Special Providence Walter Russell Mead,2013-05-13 God has a special providence for fools drunks and the United States of America Otto von Bismarck America s response to the September 11 attacks spotlighted many of the country s longstanding goals on the world stage to protect liberty at home to secure America s economic interests to spread democracy in totalitarian regimes and to vanquish the enemy utterly One of America s leading foreign policy thinkers Walter Russell Mead argues that these diverse conflicting impulses have in fact been the key to the U S s success in the world In a sweeping new synthesis Mead uncovers four distinct historical patterns in foreign policy each exemplified by a towering figure from our past Wilsonians are moral missionaries making the world safe for democracy by creating international watchdogs like the U N Hamiltonians likewise support international engagement but their goal is to open foreign markets and expand the economy Populist Jacksonians support a strong military one that should be used rarely but then with overwhelming force to bring the enemy to its knees Jeffersonians concerned primarily with liberty at home are suspicious of both big military and large scale international projects A striking new vision of America s place in the world Special Providence transcends stale debates about realists vs idealists and hawks vs doves to provide a revolutionary nuanced historically grounded view of American foreign policy

The Peel Sessions Ken Garner,2010-12-15 This is a story of teenage dreams which as any Peel fan knows are hard to beat Between 1967 and 2004 John Peel picked over 2000 bands to come and record over 4000 sessions to be played on his radio show Many were young and had never been in a recording studio before for some it was the start of an illustrious career for others it was the only recognition their musical talent ever got For over 35 years the cream of British musical talent made the journey to the BBC s studio in Maida Vale from Pink Floyd to Pulp the Small Faces to the Smiths And because John Peel was so respected his sessions took on a legendary status they were a rite of passage that every new band wanted to go through Unfettered by commercial pressure the Peel Sessions were a unique British institution an archive of music that reflects one man s passion for finding and encouraging new music Includes a full sessionography listing songs band members and broadcast dates Jarvis Cocker writing

about his first Peel Session aged 18 Wayne the drummer was 15 We travelled down to Maida Vale in a van driven by a very strange man we d contacted via a card pinned to the Virgin record shop noticeboard We d had to borrow lots of equipment from a band called The Naughtiest Girl Was a Monitor cause we didn t have enough stuff of our own The session was to be produced by Dale Griffin who used to be the drummer in Mott the Hoople I seem to remember that he was wearing cowboy boots I think the crisis point came when Wayne was attempting to get a home made synth drum to work that a friend of his at school had made out of a rubber burglar alarm mat and an old electronic calculator Dale Griffin looked at this 15 year old kid crouching on the floor bashing what looked like a doormat with some wires coming out of it and just put his head in his hands But to his credit the session did get finished and after it everything else started for me *CMJ New Music Report*
