shona converts. The patterns of continuity, discontinuity, extension, collaboration, contradiction, re-interpretation and rejection between Shona traditional religion and culture and ZAOGA are explored, challenging the framing of African Pentecostalism as a mere imitation and parroting of US theology. The conclusion is that while ZAOGA self-consciously presents itself as a sophisticated trans-national and progressive Pentecostal movement, members continue to wrestle with Shona indigenous beliefs and practices. An African womanist framework is adapted to challenge ZAOGA to promote the well-being of women.

African Pentecostalism and World Christianity Nimi Wariboko, Adeshina Afolayan, 2020-09-15 In the last fifty years the history of World Christianity has been disproportionately shaped if not defined by African Pentecostalism. The objective of this volume is to investigate and interrogate the critical junctures at which World Christianity invigorates and is invigorated by African Pentecostalism. The essays of the thinkers gathered here examine the general relationships between World Christianity and Africa and the specific interplays between World Christianity and African Pentecostalism. Scholars from multiple disciplines, continents and countries evaluate how the theological scholarship and missional works of eminent African intellectual Johnson Kwabena Asamoah Gyadu have contributed to the scholarly understanding of how Global Christianity has been mediated by its reception in Africa. They also investigate how African Pentecostalism has been shaped

by its contact with the diverse forms of Christianity in Africa and the rest of the world With contributions from Opoku Onyinah Harvey C Kwiyani Kirsteen Kim Craig S Keener Charles Prempeh Kenneth R Ross Trevor H G Smith Vivian Dzokoto Chammah J Kaunda Felix Kang Esoh Patrick Kofi Amissah Caleb Nyanni Marleen de Witte Oluwaseun Abimbola Philomena Njeru Nwaura Faith Lugazia Dietrich Werner Allan H Anderson *The Palgrave Handbook of Christianity in Africa from Apostolic Times to the Present* Andrew Eugene Barnes, Toyin Falola, 2024-03-07 This comprehensive Handbook provides chapter length surveys of the history of Christian missions and Christian churches on the African continent since the time of Christ Africa is rapidly becoming the most Christianized region of the world While common narratives about Christianity tend to present Christianity as a set of ideas and beliefs imposed on Africa from the outside such narratives hold little meaning for African Christians or for those seeking to understand Christianity in Africa as an indigenous faith The aim of the Handbook is to propose a set of scholarly starting points for a new set of narratives The chapters collected here communicate an idea of Christianity as it has been embraced among African peoples at particular historical moments It therefore grants voice to the various strands of African Christianity on their own terms and offers scholarly study of what these voices teach us about how the world's most adhered to religion is practiced and understood on the continent of Africa *An African Pentecostal Hermeneutics* Marius Nel, 2018-12-27 The face of African Christianity is becoming Pentecostal African Pentecostalism is a diverse movement but its collective interest in baptism in the Spirit and the result of Pentecost in daily living binds it together Pentecostals read the Bible with the expectation that the Spirit who inspired the authors will again inspire them to hear it as God's word They emphasize the experiential at times at the cost of proper doctrine and practice This book sketches an African hermeneutic that provides guidance to a diverse movement with many faces and serves as corrective for doctrine and practice in the face of some excesses and abuses especially in some parts of the neo Pentecostal movement African Pentecostalism's contribution to the hermeneutical debate is described before three points are discussed that define it the centrality of the Holy Spirit in reading the Bible the eschatological lens that Pentecostals use when they read the Bible and the faith community as normative for the interpretation of the Bible *Genders, Sexualities, and Spiritualities in African Pentecostalism* Chammah J. Kaunda, 2020-06-22 This book examines the complex and multifaceted nature of African Pentecostal engagements with genders and sexualities In the last three decades African Pentecostalism has emerged as one of the most visible and profound aspects of religious change on the continent and is a social force that straddles cultural economic and political spheres Its conventional and selective literal interpretations of the Bible with respect to gender and sexualities are increasingly perceived as exhibiting a strong influence on many aspects of social and public institutions and their moral orientations This collection features articles which examine sexualities and genders in African Pentecostalism using interdisciplinary methodological and theoretical approaches grounded within traditional African thought systems with the goal of enabling a broader understanding of Pentecostalism and sexualities in Africa **Pentecostalism and Politics**

