A History of Conversion to Islam in the United States, Volume 2 Patrick D. Bowen, 2017-09-11 In *A History of Conversion to Islam in the United States Volume 2 The African American Islamic Renaissance 1920 1975* Patrick D Bowen offers an in depth account of African American Islam as it developed in the United States during the fifty five years that followed World War I Having been shaped by a wide variety of intellectual and social influences the African American Islamic Renaissance appears here as a movement that was characterized by both great complexity and diversity Drawing from a wide variety of sources including dozens of FBI files rare books and periodicals little known archives and interviews and even folktale collections Patrick D Bowen disentangles the myriad social and religious factors that produced this unprecedented period of religious transformation *The African Experience in Colonial Virginia* Colita Nichols Fairfax, 2021-01-14 The State of Virginia recognizes the 1619 landing of Africans at Point Comfort present day Hampton as a complicated beginning This collection of new essays reckons with this historical fact with discussions of the impacts 400 years later Chapters cover different perspectives about the 20 and odd who landed offering insights into how enslavement continues to affect the lives of their descendants The often overlooked experiences of women in enslavement are discussed **Encyclopedia of African American History, 1896 to the Present** Paul Finkelman, 2009 Alphabetically arranged entries from A to C that explores significant events major persons organizations and political and social movements in African American history from 1896 to the twenty first century **Swing Low, volume 1** Walter R. Strickland, 2024-10-29 The dynamic witness of the Black church is an essential part of Christian history In this groundbreaking two volume work Walter R Strickland II presents a theological intellectual history of African American Christianity Volume 1 a narrative history explores five theological anchors of Black Christianity from the 1600s to the present *The Slave's Cause* Manisha Sinha, 2016-02-23 Traces the history of abolition from the 1600s to the 1860s a valuable addition to our understanding of the role of race and racism in America Florida Courier Received historical wisdom casts abolitionists as bourgeois mostly white reformers burdened by racial paternalism and economic conservatism Manisha Sinha overturns this image broadening her scope beyond the antebellum period usually associated with abolitionism and recasting it as a radical social movement in which men and women black and white free and enslaved found common ground in causes ranging from feminism and utopian socialism to anti imperialism and efforts to defend the rights of labor Drawing on extensive archival research including newly discovered letters and pamphlets Sinha documents the influence of the Haitian Revolution and the centrality of slave resistance in shaping the ideology and tactics of abolition This book is a comprehensive history of the abolition movement in a transnational context It illustrates how the abolitionist vision ultimately linked the slave s cause to the struggle to redefine American democracy and human rights across the globe A full history of the men and women who truly made us free Ira Berlin The New York Times Book Review A stunning new history of abolitionism Sinha plugs abolitionism back into the history of anticapitalist protest The Atlantic Will

deservedly take its place alongside the equally magisterial works of Ira Berlin on slavery and Eric Foner on the Reconstruction Era The Wall Street Journal A powerfully unfamiliar look at the struggle to end slavery in the United States as multifaceted as the movement it chronicles The Boston Globe

The Women Who Professionalized Interior Design

Peter Dedek, 2022-03-10 The Women Who Professionalized Interior Design explores the history of interior decorating and design from the late nineteenth century to the present highlighting the careers and contributions of significant American female interior designers who were instrumental in the creation of the field of residential and commercial interior design in the United States This book explores how interior design emerged as a distinct paying occupation in the nineteenth century thanks to a growing middle class and an increase in available cheap household goods following the Industrial Revolution Focusing primarily on the period from 1905 to 1960 it addresses the complex relationships among professionals in the design fields the social dynamics of designer client relationships and how class culture and family influenced their lives and careers The book emphasizes significant female interior decorators and writers on design including Candace Wheeler Elsie de Wolfe Edith Wharton Nancy McClelland Ruby Ross Wood Dorothy Draper Eleanor McMillen Brown and Sister Parish all of whom are underrepresented in the historical record relating their stories within the context of the history of design and architecture This book is an ideal and concise resource for students and faculty of interior design and women's history

