

AFTER THIRTY FALLS

NEW ESSAYS ON JOHN BERRYMAN

PHILIP COLEMAN

PHILIP MCGOWAN

Falls - just back home
 After 30 yrs I return to the land of youth
 & others, w. a new book in my briefcase
 four times too large. I still
 all year I must confront 33 books
 w. me say who to live & who to die
 before my discharge.
 Bless
 6 Aug 66, Carmichael in St. Louis.

After Thirty Falls New Essays On John Berryman

Peter Rawlings, Peter Holland

After Thirty Falls New Essays On John Berryman:

"After thirty Falls" ,2015-07-14 Prefaced by an account of the early days of Berryman studies by bibliographer and scholar Richard J Kelly After thirty Falls is the first collection of essays to be published on the American poet John Berryman 1914 1972 in over a decade The book seeks to provoke new interest in this important figure with a group of original essays and appraisals by scholars from Ireland the United Kingdom Hong Kong and the United States Exploring such areas as the poet s engagements with Shakespeare and the American sonnet tradition his use of the Trickster figure and the idea of performance in his poetics it expands the interpretive framework by which Berryman may be evaluated and studied and it will be of interest to students of modern American poetry at all levels What makes the collection particularly valuable is its inclusion of previously unpublished material including a translation of a poem by Catullus and excerpts from the poet s detailed notes on the life of Christ thereby providing new contexts for future assessments of Berryman s contribution to the development of poetry poetics and the relationship between scholarship and other forms of writing in the twentieth century

Confessional Poetry in the Cold War Adam Beardsworth,2022-02-02 This book explores how confessional poets in the 1950s and 1960s US responded to a Cold War political climate that used the threat of nuclear disaster and communist infiltration as affective tools for the management of public life In an era that witnessed the state sanctioned repression of civil liberties poets such as Robert Lowell John Berryman Sylvia Plath Anne Sexton and Randall Jarrell adopted what has often been considered a politically benign confessional style Although confessional writers have been criticized for emphasizing private turmoil in an era of public crisis examining their work in relation to the political and affective environment of the Cold War US demonstrates their unique ability to express dissent while averting surveillance For these poets writing the fear and anxiety of life in the bomb s shadow was a form of poetic doublespeak that critiqued the impact of an affective Cold War politics without naming names

Dark Airs Brendan Cooper,2009 In discussions of American poetry since World War II the work of John Berryman has become increasingly neglected and marginalized Critics have overwhelmingly chosen to favour the notion that he is an academic establishment poet whose career can comfortably be described as a move from New Critical traditionalism towards self absorbed confessionalism This study shows how such a narrow understanding of Berryman s work is reflective of a broader critical inclination towards a codification of the literary canon as a duel between competing factions of a formalist establishment mainstream and an experimentalist countercultural avant garde By examining the extent to which Berryman s poetry engages with the complex religiopolitical climate of Cold War American culture this study exposes the inadequacy of the paradigm of mainstream traditionalism in relation to his work In doing so it opens up threads of comparative possibility between his work and that of poets ordinarily segregated from him by divisive conceptions of the literary canon As such this volume provides a reconsideration of Berryman s work that simultaneously asks broader questions about the nature of the American poetic canon and established definitions of

postmodern poetry **Emerson, Melville, James, Berryman** Peter Rawlings, Peter Holland, 2015-04-23 A comprehensive critical analysis of the most important Shakespearean critics editors actors and directors This volume explores the interpretation and influence of Shakespeare in America **The Cambridge History of the American Essay** Christy Wampole, Jason Childs, 2023-12-14 From the country's beginning essayists in the United States have used their prose to articulate the many ways their individuality has been shaped by the politics social life and culture of this place The Cambridge History of the American Essay offers the fullest account to date of this diverse and complex history From Puritan writings to essays by Indigenous authors from Transcendentalist and Pragmatist texts to Harlem Renaissance essays from New Criticism to New Journalism The story of the American essay is told here beginning in the early eighteenth century and ending with the vibrant heterogeneous scene of contemporary essayistic writing The essay in the US has taken many forms nature writing travel writing the genteel tradition literary criticism hybrid genres such as the essay film and the photo essay Across genres and identities this volume offers a stirring account of American essayism into the twenty first century

Italian Music in Dakota Andrea Mariani, 2017-03-13 The intersection between literature and music is a major feature in Anglo American cultural history The present volume analyzes the transatlantic migration of European opera and its appropriation by some of the most important literary figures of the United States The presence of opera in literary texts is always operative and results in artistic outputs possessing more articulated and tense vectors of meaning The comparative method applied confirms the musical sensitivity of masters such as Poe Whitman Melville Dickinson Wharton Cather reveals the intriguing contradictions in the poetics of Emerson Thoreau and James and vindicates the role of some minor figures who through their involvement in the world of musical theater contributed to the intercultural context **Robert Lowell In**