in Africa Adeshina Afolayan, Olajumoke Yacob-Haliso, Toyin Falola, 2018-06-29 As the epicenter of Christianity has shifted towards Africa in recent decades Pentecostalism has emerged as a particularly vibrant presence on the continent This collection of essays offers a groundbreaking study of the complex links between politics and African Pentecostalism Situated at the intersection between the political the postcolonial and global neoliberal capitalism contributors examine the roots of the Pentecostal movement s extraordinary growth how Pentecostalism intervenes in key social and political issues such as citizenship party politics development challenges and identity and conversely how politics in Africa modulate the Pentecostal movement Pentecostalism and Politics in Africa offers a wide ranging picture of a central dimension of postcolonial African life opening up new directions for future research An Introduction to Pentecostalism Allan Heaton Anderson, 2013-10-24 Pentecostalism has become the fastest growing Christian movement particularly outside Europe and Allan Heaton Anderson is one of the foremost scholars of this phenomenon His innovative interpretation of Pentecostalism focuses on the serious contribution made by both western and Majority World participants in its development In this second edition of his leading introductory course book Anderson presents an updated global history of the movement which addresses significant events and changes in recent years and surveys important theoretical issues such as gender and society as well as politics and economics The book also offers a comprehensive explanation of the significance of Charismatic Christianity throughout the world plus its effect upon the globalisation of religion and its transformation in the present century This new edition will be an important resource for those studying Pentecostalism Charismatic Christianity theology and sociology of religion *An Introduction to Pentecostalism* Allan Anderson, 2004-05-13 Global Pentecostalism and Charismatic Christianity in all its diversity is the fastest expanding religious movement in the world today Allan Anderson a former Pentecostal minister and a leading authority on global Pentecostalism aims to make more visible the non western nature of Pentecostalism without overlooking the importance of the movement emanating from North America Offering an innovative interpretation of Pentecostalism he takes seriously the contributions of the Majority World to its development and concentrating on its history and theology reflects on the movement s development and significance throughout the world Anderson also examines those theological issues that helped form a distinctive spirituality and how this relates to different peoples and their cultures Finally Anderson discusses the development of Pentecostal and Charismatic Christianity in the different countries from its origins at the beginning of the twentieth century to its theological emphases in the present together with the impact of the processes of globalization Prophecy and Politics in South African Pentecostalism Mookgo Solomon Kgatle, 2023-12-28 This book is an interdisciplinary study of the relationship between prophecy and politics in South African Pentecostalism The role and the power of prophecy in enhancing the presence of politicians in the church square are unpacked through historical examples as well as case studies of contemporary prophets Solomon Kgatle argues that the influence of prophecy in politics has the potential to weaken the prophetic voice of the church in general and the Pentecostal movement in particular He

proposes a Pentecostal political theology of prophecy This theology is developed by taking into cognizance the theoretical and theological frameworks of prophetic imagination and pneumatological imagination In addition this theology seeks a balance between prophecy and power and prophecy and sovereignty Pentecostalism and Cultism in South Africa Mookgo Solomon Kgatle,2021-02-28 Pentecostalism is a growing movement in world Christianity However the growth of Pentecostalism in South Africa has faced some challenges including the abuse of religion by some prophets This book first names these prophets and the churches they lead in South Africa and then makes use of literary and media analysis to analyse the religious practices by the prophets in relation to cultism Additionally the book analyses the celebrity cult and how it helps promote the prophets in South Africa The purpose of this book is threefold First to draw parallels between the abuse of religion and cultism Second to illustrate that it is cultic tendencies including the celebrity cult that has given rise to many prophets in South Africa Last to showcase that the challenge for many of these prophets is that the Pentecostal tradition is actually anti cultism and thus there is a need for them to rethink their cultic tendencies in order for them to be truly relevant in a South African context African Pentecostalism and Eschatological Expectations Marius Nel,2019-09-16 The Pentecostalisation of African Christianity has been called the African Reformation of the past thirty years African Pentecostalism is a diverse movement characterised by its emphases on Spirit baptism divine healing charismatic worship and eschatological expectations This work investigates its eschatological systems in terms of its unrealised expectation of the second coming of Christ and suggestions are presented for the movement to keep its eschatology at the heart of its impetus This is accomplished through a hermeneutical awareness of the distinctiveness of Pentecostalism as a restorationist movement Written for pastors church leaders and believers this book discusses the literalistic way of reading the Bible in most of the classical Pentecostal components of African Pentecostalism supporting their premillennialist and even dispensational eschatological views It suggests a new Pentecostal hermeneutics developed by scholarship in the past forty years in line with significant elements of the way in which early Pentecostals read the Bible This new hermeneutical awareness implies new and exciting ways of thinking about eschatology that will enrich and enlighten African Pentecostalism in its hope for the second coming of Christ Scripting Pentecost Mark J. Cartledge,A.J. Swoboda,2016-07-07 Scripting Pentecost explores and develops an analysis of worship and liturgy in Pentecostal and Charismatic traditions Organized into three main sections history theology and contemporary practice the first section quarries the historical trajectories of classic Pentecostalism the Charismatic movement Third Wave and Oneness Pentecostalism Particular attention is given to the liturgical approaches of some of the earliest leaders including William J Seymour Alexander Boddy and Aimee Semple McPherson The second section constructive theology offers theological approaches to liturgical studies from Pentecostal and Charismatic perspectives In this section the Pentecostal and Charismatic tradition is advanced and extended by an interaction with ecumenical sources The third section case studies in contemporary worship theology and practice examines

the actual performance of liturgy through selected global case studies chosen to reflect a diversity of ecclesial practice in Africa Asia Europe North America Latin America and Oceania Globalizing Linkages Wanjiru M. Gitau, Mark A.