African Americans and the Bible Vincent L. Wimbush, 2012-09-01 Perhaps no other group of people has been as much formed by biblical texts and tropes as African Americans From literature and the arts to popular culture and everyday life the Bible courses through black society and culture like blood through veins Despite the enormous recent interest in African American religion relatively little attention has been paid to the diversity of ways in which African Americans have utilized the Bible African Americans and the Bible is the fruit of a four year collaborative research project directed by Vincent L Wimbush and funded by the Lilly Endowment It brings together scholars and experts sixty eight in all from a wide range of academic and artistic fields and disciplines including ethnography cultural history and biblical studies as well as art music film dance drama and literature The focus is on the interaction between the people known as African Americans and that complex of visions rhetorics and ideologies known as the Bible As such the book is less about the meanings of the Bible than about the Bible and meanings less about the worlds of the Bible than about how worlds and the Bible interact in short about how a text constructs a people and a people constructs a text It is about a particular sociocultural formation but also about the dynamics that obtain in the interrelation between any group of people and sacred texts in general Thus African Americans and the Bible provides an exemplum of sociocultural formation and a critical lens through which the process of sociocultural formation can be viewed

Dilemmas of Authenticity Zaid Adhami, 2025-05-07 The past two decades have witnessed pervasive anxieties in US Muslim communities around a perceived crisis of faith As Zaid Adhami argues in this richly textured ethnography these concerns are fundamentally about the pressures and dilemmas of authenticity what it really means to be a Muslim While discussions about authenticity in Islam typically focus on maintaining tradition and competing claims to true Islam Adhami focuses instead on the powerful idea of being true to one's own self and what it means to have genuine belief Drawing on extensive conversations with American Muslims and careful readings of broader communal discourse Adhami shows that this drive for personal authenticity plays out in complicated ways It can produce deep doubt while also serving as the grounds to affirm tradition It can converge with revivalist modes of piety but it can also prompt emphatic challenges to communal orthodoxies Through vivid storytelling and sensitive analysis Adhami illuminates why religious doubt is often a source of intense anxiety in today's world and how people maintain their faith despite such unsettling uncertainty

The Frederick Douglass Papers Frederick Douglass, 2021-01-01 The journalism and personal writings of the great American abolitionist and reformer Frederick Douglass Launching the fourth series of The Frederick Douglass Papers designed to introduce readers to the broadest range of Frederick Douglass's writing this volume contains sixty seven pieces by Douglass including articles written for North American Review and the New York Independent as well as unpublished poems book transcriptions and travel diaries Spanning from the 1840s to the 1890s the documents reproduced in this volume demonstrate how Douglass's writing evolved over the five decades of his public life Where his writing for publication was concerned mostly with antislavery advocacy his unpublished works give readers a glimpse into his religious and personal reflections The writings are organized chronologically and accompanied by annotations offering biographical information as well as explanations of events mentioned and literary or historical allusions

The Road to Shiloh Leander K. Lane, 2025-06-09 From Jim Crow to the Last Best West In 1910 twelve African American families from Oklahoma journeyed north to claim the promise of a better life in the Canadian West Among them was Julius Caesar Lane a former enslaved man whose legacy and that of his family is intertwined with the history of Saskatchewan's first Black community The settlement anchored by Shiloh Baptist Church now a designated Provincial Heritage Property near Maidstone became a symbol of resilience faith and determination in the face of racial barriers In this deeply personal and meticulously researched account Leander K Lane descendant of Julius Caesar

Lane traces his ancestors steps through the tumultuous aftermath of slavery in the United States to Canada documenting the challenges and successes they experienced in their new home Drawing from oral histories historical texts and never before consulted archival documents Lane vividly brings to life the untold story of the Shiloh community from their origins in the American South to their enduring impact in Western Canada This compelling narrative is both a heartfelt family memoir and a vital piece of Canadian history shedding light on the rich heritage of Black prairie homesteaders and the indomitable spirit of the Shiloh People

A Calculus of Color Robert Kuhn McGregor, 2015-04-14 In 1947 as the integration of Major League Baseball began the once daring American League had grown reactionary unwilling to confront postwar challenges population shifts labor issues and above all racial integration The league had matured in the Jim Crow era when northern cities responded to the Great Migration by restricting black access to housing transportation accommodations and entertainment while blacks created their own institutions including baseball s Negro Leagues As the political climate changed and some major league teams realized the necessity of integration the American League proved painfully reluctant With the exception of the Cleveland Indians integration was slow and often ineffective This book examines the integration of baseball widely viewed as a triumph through the experiences of the American League and finds only a limited shift in racial values The teams accepted few black players and made no effort to alter management structures and organized baseball remained an institution governed by tradition bound owners