Context Thomas Austenfeld, Grzegorz Kość, 2024-04-04 Robert Lowell was one of the most influential American poets of the 20th century This volume explores the various contexts of Lowell's life and work and evaluates his oeuvre from new perspectives Individual chapters address his relation to the South his religious evolution aspects of his marriages and private life his bipolar disorder seen through new theories of mental illness his work as a letter writer and a connoisseur of art and photography The book also introduces new parameters for a contemporary study of Lowell commenting on current debates about race and privilege feminism ecoconsciousness his engagement with the natural environment as well as his friendships with Randall Jarrell and Robert Penn Warren

MLA International Bibliography of Books and Articles on the Modern Languages and Literatures , 2007 **BLAST at 100** , 2017-07-31 BLAST at 100 makes an original contribution to the understanding of a major modernist magazine Providing new critical readings that consider the magazine's influence within contexts that have not been acknowledged before in the development of Irish and Spanish literature and culture in the twentieth century for example as well as in the areas of cultural studies performance studies and the scholarship of teaching and learning BLAST at 100 reconsiders the magazine's complex legacy In addition to situating the magazine in new and often

unexpected contexts BLAST at 100 also offers important new insights into the work of some of its most significant contributors including Wyndham Lewis Ezra Pound and Rebecca West Contributors are Philip Coleman Simon Cutts Andrzej G siorek Angela Griffith Nicholas E Johnson Kathryn Laing Christopher Lewis J C C Mays Kathryn Milligan Yolanda Morat Nathan O Donnell Alex Runchman Colm Summers Tom Walker *The Pleasures and Horrors of Eating* Marion Gymnich,2010-09-15 Browsing through books and TV channels we find people pre occupied with eating cooking and competing with chefs Eating and food in today s media have become a form of entertainment and art A survey of literary history and culture shows to what extent eating used to be closely related to all areas of human life to religion eroticism and even to death In this volume early modern ideas of feasting banqueting and culinary pleasures are juxtaposed with post 18th and 19th century concepts in which the intake of food is increasingly subjected to moral theological and economic reservations In a wide range of essays various images rhetorics and poetics of plenty are not only contrasted with the horrors of gluttony they are also seen in the context of modern phenomena such as the anorexic body or the gourmandizing b te humaine It is this vexing binary approach to eating and food which this volume traces within a wide chronological framework and which is at the core not only of literature art and film but also of a flourishing popular culture *The Body and the Book* ,2015-06-29 The stimulating mix of academics and practising poets that have contributed to this volume provides an unusual and illuminating integration of critical and creative practice and a vibrantly diverse approach to questions of poetry and sexuality Each section of essays is complemented by poems which creatively illustrate or develop the theme with which the essays critically engage Rather than being limited to a specific genre tradition time or place this collection seeks to make a virtue of contrast comparison and juxtaposition The collection is arranged into sections that range broadly across the thematic ground of dichotomies traditions and revisions microscopic and macroscopic perspectives women and embodiment and the notion of play and performance Positioning eighteenth century tinkers ballads alongside medieval Hebrew lyrics and the Blues of Gorgeous Puddin or making Dionysus rub shoulders with Sharon Olds and Mrs Rochester provides new perspectives on familiar material and valuable insights into more obscure work and the nature of sensual poetry as a mode of expression As the editors suggest the essays and poems presented collectively argue that writings about sexuality are always already about the way poets see and represent our bodies the world and poetic language itself **The Oxford Companion to Modern Poetry in English** Jeremy Noel-Tod,Ian Hamilton,2013-05-23 This impressive volume provides over 1 700 biographical entries on poets writing in English from 1910 to the present day including T S Eliot Dylan Thomas and Carol Ann Duffy Authoritative and accessible it is a must have for students of English and creative writing as well as for anyone with an interest in poetry **American Poetry since 1945** Eleanor Spencer-Regan,2017-09-16 This book features a collection of essays on some of the key poets of post war America written by leading scholars in the field All the essays have been newly commissioned to take account of the diverse movements in American poetry since 1945 and also to reflect

retrospectively on some of the major talents that have shaped its development In the aftermath of the Second World War American poets took stock of their own tumultuous past but faced the future with radically new artistic ideals and commitments More than ever before American poetry spoke with its own distinctive accents and declared its own dreams and desires This is the era of confessionalism beat poetry protest poetry and avant garde postmodernism This book explores the work of John Berryman Robert Lowell Elizabeth Bishop Adrienne Rich and Sylvia Plath as well as contemporary African American poets and new poetic voices emerging in the 21st century This New Casebook introduces the major American poets of the post war generation evaluates their achievements in the light of changing critical opinion and offers lively incisive readings of some of the most challenging and enthralling poetry of the modern era Conversations with John Berryman