Lamport, 2024-04-18 One of the important contemporary but unexplored themes for Christianity in Africa today is its ongoing connections to a broader Christian and non Christian world This is quite apart from the idea of mission connections or reverse mission from Africa to elsewhere or any mission themed global connection In much existing scholarship Africa seems to only have recently been drawn into the orbit of global relations but there is a long standing relationship with the wider world people linking from different regions at different times for varied reasons This volume explores the theme of two thousand years of connections and how the global sensibility has shaped Christianity on the continent for two thousand years

Evangelical and African Pentecostal Unity Hugh Osgood, 2024-04-18 As the millennium approached the number of independent African Pentecostal churches in Britain increased rapidly Having assimilated classical Pentecostalism and the charismatic movement and having begun to find ways of working with the Caribbean Pentecostal denominations it remained to be seen how UK evangelicalism would fare with African Pentecostals This book looks at the intricacies of the relationship at a time that provided ample opportunities to weigh the benefits and challenges of integration from every possible angle

Good Pastors, Bad Pastors Dela Quampah, 2014-08-20 The emergence of Pentecostalism in Ghana has attracted a massive following and generated institutions that have significantly impacted Christian discourse and national life The movement has produced prominent leaders who have developed exemplary Christian education programs and generated volumes of Christian literature unprecedented in Ghanaian Christianity Nevertheless public opinion often upbraids church leaders for unethical conduct Despite the concern for high moral standards set by Pentecostal church polity and ministerial ethical codes reports of Pentecostal ministerial misconduct appear regularly in the media Although congregation members and perceptive public observers appreciate the constructive moral impact of Pentecostal ministers instances of promiscuity power abuse financial misappropriation and superstition reveal a gap between ethical ideals and practice As this research reveals factors behind unethical ministerial conduct include inadequate training poor accountability and a general low level of ethical reflection Good Pastors Bad Pastors suggests that a multidimensional approach of responsible reportage emphatic moral education appropriate but sympathetic response to moral failure and peer review accountability could help uphold a higher standard of ministerial ethics

LGBTIQ + people and Pentecostals Marius Nel, 2021-11-30 This book provides Pentecostals with the necessary equipment and motivation to contribute to one of Africa s important ethical challenges LGBTIQ people and Africa s homophobic reaction to them The study is aimed at Christian believers and pastors to empower them with relevant information about the issue The issue is discussed in terms of existing biological psychological anthropological sociological philosophical and queer theory knowledge along with a study of the biblical texts in order to answer the question what should a responsible African Pentecostal response be towards the LGBTIQ issue and what should

Pentecostals attitude be towards such people *Megachurches in Africa* Babatunde A. Adedibu, Felicity Apaah, Okelloh Ogera, Benson O. Igboin, 2024-10-04 The idea of megachurch is pivotal to the nature characteristics and vision of megachurches as a social divine structure grounded on the belief in grand mega God whose omnipotence is revealed encountered and dramatised in space and place Although the concept of megachurch has been discursively and theoretically problematic sprouting and scouting for a big idea grasping that is in itself elusive the book takes a pragmatic detour to engage and nuance and also beat into manageable shape what can readily be construed as megachurch at least in Africa It argues that megachurch is not only related to from the prism of its exponentiality and grandiosity a feature that is pervasive in its conceptualisation but it is also much more inserted into a socio cultural political and religious context that is at once empirical and relatable responsible and responsive daring and appealing local and transnational spiritual and mundane controversial and soothing The institutionalisation of megachurch legitimises its existence radar and reach in terms of social mobilisation charismatics and incarnationality Central to the praxis of megachurches is digital turn that zooms out the Mega Mega powers and affluence of mega pastors mega narratives mega miracles and mega messes All of this is sited and situated most profoundly within the mega failure of state to be responsible and account for mega wealth that African political rulers vanquished into their private lounges The megachurch and state relations might appear complexified and mutually beneficial the knack with which some Africa s megachurches pastors churches churches dribble and meander through this midfield constantly calls to mind the Megachurches Megachurches claim of divine imprimatur and the future of its pentecostality