Eric Hoffman, 2021-03-01 The poetry of John Berryman 1914 1972 is primarily concerned with the self in response to the rapid social political sexual racial and technological transformations of the twentieth century and their impact on the psyche and spirit both individual and collective He was just as likely to find inspiration in his local newspaper as he was from the poetry of Hopkins or Milton In fact in contrast to the popular perception of Berryman drunkenly composing strange dreamlike abstract esoteric poems Berryman was intensely aware of craft His best work routinely utilizes a variety of rhetorical styles shifting effortlessly from the lyric to the prosaic For Berryman poetry was nothing less than a vocation a mission and a way of life Though he desired fame he acknowledged its relative unimportance when he stated that the important thing is that your work is something no one else can do As a result Berryman very rarely granted interviews I teach and I write he explained I m not copy yet when he did the results were always captivating Collected in Conversations with John Berryman are all of Berryman s major interviews personality pieces profiles and local interest items where interviewers attempt to unravel him as both Berryman and his interlocutors struggle to find value in poetry in a fallen world

Annotating Modernism Amanda Golden, 2020-05-04 Making extensive use of archival materials by Sylvia Plath John Berryman and Anne Sexton Amanda Golden reframes the relationship between modernism and midcentury poetry While Golden situates her book among other materialist histories of modernism she moves beyond the examination of published works to address poets annotations in their personal copies of modernist texts A consideration of the dynamics of literary influence Annotating Modernism analyzes the teaching strategies of midcentury poets and the ways they read modernists like T S Eliot James Joyce Ezra Pound Virginia Woolf and W B Yeats Situated within a larger rethinking of modernism Golden s study illustrates the role of midcentury poets in shaping modernist discourse **Experimentalism as Reciprocal**

Communication in Contemporary American Poetry Elina Siltanen, 2016-10-06 The poems of John Ashbery Lyn Hejinian and Ron Silliman may seem to offer endless small details of expression observation thought and narrative which fail to hang together even from one line to the next But as Elina Siltanen shows here this extraordinary flow of uncoordinated detail can stimulate readers to join the poets in a delightful exploration of ordinary language When readers take a poem in this spirit

they actually begin to read as members of a community the community not only of themselves and other readers but also including the poet and other poets plus all the speakers of the language in which the poem is written For all these different parties that language is indeed a shared resource and the way for readers to get started is simply by recalling or imagining some of the numerous kinds of context in which the given poem's words phrases sentences could or could not be successfully used The rewards for such proactive readers are on the one hand a heightened sense of the subtle interweavings of language and life and on the other hand a freshly empowered self confidence The point being that within the community of contemporary experimental poetry poets have no more authority than readers Rejecting older cultural hierarchies they present themselves as teasing out the idiomatic serendipities of their own poems together with their readers

Great Shakespeareans Set I Peter Holland, Adrian Poole, 2010-06-03 *Great Shakespeareans* offers a systematic account of those figures who have had the greatest influence on the interpretation understanding and cultural reception of Shakespeare both nationally and internationally This major project offers an unprecedented scholarly analysis of the contribution made by the most important Shakespearean critics editors actors and directors as well as novelists poets composers and thinkers from the seventeenth to the twentieth century *Great Shakespeareans* will be an essential resource for students and scholars in Shakespeare studies

New and Experimental Approaches to Writing Lives Jo Parnell, 2019-08-01 With recent advances in digital technology a number of exciting and innovative approaches to writing lives have emerged from graphic memoirs to blogs and other visual verbal virtual texts This edited collection is a timely study of new approaches to writing lives including literary docu memoir autobiographical cartography social media life writing and autobiographical writing for children Combining literary theory with insightful critical approaches each essay offers a serious study of innovative forms of life writing with a view to reflecting on best practice and offering the reader practical guidance on methods and techniques Offering a range of practical exercises and an insight into cutting edge literary methodologies this is an inspiring and thought provoking companion for students of literature and creative writing studying courses on life writing memoir or creative non fiction

Tales of the Great American Victory Diederik Oostdijk, Markha G. Valenta, 2006 Exploring topics such as poetry politics and cultures of war this collection of 16 essays tells alternative contradictory and complicated stories about World War II demonstrating that the United States was not always a champion of liberty and justice as some would like the general public to believe

On Literature and Science Philip Coleman, 2007 *On literature and science* explores some of the ways that writers have engaged with science and technology from the early medieval period to the present Contents include Helen Conrad O'Brien TCD Chaucer technology and the rise of science fiction in English John Scattergood TCD Horology and literature in Renaissance England Amanda Piesse TCD Bodies of knowledge and knowledge of the body in 16th century literature Andrew J Power TCD Mental health and Hamlet Stephen Matterson TCD Edgar Allan Poe and the orangutan Darryl Jones TCD H G Wells and the imagination of disaster Ross Skelton TCD Biologic strands in the poems of Louis MacNeice Philip

Coleman TCD Scientific research in recent American fiction Peter Middleton U Southampton Can poetry be scientific Iggy
McGovern TCD Science and poetry and also creative writings by Randolph Healy Meredith Quartermain Harry Clifton Allen
Fisher Maurice Scully Dylan Harris and Kit Fryatt
